## *Substitute House Bill 1*
## *128th General Assembly*

*Main Operating Appropriations Bill*
*(FY 2010– FY 2011)*

**As Reported by House Finance and Appropriations**

# Introduction

The Budget in Detail, commonly referred to as the "Spreadsheet," lists each state agency's appropriations by line item. It begins with two summary tables followed by detailed line-item appropriations for each agency. The first table lists total General Revenue Fund (GRF) appropriations by agency. The second table lists total all-fund appropriations by agency. The detailed line-item appropriation section is arranged in alphabetical order by agency name. This section also includes two nonagency items for which appropriations are made: Employee Benefits Fund (PAY) and Revenue Distribution Funds (RDF). Within each agency, generally, line items are organized by fund group, fund code, and line-item number. The order of line items within each agency matches the order in which they appear in the biennial main operating budget bill, H.B. 1.

The Budget in Detail compares each line item's appropriations for FY 2010 and FY 2011 as they exist in the As Introduced version and subsequent versions of H.B. 1. In addition to FY 2010 and FY 2011 appropriations, the Budget in Detail may include up to five years of historical data, depending on the version of H.B. 1. All figures for fiscal years prior to FY 2009 reflect actual expenditure data. Generally, FY 2009 figures represent adjusted appropriations as of January 1, 2009. The exceptions to this are certain non-GRF line items, for which estimated FY 2009 expenditures are shown. All FY 2009 figures, as well as other prior year expenditure data, are provided by the Office of Budget and Management.

The Budget in Detail does not include earmark or any other statutory language changes. Please see the Legislative Service Commission's Comparison Document (Compare Doc) for that information. For a complete discussion of the statutory changes in H.B. 1, see the Legislative Service Commission's Bill Analysis.
