Bill Analysis
Legislative Service Commission

H.B. 208
123rd General Assembly
(As Introduced)

Rep. Taylor

BILL SUMMARY

- Adopts sandstone as the official state rock.

CONTENT AND OPERATION

The bill adopts sandstone as the official state rock. Sandstone is a sedimentary rock formed by the consolidation of ancient beds of sand. It is found throughout the state and in great abundance in Lorain County. (Sec. 5.072.)
