It also makes miscellaneous modifications or additions in the Election Law related to voting information posting at polling places, the posting of certain information on the Ohio Elections Commission's web site, inappropriate references to the declaration of intent to be a write-in candidate, the names of certain offenses, and other matters. Each of the topics mentioned above is summarized in this analysis in a detailed "dot point" and tabular fashion along with citations to the relevant codified or uncodified statutes.

### **Voter registration**

#### **Voter registration forms**

- Requires voter registration applications as well as change of residence and change of name forms prescribed by the Secretary of State to meet the requirements of federal law and to include spaces for certain information (R.C. 3503.11 and 3503.14(A)). See definition of "photo identification" for registration purposes under "**Voter identification and the meaning of "photo identification"**," below.
- Requires the Bureau of Motor Vehicles, in consultation with a committee consisting of the directors of the boards of elections of the four counties in the state with the highest number of registered voters and the four counties in the state with the lowest number of registered voters on the bill's effective date and subject to certain caveats, to develop and review a system to make information from completed voter registration applications received by the Registrar of Motor Vehicles or a deputy registrar available to all boards of elections via electronic means. This

must be done within 30 days after the bill's effective date and annually thereafter. (R.C. 3503.11.)

- Except for voter registration applications and change of residence and change of name forms used by the Registrar of Motor Vehicles and deputy registrars, requires the Secretary of State to permit boards of elections to produce forms that have subdivided spaces for each individual alphanumeric character of the voter's information so as to accommodate the electronic reading and conversion of the information to data and the subsequent electronic transfer of that data to the statewide voter registration database (see below) (R.C. 3503.14(A)).

**Return and processing of voter registration forms**

- Specifies the locations to which persons who help applicants register to vote outside an official registration place must return completed voter registration forms, and specifies that whoever violates these provisions is guilty of election falsification, a felony of the fifth degree (R.C. 3503.19(B) and 3599.11(B)(2)(b), (C)(2), and (D)).
- Prohibits persons who help applicants register to vote outside an official registration place from knowingly failing to return any registration form entrusted to them to the appropriate board of elections or (in certain cases) a designated agency in the appropriate county within ten days after the form is completed or, unless the person receives the form within 24 hours before the 30th day before the election, on or before the 30th day before the election, whichever day is earlier, and specifies that a violation of these prohibitions constitutes election falsification, a felony of the fifth degree (R.C. 3599.11(B)(2)(a) and (C)(1)).<sup>1</sup>
- Requires a board of elections that receives a valid voter registration application to register that applicant within 20 business days, unless the application is received during the 30 days immediately preceding the day of an election (R.C. 3503.19(C)(1)).
- Requires a board of elections to include in the registration notification mailed to a voter a notice, written in bold type, that the voter needs to

---

<sup>1</sup> *There appears to be a need for a technical amendment to R.C. 3599.11(B)(2)(a) to relocate the caveat pertaining to "receipt of a registration form within 24 hours before the 30th day before the election" to its proper location in line 11575.*

bring to the polling place identification in the form of a current and valid photo identification, a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and current address of the voter, or the last four digits of the voter's Social Security number, but that the voter still will be able to vote if the voter does not have any of these forms of identification or the last four digits of the voter's Social Security number (see "**Voter identification and the meaning of 'photo identification'**," below) (R.C. 3503.19(C)(1)).

- Requires a board of elections, if it is unable to verify a registered voter's correct address after investigating a returned registration notification, to mark the voter's name in the pollbook, and requires a voter whose name has been so marked to provide identification and vote by provisional ballot at the first election at which the voter appears to vote (R.C. 3503.19(C)(2)).

#### **Official registration lists**

- Requires the official registration list for each precinct to be prepared in either paper or electronic form from the statewide voter registration database (see below) 14 days before the day of each election, and requires the names in that list to be in alphabetical order (R.C. 3503.23(A)).
- Establishes additional requirements for the availability and public posting of the official registration list for a precinct, and permits any person to enter the polling place for the sole purpose of reviewing that list, provided that the person does not engage in conduct that would constitute "harassment in violation of the election law" (see "**Private cause of action for 'harassment in violation of the Election Law'**," below) (R.C. 3503.23(B)(1) and (C)).

#### **Cancellation of voter registration**

- Specifies the circumstances under which the registration of a registered elector can be cancelled (R.C. 3501.05(Q), 3503.15(D)(3) and (E), 3503.19(C)(2), 3503.21, and 3503.24(C)).
- Provides that if a provisional ballot is not counted for a voter whose name is marked in the official registration list and in the pollbook due to

the voter's registration notice having been returned as undeliverable, if the reason for the noncounting is that (1) the voter is not qualified or is not properly registered to vote, (2) the voter did not provide any additional required information within ten days after the day of the election, or (3) a hearing was conducted after the election that did not result in the voter's inclusion in the official registration list, and if the voter's registration is canceled as a result, the relevant board of elections must notify the voter by United States mail of the cancellation (R.C. 3503.19(C)(2) and 3505.183(B)(4)(a)(i), (v), and (vi)).

- Establishes a deadline for boards of elections to cancel the registration of an elector who fails to respond to a confirmation notice and fails to vote in the two subsequent federal general elections (R.C. 3503.21(E)).
- Requires the Secretary of State to adopt administrative rules requiring each board of elections to remove ineligible voters from the statewide voter registration database and, if already prepared for a particular election, from precinct poll lists or signature pollbooks (R.C. 3501.05(Q)).

#### Miscellaneous

- Requires the Secretary of State to develop an informational brochure on voter registration that, among other things, must include information written in bold type explaining that when a voter attempts to vote, the voter needs to bring identification in the form of a current and valid photo identification, a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and current address of the voter, or the last four digits of the voter's Social Security number, but that the voter still will be able to vote if the voter does not have any of these forms of identification or the last four digits of the voter's Social Security number (see "**Voter identification and the meaning of 'photo identification'**," below) (R.C. 3503.28(A)).
- Generally requires boards of elections and other entities to distribute the informational brochure to any person who requests more than two voter registration forms at one time, and requires the same information to be made available to anyone who prints a registration form from the Secretary of State's or a board of elections' web site (R.C. 3503.28(B), (C), and (D)).

- Generally, requires a person who is compensated for registering voters to annually complete an Internet-based training program developed by the Secretary of State; to register, annually and in advance, with the board of elections of each county in which the person will register voters; and to submit documentation that the person has completed the training and is so registered with each registration form that the person returns (R.C. 3503.29).

### **Statewide voter registration database**

- Requires the Secretary of State to establish a statewide voter registration database that meets the requirements of federal law, and specifies certain additional requirements with which that database must comply (R.C. 3501.05(V), 3503.13(A), and 3503.15(A), (C), and (D)).
- Requires the Secretary of State to provide training in the operation of the statewide voter registration database to each board of elections and to individuals authorized to update or modify the database (R.C. 3501.05(V) and 3503.15(F)).
- Requires the statewide voter registration database to be the official list of registered voters for all elections conducted in Ohio (R.C. 3503.15(B)).
- Requires the Secretary of State to develop rules regarding the process for updating and identifying the persons authorized to update the statewide voter registration database (R.C. 3503.13(B) and 3503.15(D)).
- Correspondingly outright repeals an existing statute that requires the Secretary of State to maintain "a master file of all registered voters" in Ohio and to prescribe, by directive, a schedule for boards of elections to submit current lists of registered voters in their counties to the Secretary of State for purposes of the master file (R.C. 3501.11(V) and 3503.21(D), and R.C. 3503.27 (repealed)).

### **Mailed notification of general elections**

- Generally requires a board of elections to send a mailing to each registered elector 60 days before the general election in an even-numbered year notifying the elector of the day of the election and of the location of the elector's polling place. This notice, which must be sent by nonforwardable mail, must include a reminder in bold type that the

elector needs to bring to the polling place identification in the form of a current and valid photo identification, a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and current address of the elector, or the last four digits of the elector's Social Security number, but that the elector still will be able to vote if the elector does not have any of these forms of identification or the last four digits of the elector's Social Security number (see "*Voter identification and the meaning of "photo identification"*," below). The exception to the requirement is when the elector registered to vote within 30 days prior to that notice mailing date. (R.C. 3501.19(A) and (C).)

- Requires a board of elections, if such a notice is returned, to mark the voter's name in the pollbook, and requires a voter whose name has been so marked to provide identification and vote by provisional ballot at the first election at which the voter appears to vote (R.C. 3501.19(B)).

#### *Publication of notice of elections*

- Reduces (from four or three) the number of times a notice of *specified elections* must be published in one or more newspapers of general circulation in the area in which an election will be conducted generally to "twice" or "twice during the week prior to the election," and generally requires a board of elections to post the notices of the specified elections for 30 days prior to an election on its web site or, if the board does not operate and maintain its own web site, on the web site it operates and maintains on free Internet space provided by the Secretary of State (see below) (R.C. 131.23(G), 306.70, 307.791, 322.021, 324.021, 503.162(B), 504.02(B), 504.03(A)(2), 511.28, 511.34(B), 513.14, 745.07, 747.11, 3311.21(A), 3311.50(C), 3311.73(B), 3349.29, 3354.12(A), 3355.09, 4504.021, 5705.191, 5705.194, 5705.196, 5705.21(B), 5705.218(C), 5705.25(A), 5705.251(A), 5705.261, 5705.71(D), 5739.022(A), 5748.02(C), 5748.04, 5748.08(C), and 6119.18).

#### *Board of elections' web sites*

- Requires the Secretary of State to provide to each board of elections that does not operate and maintain its own web site free Internet space to be used by the board for the election-related purposes discussed below (R.C. 3501.05(Y)).

- Requires a board of elections that does not operate and maintain its own web site to operate and maintain a web site using the free Internet space provided by the Secretary of State (R.C. 3501.24).
- Requires a board of elections to use that Internet space to post the required notices of the *specified elections* on questions or issues for 30 days prior to the election in question (see above) (R.C. 3501.24).
- Permits a board of elections to use that free Internet space for *other election-related purposes* and to include in that free Internet space a feature that allows any person in that county to enter the person's address and promptly receive notification of the person's correct precinct number and polling place (R.C. 3501.24).

**Voting at locations other than a board of elections or a precinct polling place**

- Provides that, if a board of elections acquires, designates, or maintains any site other than the office of the board or a precinct polling place, including any temporary or permanent branch office, *at which the board permits electors to vote*, then electors will not be permitted to vote at *any other* branch office or any other office of the board. (R.C. 3501.10(C), 3503.16(B)(2)(a)(ii), (b), (c), and (d), (C), (D), and (G), and 3509.02(B).)

**Use of an attorney in fact by disabled voters**

- Allows a registered voter who, by reason of the voter's physical disability, is unable to sign the voter's name as a candidate, signer, or circulator, on a declaration of candidacy and petition, nominating petition, other petition, or other document under the Election Law to authorize a legally competent Ohio resident who is 18 years of age or older as an attorney in fact, pursuant to the process outlined below, to sign the voter's name to the petition or other election document on the voter's behalf, *at the voter's direction and in the voter's presence* (R.C. 303.12(H), 519.12(H), 3375.03, 3501.38(D), (E)(1), (F), and (H), 3501.382(A), (C), and (D), 3503.14(C), 3505.18(B), 3513.07, 3513.09, 3513.261, and 3519.05).
- Exempts the attorney in fact from continuing law's prohibitions against a person signing a name other than the person's own on a petition or other election document (R.C. 3599.13(A)(3) and 3599.14(A)(6)).

- Requires the disabled voter to file with the board of elections of the voter's county of residence a notarized form that includes or has attached (1) the voter's name, (2) an attestation of the voter that the voter, by reason of physical disability, is unable to sign petitions or other election documents and that the voter desires the attorney in fact to sign them on the voter's behalf, at the voter's direction and in the voter's presence, (3) an attestation from a licensed physician that the voter is physically disabled and, by reason of that disability, is unable to sign petitions or other election documents, (4) the attorney in fact's name, residence address, date of birth, and, if applicable, Ohio Supreme Court registration number and a photocopy of the attorney in fact's driver's license or state identification card, and (5) the form of the signature that the attorney in fact will use in signing the petitions or other election documents (R.C. 3501.382(A)(1)).
- Requires the notary public to acknowledge that the disabled voter orally affirmed in the presence of the notary public items (1), (2), and (4) of the power of attorney form, and prohibits a notary public from performing any notarial acts with respect to such a power of attorney form unless the voter first gives that oral affirmation (R.C. 3501.382(A)(2)).
- Provides that only a notary public satisfying the qualifications for commission as a notary public in Ohio and actually commissioned in Ohio may perform notarial acts with respect to such a power of attorney form (R.C. 3501.382(A)(2)).
- Requires the Secretary of State to prescribe the form and content of (1) the power of attorney form and (2) a distinct form to revoke such a power of attorney (R.C. 3501.382(E)).
- Requires a board of elections that receives a notarized power of attorney form to (1) use the attorney in fact's signature for the purpose of verifying the voter's signature on petitions and other election documents and (2) cause the poll list or signature pollbook for the relevant precinct to identify the voter as having so authorized an attorney in fact (R.C. 3501.382(B)).

**Voter identification and the meaning of "photo identification"**

- Requires all voters to provide to election officials at the polling place on the day of an election proof of the voter's identity in the form of a current

and valid "photo identification" (see below) *or* a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the voter's name and current address (R.C. 3505.18(A)(1)).

- Defines "photo identification," for all contexts in the Election Law in which that term is used (e.g., voting at polling places, voting by absent voter's ballots, applying for those ballots, and registering to vote), as a document that (1) shows the individual's name, which must conform to the name in the poll list or signature pollbook, (2) shows the individual's current address, which must conform to the address in the poll list or signature pollbook, (3) shows the individual's photograph, (4) includes an expiration date that has not passed, and (5) was issued by the United States government or the State of Ohio (R.C. 3501.01(AA)).
- Permits a voter who provides a form of photo identification that does not contain the voter's current residence address to cast a provisional ballot, provided that the voter must inform the election official at the polling place of, and the election official must transmit to the appropriate local election official, both the voter's former and current residence address for verification purposes (R.C. 3505.18(A)(6) and 3505.181(A)(14) and (B)(3)).
- Permits a voter who is unable to provide to precinct election officials any of the forms of identification mentioned in the first dot point in this portion of the analysis to provide the last four digits of the voter's Social Security number, and then to vote a provisional ballot, with the Social Security number information being required to be included on the envelope of the ballot (R.C. 3505.18(A)(2) and 3505.181(A)(2)).
- Permits a voter who is unable to provide to precinct election officials any of the forms of identification mentioned in the first dot point in this portion of the analysis or to provide the last four digits of the voter's Social Security number to vote a provisional ballot (R.C. 3505.18(A)(3) and 3505.181(A)(3)).
- Permits a voter who does not have any of the forms of identification mentioned in the first dot point in this portion of the analysis and who cannot provide the last four digits of the voter's Social Security number because the voter does not have a Social Security number to execute an affirmation under penalty of election falsification that the voter cannot

provide the identification or the last four digits of the voter's Social Security number for those reasons, and then to vote a provisional ballot (R.C. 3505.18(A)(4) and 3505.181(A)(4)).

- Requires the Secretary of State to prescribe the form of the affirmation mentioned above, which must include spaces for (1) the voter's name, (2) the voter's address, (3) the current date, (4) the voter's date of birth, and (5) the voter's signature (R.C. 3505.18(A)(4)).
- Permits a voter who does not have any of the forms of identification mentioned in the first dot point in this portion of the analysis, who cannot provide the last four digits of the voter's Social Security number because the voter does not have a Social Security number, and who declines to execute the affirmation mentioned above to vote a provisional ballot (R.C. 3505.18(A)(5) and 3505.181(A)(13)).
- Requires the Secretary of State to conduct voter education outlining voter identification requirements (R.C. 3501.05(Z)).

#### **Precinct voting location guide**

- Provides (1) if an individual appears at a polling place and declares that he or she is eligible to vote in a jurisdiction other than the one in which the individual desires to vote or (2) if, upon review of the "precinct voting location guide" (see below) using the residential street address provided by the individual, an election official at the polling place determines that the individual is not eligible to vote in that jurisdiction, the election official must (a) direct the individual to the polling place for the jurisdiction in which the individual appears to be eligible to vote, (b) explain that the individual may cast a provisional ballot at the current location but that the ballot will not be counted if it is cast in the wrong precinct, and (c) provide the telephone number of the board of elections in case the individual has additional questions (R.C. 3505.181(C)(1)).
- Defines "precinct voting location guide" as either (1) an electronic or paper record that lists the correct jurisdiction and polling place for either each specific residential street address in the county or the range of residential street addresses located in each neighborhood block in the county or (2) any other method that a board of elections creates that allows a precinct election official or any elector who is at a polling place

in that county to determine the correct jurisdiction and polling place of any qualified elector who resides in the county (R.C. 3505.181(E)(2)).

### Challenges of registered voters

- Changes from 11 days prior to an election to 20 days prior to an election the deadline after which persons may not challenge the right to vote of a registered elector (R.C. 3503.24(A), 3505.19, and 3505.20).
- Permits pre-election challenges to be decided from the records of the board of elections without a hearing under certain circumstances (R.C. 3503.24(B) and 3505.19).
- Generally requires pre-election challenge hearings, when required, to be conducted, and the challenge to be decided, within ten days after the board of elections receives the challenge, but permits, in certain circumstances, those challenges to be resolved after the day of the election (R.C. 3503.24(B) and (D)).
- Eliminates the ability of any person, other than an election official, to challenge an elector's right to vote on the day of an election (R.C. 3505.20, 3505.21, 3505.22, 3505.25, 3509.06, and 3513.19(A)).

### Use of observers

- Replaces election "challengers" and "witnesses" with election "observers"; permits those observers to perform the duties currently performed by election challengers and witnesses, except that observers are not permitted to challenge an elector's right to vote on election day; and confers new authority on observers with respect to provisional ballots (R.C. 3501.26, 3501.30(A)(4), 3501.33, 3501.35(B), 3501.90, 3505.16, 3505.183, 3505.21, 3505.22, 3505.25, 3505.26, 3505.27(A), 3505.32(B), 3506.12(B), 3506.13, 3509.06(E) and (F), 3513.22(B), 3515.03, 3515.04, 3515.13, 3523.05, and 3599.38(A)).
- Changes the deadline by which a committee that *advocates or opposes a measure* and that wishes to appoint observers ("witnesses" under current law) to the count at the election must file a petition with the board of elections of any county asking that they be recognized as the committee entitled to appoint observers, from not later than 11 days prior to the election to not later than 4:00 p.m. of the 20th day prior to the election (R.C. 3505.21).

**Provisional ballots**

- Establishes provisional ballots for the purposes of all elections conducted in this state, and specifies the voters eligible to cast a provisional ballot (R.C. 3501.05(X), 3501.19(B), 3503.16(B) and (C), 3503.19(C)(2) and (3), 3503.24(D)(3), 3505.18(A), 3505.181(A) and (C), 3505.20(A), (B), (C), and (D), 3505.22, 3509.09(B) and (C), 3511.13(B) and (C), and 3513.20).
- The following are the 14 categories for provisional voting under the bill:

<b>INDIVIDUAL WHO MAY VOTE A PROVISIONAL BALLOT</b>	<b>STATUTORY CITATION</b>

R.C. 3505.181(A)(1).

This individual is one who has some form of the identification or an SSN, but, for example, the individual does not have the identification with him or her at the polling place or does not remember his or her SSN at the polling place.	R.C. 3505.18(A)(3) and 3505.181(A)(3).

---

<sup>2</sup> *Section 514.03 of Am. Sub. The bill provides that, if a county selects DRE voting machines as the primary voting system to be used in the county after the bill's effective date but before 2013, it must purchase the minimum number of machines as established by the Secretary of State pursuant to that original formula (R.C. 3506.22(C)).*

<sup>3</sup> *The prohibitions against duplicate candidacy were recently enacted in Am. Sub. H.B. 66 of the 126th General Assembly and took effect on September 29, 2005. ### **Interference with elections**

- Increases from a minor misdemeanor to a misdemeanor of the first degree the penalty for loitering in or about a registration or polling place during the registration or the casting and counting of ballots so as to hinder, delay, or interfere with the conduct of the registration or election (R.C. 3599.24(A)(5) and (B)).

- If the "harassment in violation of the Election Law" involved intentional or reckless threatening or causing of *bodily harm* to the elector while attempting to register to vote, to obtain an absent voter's ballot, or to vote,

- Authorizes a plaintiff elector in a civil action based on that private cause of action to seek a court order granting one or more special forms of relief against organizations that have previously been determined in an Ohio court to have engaged in "harassment in violation of the Election Law," such as divestiture of the organization's interest in any enterprise or in any real property, or the dissolution or reorganization of the organization (R.C. 3501.90(C)(1) and (3)).

If the prosecuting attorney does not prosecute the violations within a reasonable time or requests the Attorney General to do so, the Attorney General may proceed with the prosecution of the violations. If the Attorney General presents evidence of a violation to a prosecuting attorney within two weeks prior to an election, the prosecuting attorney must decide whether to prosecute or request the Attorney General to do so within 48 hours after the Attorney General presents the evidence, but, if the prosecuting attorney fails to do so, the Attorney General may initiate criminal proceedings. (R.C. 109.95.)<sup>5</sup>
- Specifies that, when the Attorney General is allowed to proceed with the prosecution of election fraud violations, the Attorney General may do so

---

<sup>5</sup> R.C. 3599.42 (not in, but cross-referenced in, the bill) states that a violation of any provision of the Election Law "constitutes a prima-facie case of fraud within the purview" of the Election Law. The authority conferred by the bill upon the Attorney General, then, is for certain types of election fraud and not for every potential type of election fraud.

- Requires the Ohio Ballot Board, if it determines that an initiative petition contains only one proposed law or constitutional amendment, to certify its approval to the Attorney General. But, if the Board determines that the initiative petition contains more than one proposed law or constitutional amendment, it must divide the petition into individual petitions containing only one proposed law or constitutional amendment so as to enable the voters to vote on each proposal separately, and certify its approval to the Attorney General. - Prohibits any person from failing to file any of the campaign finance statements required for an initiative or referendum petition (R.C. 3517.13(U)). Whoever violates this prohibition must be fined not more than \$250 (R.C. 3517.992(Q)).

A person who *solicits* a contribution in violation of the prohibitions mentioned above is guilty of a misdemeanor of the first degree (R.C. 3517.092(M)(1)).
