125th General Assembly

(As Reported by H. County and Township Government)

Rep. Raga

BILL SUMMARY

- Authorizes the conveyance of two parcels of state-owned real estate in Warren County to the city of Mason.

CONTENT AND OPERATION

Authorization and consideration

The bill authorizes the Governor to execute a deed in the name of the state conveying to the city of Mason, and its successors and assigns, all of the state's right, title, and interest in two parcels of state-owned real estate in Warren County (Section 1). The consideration for the conveyance is a purchase price of \$105,000, that is to be deposited to the credit of the Mental Health Facilities Improvement Fund in the state treasury. That Fund is used to pay the costs of specified capital facilities for "mental hygiene and retardation" (R.C. 154.20(F)--not in the bill). (Section 2.)

Conditions and possibilities of reverter

Parcel 1

The conveyance of the parcel denoted as Parcel Number 1 in the bill is subject to the condition that the city of Mason not use it for any type of residential or commercial facility. In addition, the city is not to convey any or all of the parcel to any non-state entity for a period of 15 years from the bill's effective date. If the city so uses or conveys the parcel, all right, title, and interest in it will revert to the state without the need for any further action. (Section 3.)
