Effective date: May 31, 2010

ACT SUMMARY

- Creates "Special Olympics," "Pediatric Brain Tumor Awareness," "Phi Theta Kappa," "Prince Hall Freemason," "Proud Supporter of the American Red Cross," and "Teen Driver Education" special license plates.
- Authorizes a motorcycle version of the existing "Purple Heart" license plate when determined feasible and provides additional necessary language for three existing special license plates.
- Designates the "Corporal Jason J. Hernandez Memorial Highway," "Sgt. Jeremy Murray Memorial Highway," "Lance Corporal Thomas O. Keeling Memorial Highway," "Lance Corporal David Raymond Baker Memorial Highway," "Staff Sgt. Matthew J. Kuglics Memorial Highway," "Korean War Veterans' Memorial

* This version updates the effective date of the act.

Highway," "Major Rocco Barnes Memorial Highway," "Navy Hospitalman Richard "Doc" Powell Memorial Highway," "Captain Seth Mitchell Memorial Highway," "Senator William Bowen Memorial Highway," "Officer Brett Markwood Memorial Highway," "Sgt. Sean Landrus Memorial Highway," "Guernsey County Veterans – Flags of Honor Memorial Highway," "Ashland County Veterans' Memorial Highway," "Fred Krum Memorial Interchange," "William Holmes McGuffey Memorial Highway," and "Sgt. Michael W. Finke, Jr., Memorial Highway."

- Designates the "Union Workers Memorial Bridge."

CONTENT AND OPERATION

The act creates six new special license plates, authorizes a new version of an existing special license plate, and designates 16 memorial highways and one memorial bridge. The act also provides additional necessary language for three existing special license plates.

Special license plates

New license plates created by the act

The act creates six new special license plates: "Special Olympics" (R.C. 4501.21 and 4503.498), "Pediatric Brain Tumor Awareness" (R.C. 4501.21 and 4503.499), "Phi Theta Kappa" (R.C. 4501.21 and 4503.505), "Prince Hall Freemason" (R.C. 4503.701), "Proud Supporter of the American Red Cross" (R.C. 4501.21 and 4503.89), and "Teen Driver Education" (R.C. 4501.14 and 4503.94). All six types are available to the public and all require payment of a contribution.

The general provisions for each license plate are the same. Under the act, the owner or lessee of any passenger car, noncommercial motor vehicle, recreational vehicle, or other vehicle of a class approved by the Registrar of Motor Vehicles may apply for issuance of one of the special license plates. The application may be combined with a request for a special reserved license plate provided under current law. Upon receipt of the completed application and compliance by the applicant with the act's requirements, the Registrar is required to issue to the applicant the appropriate vehicle registration and a set of the requested special license plates with a validation sticker or a validation sticker alone when required by current law.

Each set of the new special license plates and accompanying validation sticker is to be issued upon submission of a completed application and payment of the regular license tax as prescribed in current law; any applicable local motor vehicle license tax; a Bureau of Motor Vehicles \$10 administrative fee; and compliance with all other

applicable laws relating to motor vehicle registration. If the application is combined with a request for a special reserved license plate, the license plates and validation sticker are issued upon payment of the required fees and taxes plus the additional applicable reserved license plate fee specified in current law. The Registrar is required to transmit the \$10 BMV fee, the purpose of which is to compensate the Bureau for the additional services required in issuing the set of special license plates, to the Treasurer of State for deposit into the state treasury to the credit of the existing State Bureau of Motor Vehicles Fund.

In addition to the letters and numbers ordinarily inscribed on the license plates, all the new special license plates bear distinctive words, symbols, or logos. The "Special Olympics" license plate must be inscribed with identifying words or markings that are designed by Special Olympics Ohio, Inc. The "Pediatric Brain Tumor Awareness" license plate must be inscribed with identifying words or markings that are designed by the Children's Glioma Cancer Foundation. The "Phi Theta Kappa" license plate must be inscribed with identifying words and markings that are selected and designed by the Ohio Region Phi Theta Kappa. "Prince Hall Freemason" license plates must be inscribed with identifying words and a symbol or logo that are designed by the Prince Hall Grand Lodge of Free and Accepted Masons of Ohio. The "Proud Supporter of the American Red Cross" license plate must be inscribed with words and markings selected and designed by the American Red Cross and submitted by the American Red Cross of Greater Columbus. The act requires the Registrar to enter into a licensing agreement with the American Red Cross for appropriate use of its name, service mark, or trademark. The "Teen Driver Education" license plate must bear the words "Teen Driver Education" and an appropriate logo designed by the Bureau of Motor Vehicles. In all cases, the Registrar is required to approve the final design of the new special license plate, and all of the plates must display county identification stickers that identify the county of registration by name or number.

The following five of the six new special license plates require the applicant to pay a contribution to the Registrar or deputy registrar, which is then deposited into a fund within the state treasury before being paid to the ultimate recipient. Specifically:

(1) A person who obtains "Special Olympics" license plates must pay a \$15 contribution, which is deposited into the existing License Plate Contribution Fund. Special Olympics Ohio, Inc. must use all such contributions for its programs, charitable efforts, and other activities. (R.C. 4501.21 and 4503.498.)

(2) A person who obtains "Pediatric Brain Tumor Awareness" license plates must pay a \$35 contribution, which is deposited into the License Plate Contribution Fund. The Children's Glioma Cancer Foundation must use all such contributions for its research and other programs. (R.C. 4501.21 and 4503.499.)

(3) A person who obtains "Phi Theta Kappa" license plates must pay a \$25 contribution, which is deposited into the state License Plate Contribution Fund. The organization Ohio Region Phi Theta Kappa must use all such contributions for scholarships for students who are members of that organization. (R.C. 4501.21 and 4503.505.)

(4) A person who obtains "Proud Supporter of the American Red Cross" license plates must pay a \$25 contribution, which is deposited into the state License Plate Contribution Fund. The organization American Red Cross of Greater Columbus, on behalf of the Ohio chapters of the American Red Cross, must use all such contributions for disaster readiness, preparedness, and response programs on a statewide basis. (R.C. 4501.21 and 4503.89.)

(5) A person who obtains "Teen Driver Education" license plates must pay a \$15 contribution, which is deposited into the Teen Driver Education License Plate Fund. The Department of Public Safety must use the money in the Fund solely to fund the rental, lease, or purchase of the simulated driving curriculum of the Michelle's Leading Star Foundation by boards of education of city, exempted village, local, and joint vocational school districts. The Department of Public Safety, in consultation with the Department of Education, must adopt rules for distributing money in the Fund to those boards. (R.C. 4501.14 and 4503.94.)

The "Prince Hall Freemason" special license plate requires payment of the additional \$10 Bureau of Motor Vehicles administrative fee but is issued without payment of an additional contribution (R.C. 4503.701).

"Purple Heart" motorcycle license plate

Current law permits any person who has been awarded the Purple Heart to apply to the Registrar of Motor Vehicles for the registration of any passenger car, noncommercial motor vehicle, recreational vehicle, or other vehicle of a class approved by the Registrar that the person owns or leases. The application must be accompanied by such documentary evidence in support of the award as the Registrar may require. In addition to the letters and numbers ordinarily inscribed on the license plates, these license plates are inscribed with the words "PURPLE HEART." (R.C. 4503.571.)

The act authorizes an additional version of the Purple Heart license plate the Purple Heart license plate for motorcycles when the Registrar determines that producing a Purple Heart motorcycle license plate is feasible and makes it subject to the existing provisions governing the Purple Heart license plate generally.

"Multiple Sclerosis Awareness," "Sickle Cell Anemia Awareness," and "Thank You U.S. Military" license plates

Among the provisions that were contained in Substitute Senate Bill 243 of the 127th General Assembly were provisions that created "Multiple Sclerosis Awareness," "Sickle Cell Anemia Awareness," and "Thank You U.S. Military" special license plates (R.C. 4503.494, 4503.496, and 4503.531, respectively). Under that act, these license plates are available to the public upon payment of a contribution of \$15, \$10, and \$10, respectively. Sub. S.B. 243 of the 127th G.A. did not, however, do any of the following:

- (1) Contain any authority for the Registrar to release the contributions to an entity;
- (2) Specify the entities that are to receive the contributions received from persons who are issued the three special license plates; or
- (3) Specify the purposes for which the entities may expend the contributions they receive from persons who are issued the three special license plates.

In order to remedy this situation, the act amends the existing State License Plate Contribution Fund section (R.C. 4501.21) as follows:

- (1) The act requires the Registrar to pay the contributions the Registrar receives from persons who are issued "Multiple Sclerosis Awareness" license plates to the National Multiple Sclerosis Society for distribution in equal amounts to the Northwestern Ohio, Ohio Buckeye, and Ohio Valley chapters of the National Multiple Sclerosis Society. These chapters must use this money to assist in paying the expenses they incur in providing services directly to their clients.
- (2) The act requires the Registrar to pay the contributions the Registrar receives from persons who are issued "Sickle Cell Anemia Awareness" license plates to the Ohio Sickle Cell and Health Association. This organization must use this money to help support educational, clinical, and social support services for adults who have sickle cell disease.
- (3) The act requires the Registrar to pay the contributions the Registrar receives from persons who are issued "Thank You U.S. Military" license plates to the Thank You Foundation, Inc., a nonprofit corporation organized under the laws of this state. This organization must use this money to help pay for its charitable activities and programs it sponsors in support of United States military personnel, veterans, and their families.

Memorial highways

The act designates 16 memorial highways and one interchange; in all cases, the Director of Transportation is authorized to erect suitable markers along each of the highways, indicating their respective names. The highways that are designated are as follows:

(1) The portion of State Route 43, running in a northerly and southerly direction within Portage County, between the intersection of that state route and Ethan Avenue in the north and the intersection of that state route and Kennedy Road in the south, as the "Corporal Jason J. Hernandez Memorial Highway." (R.C. 5533.093.) Corporal Jason J. Hernandez was killed in Iraq on September 7, 2007, which was the date of his 21st birthday.

(2) State Route 44, running in a northerly and southerly direction between County Road 18 in the municipal corporation of Rootstown and Waterloo Road in the municipal corporation of Randolph, as the "Sgt. Jeremy Murray Memorial Highway" (R.C. 5533.333). Sgt. Jeremy Murray was killed in Iraq on November 16, 2005; he was 27 years old.

(3) The portion of Interstate number 71, running in a northerly and southerly direction within the municipal corporation of Strongsville only, as the "Lance Corporal Thomas O. Keeling Memorial Highway" (R.C. 5533.334). Lance Corporal Thomas O. Keeling was killed in Iraq on June 9, 2005; he was 23 years old.

(4) The portion of State Route 2, commencing at the intersection of that road and State Route 44 and extending in a northeasterly direction to the exit from State Route 2 for the municipal corporation of Painesville, as the "Lance Corporal David Raymond Baker Memorial Highway" (R.C. 5533.335). Lance Corporal David R. Baker was killed in Afghanistan on October 20, 2009; he was 22 years old.

(5) The portion of Interstate Route 77 within Summit County, commencing at mile marker 116 and proceeding in a northerly direction to mile marker 118, as the "Staff Sgt. Matthew J. Kuglics Memorial Highway" (R.C. 5533.372). Staff Sgt. Matthew J. Kuglics was killed in Iraq on June 5, 2007; he was 25 years old.

(6) Interstate Route 680, which is located wholly within Mahoning County, as the "Korean War Veterans' Memorial Highway" (R.C. 5533.52).

(7) State Route 10, running in a southwesterly and northeasterly direction, within the municipal corporation of North Olmsted only, as the "Major Rocco Barnes Memorial Highway" (R.C. 5533.606). Major Rocco Barnes was killed in Afghanistan on June 4, 2009; he was 51 years old.

(8) The portion of Interstate 680, commencing at the intersection of State Route 711 and extending in a northwesterly direction to the intersection with State Route 11 within Mahoning County, as the "Navy Hospitalman Richard "Doc" Powell Memorial Highway" (R.C. 5533.607). Navy Hospitalman Richard "Doc" Powell was killed in Vietnam on August 29, 1968; he was 20 years old and received the Navy Cross posthumously.

(9) The portion of State Route 48 located within the municipal corporation of Loveland only, as the "Captain Seth Mitchell Memorial Highway" (R.C. 5533.621). Marine Captain David "Seth" Mitchell was killed in Afghanistan on October 26, 2009; he was 30 years old.

(10) That portion of United States Route 42, running in a northeasterly and southwesterly direction within the municipal corporation of Cincinnati only, as the "Senator William Bowen Memorial Highway" (R.C. 5533.644). Senator Bowen, who died April 22, 1999, served in the Ohio House of Representatives from 1967 to 1970 and in the Ohio Senate from 1970 to 1994.

(11) That portion of United States Route 22, running in a southwesterly and northeasterly direction in Fairfield County, commencing at the intersection of that road with United States Route 33 and ending at the intersection of that road with Memorial Drive, as the "Officer Brett Markwood Memorial Highway" (R.C. 5533.685). Lancaster police officer Brett Markwood was killed in the line of duty on February 21, 1993.

(12) That portion of State Route 528, commencing at the intersection of that road and United States Route 322 in Geauga County and extending in a northerly direction to the boundary of Geauga County and Lake County, as the "Sgt. Sean Landrus Memorial Highway" (R.C. 5533.785). Sgt. Sean Landrus was killed in Iraq on January 29, 2004; he was 31 years old.

(13) The portion of State Route 313, located within Guernsey County and commencing at the intersection of that state route and Pritter Road, extending in an easterly direction and ending at the first intersection with State Route 83, which also is known as West Road, as the "Guernsey County Veterans – Flags of Honor Memorial Highway" (R.C. 5533.872).

(14) The portion of United States Route 250, commencing in Ashland County at the intersection of that route and Cottage Street and extending in a southeasterly direction to the intersection of that route and United States Route 42, as the "Ashland County Veterans' Memorial Highway" (R.C. 5533.881).

(15) The interchange of Interstate Route 77 and Shuffel Street, NW, located in Jackson Township in Stark County, as the "Fred Krum Memorial Interchange" (R.C. 5533.931). Fred Krum, former Director of the Akron-Canton Airport, died in March 2009.

(16) The portion of Interstate Route 680, commencing at the intersection of State Route 711 and extending in a southeasterly direction to the intersection with State Route 7 within Mahoning County, as the "William Holmes McGuffey Memorial Highway" (R.C. 5533.95). William Holmes McGuffey (1800-1873) was, during parts of his career, a professor at Miami University and president of Ohio University. He is best known for writing a series of instructional books called the "*McGuffey Readers*."

(17) The portion of State Route 18, commencing at the intersection of that state route and Interstate Route 71 and extending in an easterly direction to the intersection of that state route and Interstate Route 77 within Medina County only, as the "Sgt. Michael W. Finke, Jr. Memorial Highway" (R.C. 5533.96). Sgt. Michael W. Finke, Jr. was killed in Iraq on January 26, 2005; he was 28 years old.

Memorial bridge

The act designates the bridge spanning the Cuyahoga River and the Ohio Canal in Cuyahoga County, that is part of Interstate Route 480, as the "Union Workers Memorial Bridge" and authorizes the Director to erect suitable markers upon the bridge or its approaches indicating its name (R.C. 5533.93).
