## CONTENT AND OPERATION

### *Sex Offender Registration and Notification Law--general background*

Existing law requires certain offenders who have been convicted of or pleaded guilty to a "sexually oriented offense" (see "*Definitions*," below) to register with a county sheriff, provide notification to specified sheriffs if there is a change in residence address, and periodically verify residence addresses with specified sheriffs. The law also provides for victim notification and community notification of the residence addresses of offenders who are also classified as "sexual predators" or, in certain circumstances, "habitual sex offenders" (see "*Definitions*," below). This law, contained in existing Chapter 2950. of the Revised Code, is referred to generally as the Sex Offender Registration and Notification Law (the SORN Law) or the Ohio Megan's Law.

### *Duties and notifications under the SORN Law*

#### *Duty to register*

Existing law generally requires offenders convicted of a sexually oriented offense to register with a specified sheriff at a specified time. Generally, each offender must register, within seven days after coming into any county in which he or she resides or temporarily is domiciled for more than seven days, with the sheriff of that county.<sup>1</sup> (R.C. 2950.04(A), not in the bill.)

An offender who is required to register personally must obtain from the sheriff or a designee of the sheriff a registration form, complete and sign the form, and return the completed form together with a photograph to the sheriff or designee. The sheriff or designee must sign the form and indicate on the form the date on which it is returned. After an offender registers with a sheriff, the sheriff must forward the signed, written registration form and photograph to the Bureau of Criminal Identification and Investigation (BCII). BCII includes the information and materials in the State Registry of Sex Offenders. (R.C. 2950.04(A), (B), (C), and (D), not in the bill.)

#### *Duties regarding change of residence address*

Under existing law, an offender who is required to register must, at least seven days before changing his or her residence address during the period of

<sup>1</sup> Existing law has similar registrations requirements for certain delinquent children who have committed sexually oriented offenses. For simplicity purposes, however, this analysis refers generally to adult "offenders."

required registration (see **COMMENT**), do both of the following: (1) provide written notice of the residence address change to the sheriff with whom the offender most recently registered, and (2) register the new residence address with the sheriff of the county in which the new residence address is located. The provisions apply regardless of whether the person's new residence address is in Ohio or in another state. (R.C. 2950.05(A), (B), (C), and (F), not in the bill.)

A sheriff, upon receiving an offender's notice of a change of residence address, must promptly forward the new residence address to BCII if the new residence address is in another state or, if the offender's new residence address is located in another county in Ohio, to the sheriff of that county. BCII must include all information forwarded to it in the State Registry of Sex Offenders and forward notice of the offender's new residence address to the appropriate officials in the other state. (R.C. 2950.05(D), not in the bill.)

#### **Duties regarding address verification**

Existing law provides that an offender who is required to register must periodically verify his or her current residence address at a specified time and in a specified manner. Regardless of when the sexually oriented offense for which the offender is required to register was committed, if the offender has been adjudicated a sexual predator and has not been "declassified," the offender must verify his or her current residence address every 90 days after his or her initial registration date during the required registration period. In all other circumstances, the offender must verify his or her current residence address on each anniversary of his or her initial registration date during the required registration period. (R.C. 2950.06(A) and (B), not in the bill.)

An offender must verify his or her current residence address with the sheriff with whom he or she most recently registered by personally appearing before the sheriff or a designee, no earlier than ten days before the date on which the verification is required and no later than the date verification is required, to complete and sign a copy of the verification form prescribed by BCII. The sheriff or designee must sign the completed form and indicate the date on which it is completed. To facilitate the verification of an offender's current residence address, the sheriff with whom the offender most recently registered may mail a nonforwardable verification form prescribed by BCII to the offender's last reported address, with a notice that conspicuously states that the offender must personally appear before the sheriff or a designee to complete the form and the date by which it must be completed. Regardless of whether a sheriff mails a form to an offender, each offender with an address verification duty must personally appear before the sheriff or a designee to verify the address as described in this paragraph. (R.C. 2950.06(C) and (D), not in the bill.)

Upon an offender's personal appearance and completion of a verification form, a sheriff must promptly forward a copy to BCII. BCII must include all information forwarded to it in the State Registry of Sex Offenders. (R.C. 2950.06(E), not in the bill.)

### **Sheriff's duty to collect fees**

#### **Existing law**

Existing law specifies that a sheriff must or may charge a number of fees which a court or its clerk must tax in the bill of costs against the judgment debtor or person legally liable for the fees. These fees generally pertain to actions taken by the sheriff or a deputy sheriff before, during, or after civil or criminal proceedings in a court. When any of the services associated with the specified fees are rendered by a county officer or employee, the fees must be taxed as costs in the case and, when collected, paid into the general fund of the county. (R.C. 311.17, not in the bill.)

#### **Changes proposed by the bill**

The bill creates new authority for a sheriff to collect a fee each time an adult offender registers or registers a change of residence address under the SORN Law. It also permits a sheriff to collect a fee each time an adult offender periodically verifies a current residence address under that law. (Sec. 311.171 (B).)

If a sheriff charges an adult offender one or more of the fees authorized by the bill, the sheriff cannot require a delinquent child to pay any fee until the child reaches the age of majority. At that time, all of the provisions of the bill applicable to an adult offender must be construed to apply to the delinquent child. (Sec. 311.171(C)(1).)

The bill gives a sheriff discretion as to the amount of a fee but imposes a maximum limit for each registration year. A "registration year" of an offender is defined, for current registrants, as the 12-month period beginning on the anniversary, occurring on or after January 1, 2003 (the bill's effective date), of the date on which the offender's registration period began in accordance with the statute specifying when registration requirements begin for specified offenders (see **COMMENT**). A "registration year," for future registrants, is defined as the 12-month period beginning on the date on which an offender's registration period begins, on or after January 1, 2003 (the bill's effective date), in accordance with that statute. The bill specifies that a sheriff's fees may not exceed a total of: (1) \$100 for each registration year of an offender who has been adjudicated a sexual predator, (2) \$50 for each registration year of an offender who has been

determined to be a habitual sexual offender, who has not been adjudicated a sexual predator, and for whom the sentencing judge has required community notification, or (3) \$25 for each registration year of an offender who has been convicted of or pleaded guilty to a sexually oriented offense, who has not been adjudicated a sexual predator, and for whom the sentencing judge has not required community notification. (Sec. 311.171(A) and (C)(2), (3), and (4); Section 3 of the bill.)

The bill requires an offender to retain the receipts provided for payments made during the offender's registration year to establish that the payment of any fee will exceed the applicable maximum annual amount permissible under the bill (sec. 311.171(C)(5)). It states that, if an offender has registered with a sheriff and subsequently relocates to a different county during a registration year, the annual maximum amounts apply to the sheriff in the new county; and that sheriff must consider any payments already made by the offender for purposes of determining when the applicable maximum has been met for the offender's registration year (sec. 311.171(G)).

Under the bill, all fees paid to a sheriff must be paid into the county treasury to the credit of the county general fund and must be allocated to the sheriff to be used to defray the costs of registering sex offenders and providing community notification (sec. 311.171(C) and (F)). The sheriff cannot refuse to register a person, register a new residence address of a person, or verify the current residence address of a person, who does not pay a required fee (sec. 311.171(C)(6)). Unpaid fees must be reported in the same manner as other fees collected by county officials and may be recovered in a civil action in the same manner as other money due the county (sec. 311.171(C)(7)).

The bill requires a sheriff to make a determination about a person's ability to pay a fee each time a person appears before the sheriff to provide any registration or verification for which the sheriff charges a fee under the bill. In making that determination, the sheriff is required to apply the same standards uniformly to each person. (Sec. 311.171(D).)

The bill provides that if a sheriff determines a person is unable to pay a fee, the sheriff may waive payment of the fee or require the person to pay the fee in accordance with a payment schedule the sheriff establishes based on the person's ability to pay. The sheriff must document any waiver or alternative fee arrangement in the official registration records of the sheriff's office and must provide the offender with a written copy of any waiver or alternative fee arrangement. (Sec. 311.171(E).) In order to accommodate the sheriff's authority conferred by the bill to waive fees, the bill creates an exception to the current provision of law that prohibits county officers from reducing, abating, or remitting any fees, costs, percentages, penalties, allowances, or perquisites of any kind required to be charged by the officer (sec. 325.32).

(4) An offender is "adjudicated as being a sexual predator" if: (a) the offender is convicted of or pleads guilty to committing, on or after January 1, 1997, a sexually oriented offense that is a sexually violent offense and also is convicted of or pleads guilty to a sexually violent predator specification that was included in the document charging the sexually violent offense, (b) regardless of when the sexually oriented offense was committed, on or after January 1, 1997, the offender is sentenced for a sexually oriented offense, and the sentencing judge determines pursuant to R.C. 2950.09(B) that the offender is a sexual predator, (c) prior to January 1, 1997, the offender was convicted of or pleaded guilty to, and was sentenced for, a sexually oriented offense, the offender is imprisoned in a state correctional institution on or after January 1, 1997, and the court determines pursuant to R.C. 2950.09(C) that the offender is a sexual predator, or (d) regardless of when the sexually oriented offense was committed, the offender is convicted of or pleads guilty to, or has been convicted of or pleaded guilty to, a sexually oriented offense in another state or in a federal court, military court, or an Indian tribal court, as a result of that conviction or plea of guilty the offender is required, under the law of that jurisdiction, to register as a sex offender until the offender's death and to verify the offender's address on at least a quarterly basis each year, and, on or after July 1, 1997, the offender moves to and resides in Ohio or temporarily is domiciled in Ohio for more than seven days, unless a court of common pleas determines that the offender is not a sexual predator pursuant to R.C. 2950.09(F).

(5) "Sexually violent predator specification" and "sexually violent offense" have the same meanings as in existing R.C. 2971.01 (cross-reference in division (H) of R.C. 2950.01). R.C. 2971.01 (not in the bill) provides that "sexually violent predator specification" means a specification, as described in R.C. 2941.148, charging a person with being a sexually violent predator and that "sexually violent predator" means a person who has been convicted of or pleaded guilty to committing, on or after January 1, 1997, a sexually violent offense and is likely to engage in the future in one or more sexually violent offenses.

## COMMENT

Existing law, not in the bill, specifies that the duty of an offender who is convicted of or pleads guilty to a sexually oriented offense to comply with the registration, change of address, and address verification duties of the SORN Law *commences* on whichever of the following dates is applicable: (1) if the offender's duty to register is based on the offender's release from a prison term or other confinement on or after July 1, 1997, the offender's duty to comply commences on the date of his or her release or on July 1, 1997, whichever is later, (2) if the offender's duty to register is based on the offender being sentenced for a sexually oriented offense on or after July 1, 1997, and (1) above does not apply, the

offender's duty to comply commences on the date of entry of the judgment of conviction of the offense or on July 1, 1997, whichever is later, (3) if the offender's duty to register is based on the offender having been required to register under former R.C. Chapter 2950., the offender's duty to comply commences 14 days after July 1, 1997, and (4) if the offender's duty to register is based on the offender's conviction of a sexually oriented offense in a jurisdiction other than Ohio, the offender's duty to comply commences on March 30, 1999, or on the date the offender begins to reside or becomes temporarily domiciled in Ohio, whichever is later. (R.C. 2950.07(A).)

The duty of an offender to comply with the registration, change of address, and address verification duties of the SORN Law *continues*, after the date of commencement, for whichever of the following periods is applicable: (1) if the offender has been adjudicated a sexual predator relative to the sexually oriented offense, the offender's duty to comply continues until the offender's death, provided that, if the judge who sentenced the offender or that judge's successor in office subsequently "declassifies" the offender, the offender's duty to comply continues for the period of time that otherwise would have been applicable to the offender, (2) if the judge who sentenced the offender for the sexually oriented offense determined pursuant to the SORN Law that the offender is a habitual sex offender, the offender's duty to comply continues for 20 years, and (3) if neither (1) nor (2) above applies, the offender's duty to comply continues for ten years (R.C. 2950.07(B)).
