The consideration for the conveyance is the exchange of services and cash as provided under a sanitary sewer use agreement that is executed by the Village of Apple Creek and the state (Section 6(A)).

The sanitary sewer use agreement to be executed by the Village of Apple Creek and the state must provide for an exchange of services and cash in accordance with all terms and conditions set forth in Article 1 of the Offer to Purchase Real Estate that was made by the Village of Apple Creek on February 22, 2000, and that was accepted by the Director of Administrative Services on February 28, 2000, and concurred in by the Director of Mental Retardation and Developmental Disabilities.
