DNRCD2 Natural Resources Publications Fund Repeal	
R.C. *1501.031, (Repealed), Section 512.60*	R.C. *1501.031, (Repealed), Section 512.60*
Repeals the section of the Revised Code establishing the Natural Resources Publications and Promotional Materials Fund (Fund 5080);	Same as the Executive.
Requires the Director of Budget and Management to transfer the remaining cash balance in the fund as of July 1, 2011 to the Departmental Projects Fund (Fund 1550) and the Geological Mapping Fund (Fund 5110), and to cancel all outstanding encumbrances against SSR Fund 5080 appropriation item 725684, Natural Resources Publications, and re-establish them against GSF Fund 1550 appropriation item 725601, Departmental Projects, and SSR Fund 5110 appropriation item 725646, Ohio Geological Mapping;	Same as the Executive.
Abolishes the Natural Resources Publications and Promotional Materials Fund upon completion of the transfer and requires all moneys from the sales of departmental publications and promotional materials as of July 1, 2011 to be credited to the Departmental Projects Fund (Fund 1550) or the Geological Mapping Fund (Fund 5110) as determined by the Director.	Same as the Executive.
Fiscal effect: Gains in publication revenues to the Departmental Projects Fund (Fund 1550) and the Geological Mapping Fund (Fund 5110) would offset the elimination of the Natural Resources Publications and Promotional Materials Fund (Fund 5080).	**Fiscal effect: Same as the Executive.**

DNRCD6 Division of Geological Survey	
R.C. *1505.01, 1505.011, 1505.04-1505.06, 1505.09, 1505.11, 1505.99*	R.C. *1505.01, 1505.011, 1505.04-1505.06, 1505.09, 1505.11, 1505.99*
Revises the duties of the Division of Geological Survey to (1) include dolomite, aggregates, sand, gravel, oil, and natural gas in the list of materials collected and studied by the Division; (2) add environmental, health, welfare, and public safety concerns to the list of considerations for its studies and reports; (3) require the making and storing of maps, diagrams, profiles, and geologic sections to be cataloged and available in perpetuity and to add data, records, rock cores, and samples as other information that must be so cataloged and made available; (4) authorize the Division to collaborate with other state agencies, other state governments, or the federal government on geological issues, and requires such collaboration when requested by such entities; (5) permit the Division to create custom maps, data sets, or other products for government agencies, colleges and universities, and other persons; and (6) permit the Division to provide information on the geology of the state to such entities.	Same as the Executive.
Specifies that any custom maps, data sets, or other products created by the Division for colleges and universities, governmental agencies, or other persons are intellectual property records under the Public Records Law. Requires such records for persons to be held confidential pursuant to a contract and authorizes such records for colleges and universities and governmental agencies to be held confidential pursuant to a contract.	Same as the Executive.

Executive	As Reported by House Finance and Appropriations
Requires the Chief of the Division of Geological Survey to adopt rules that establish fee schedules for requests for (1) data from geologic records, maps, and samples that may include the costs of specialized storage, programming, labor, research, retrieval, data manipulation, and copying and mailing; and (2) custom maps, data sets, and other custom products, and for providing geological information that may include the costs of labor, research, analysis, equipment, and technology. Permits the Chief to waive a fee for a student enrolled in an institution of higher education. Requires any revision to a fee schedule to be reviewed by the Ohio Geology Advisory Council and approved by the Director of Natural Resources. Requires all revenue from such fees to be deposited in the Geological Mapping Fund (Fund 5110).	Same as the Executive, but further requires that any revision to a fee schedule be made in rules under Chapter 119. of the Revised Code.
Adds geologic hazards and energy resources to the list of subjects on which reports and maps funded by the Geological Mapping Fund may be produced.	Same as the Executive.
Requires any person who fails to comply with well log filing requirements to be fined not less than $100 and not more than $1,000 for a first offense, and not less than $1,000 but not more than $2,000 for a second and any subsequent offense.	Same as the Executive.
Fiscal effect: Potential gain in fee and fine revenues to the Geological Mapping Fund (Fund 5110).	**Fiscal effect: Same as the Executive.**

EPACD11 **Extension of Solid Waste Transfer and Disposal Fee**

R.C. *3734.57, 1515.14, 3745.015*	R.C. *3734.57, 1515.14, 3745.015*
Extends from June 30, 2012, to June 30, 2014, the expiration date of the following fees on the transfer or disposal of solid wastes:	
(1) $1 per ton the proceeds of which must be divided equally between the Hazardous Waste Facility Management Fund (Fund 5030) and the Hazardous Waste Clean-Up Fund (Fund 5050), which are used for purposes of Ohio's hazardous waste management program;	(1) Same as the Executive.
(2) $1 per ton the proceeds of which must be credited to the Solid Waste Fund (Fund 4K30), which is used for the solid and infectious waste and construction and demolition debris management programs; and	(2) Same as the Executive.
(3) $2.50 per ton the proceeds of which must be credited to the Environmental Protection Fund (Fund 5BC0), which is used for administering and enforcing environmental protection programs.	(3) Same as the Executive.
No provision.	Extends for one year, through June 30, 2013, the $0.25 per-ton fee on the transfer or disposal of solid wastes, the proceeds of which are credited to the Soil and Water Conservation District Assistance Fund (Fund 5BV0).

Executive	As Reported by House Finance and Appropriations
Fiscal effect: The fee extensions preserve annual revenues totaling: $6.3 million for Fund 5030, $6.3 million for Fund 5050, $12.7 million for Fund 4K30, and $31.7 million for Fund 5BC0. The Executive budget allows the $0.25 per-ton fee on the transfer or disposal of solid wastes, the proceeds of which are credited to the Soil and Water Conservation District Assistance Fund (Fund 5BV0), to expire effective June 30, 2012 as under current law. This provision will result in a loss of $3.1 million annually for Fund 5BV0 beginning in FY 2013.	**Fiscal effect: Same as the Executive, except the one-year extension of the $0.25 per ton fee deposited to the credit of Fund 5BV0 will preserve annual revenues totaling $3.1 million.**

EPACD14 Sale of Tire Fees

R.C. *3734.901*	R.C. *3734.901*
(1) Extends for two years the sunset of the 50¢ per-tire fee on the sale of tires the proceeds of which are deposited to the credit of the Scrap Tire Management Fund (Fund 4R50), which is used by the Ohio EPA to fund its scrap tire management program.	(1) Same as the Executive.
(2) Extends for two years the sunset of an additional 50¢ per-tire fee on the sale of tires, and requires all money from the fee to continue to be credited to the Soil and Water Conservation District Assistance Fund (Fund 5BV0), which is used by the Department of Natural Resources to distribute money to each of the state's 88 soil and water conservation districts.	(2) Same as the Executive.
Fiscal effect: The fee extensions preserve annual revenues totaling $3.5 million for Fund 4R50 and $3.5 million for Fund 5BV0.	**Fiscal effect: Same as the Executive.**
