### **CONTENT AND OPERATION**

#### **Creation of the prison nursery program**

(secs. 5120.65, 5120.656, and 5120.657)

The bill permits the Department of Rehabilitation and Correction to establish a prison nursery program in one or more of the Department's institutions

for women. The program would allow eligible inmates and children born to them while in the custody of the Department to reside together in the institution. If the program is established, the Department is required to adopt rules under the Administrative Procedure Act that establish requirements necessary and appropriate to the establishment, implementation, and operation of the program.

Under the bill, neither the program nor the Department, with respect to the program, is subject to any regulation, licensing, or oversight by the Ohio Department of Job and Family Services (ODJFS) unless both departments agree to voluntary regulation, licensing, or oversight by ODJFS.

### **Program eligibility**

(sec. 5120.651)

An inmate is eligible to participate in the prison nursery program if she meets all of the following requirements:

- (1) The inmate is pregnant at the time she is delivered into the custody of the Department;
- (2) The inmate gives birth on or after the date the program is implemented;
- (3) The inmate is subject to a sentence of imprisonment of not more than 18 months;
- (4) The inmate and the child meet any other criteria established by the Department.

### **Duties of program participants**

(sec. 5120.652)

Under the bill, each inmate selected by the Department to participate in the prison nursery program is required to do all of the following:

- (1) Agree in writing to do all of the following:
  - (a) Comply with any program, educational, counseling, and other requirements established by the Department;
  - (b) If eligible, have the child participate in the Medicaid program or a health insurance program;
  - (c) Accept the normal risks of child-rearing;

(d) Release the Department from liability for any injury, death, or loss to person or property resulting from participation in the program;

(e) Abide by any court decision regarding the allocation of parental rights and responsibilities with respect to the child.

(2) Assign to the Department any rights to child or spousal support from any other person, excluding support assigned by participants in the Ohio Works First program and medical support assigned by recipients of public assistance;<sup>1</sup>

(3) Specify with whom the child is to be placed in the event the inmate's participation in the program is terminated for a reason other than the inmate's release from imprisonment.

**Termination of program participation**

(sec. 5120.653)

An inmate's participation in the prison nursery program may be terminated by the Department if any of the following occurs:

(1) The inmate fails to comply with the agreement entered into under the bill;

---

<sup>1</sup> Under Revised Code section 5107.20, participation in Ohio Works First constitutes an assignment to ODJFS of any rights members of an assistance group have to support from any other person, excluding medical support. In accordance with federal statutes and regulations, ODJFS is to deposit support payments it receives into the state treasury to the credit of the Child Support Collections Fund or the Child Support Administrative Fund. Money credited to the funds is used to make Ohio Works First cash assistance payments.

*Under section 5101.59, application for or acceptance of public assistance constitutes an automatic assignment of certain rights to ODJFS. "Public assistance" means Ohio Works First, Medicaid, and state disability assistance. A person who is a public assistance applicant, recipient, or participant must assign to ODJFS any rights to medical support available to the person or for other members of the assistance group under an order of a court or administrative agency, excluding Medicare benefits, and any rights to payments from any third party liable for the cost of medical care and services arising out of injury, disease, or disability of the person or other members of the assistance group.*

(2) The inmate's child becomes seriously ill, cannot meet medical criteria established by the Department, or otherwise cannot safely participate in the program;

(3) An action is brought to designate a person other than the inmate as the child's residential parent and legal custodian;<sup>2</sup>

(4) An action is brought to grant custody of the child to a person other than the inmate;

(5) An order is issued granting shared parenting of the child;<sup>3</sup>

(6) The inmate is released from imprisonment.

**Prison nursery program fund**

(secs. 5120.654 and 5120.655)

Under the bill, the managing officer of each institution in which the Department establishes a prison nursery program is required to create and maintain a prison nursery program fund to pay expenses associated with the prison nursery program.

The rights to support assigned by the inmate to the Department under the bill constitute an obligation of the person who is responsible for providing the support to the Department for the support provided the inmate and the child under the program. The Division of Child Support in ODJFS is required to collect support payments made pursuant to the assignment and forward them to the institution in which the inmate is incarcerated. The managing officer of the inmate's institution is responsible for the deposit of the payments in the prison nursery program fund maintained for the institution.

The bill also provides that the Department may receive money assigned or donated on behalf of inmates and children participating in the program and deposit the money in the appropriate prison nursery program fund.

<sup>2</sup> *The residential parent and legal custodian is the parent who has been allocated by a court order most of the parental rights and responsibilities for the care of the child pursuant to a divorce, dissolution, legal separation, annulment, or child custody proceeding.*

<sup>3</sup> *A shared parenting order provides for both parents to act as a child's residential parent and legal custodian.*
