

**H.B. 410**  
126th General Assembly  
(As Introduced)

**Rep. Redfern**

---

**BILL SUMMARY**

- Creates the Office of Maritime Transportation within the Department of Transportation.
- 

**CONTENT AND OPERATION**

The bill creates the Office of Maritime Transportation within the Department of Transportation's Division of Multi-Modal Planning and Programs. The Director of Transportation is required to assign to the Office those duties, powers, and functions relating to state maritime transportation issues and activities as the Director determines. In addition, the Office must exercise and perform any other duties, powers, and functions as are assigned to it by law. (R.C. 5501.09.)
