Detailed Fiscal Analysis

The bill designates the month of October as "Manufacturing Month." The bill states that the designation is meant to engage and inform the general public, specifically groups including students, educators, and the media, to improve the perception of manufacturing careers and the value of manufacturing to the economy by increasing awareness, encouraging activities, and introducing real career opportunities, training, and resources throughout the month. The bill requires no action by the state or political subdivisions and has no effect on public revenues or expenditures.
