## CONTENT AND OPERATION

### Repeal of H.B. 194 provisions

The bill repeals the versions of sections of the Revised Code amended or enacted by Sections 1 and 3 of Am. Sub. H.B. 194 of the 129th General Assembly, which are scheduled to take effect only if approved by the voters at a referendum to be held on November 6, 2012. The bill also repeals the repeal of sections of the Revised Code by Sections 2 and 4 of that act, which provisions are also scheduled to take effect only if approved by the voters at that referendum.

By repealing the versions of Revised Code sections enacted or amended by that act, and by repealing the repeal of Revised Code sections by that act, the bill states that it is the intent of the General Assembly to continue in operation the provisions of the Revised Code that are currently in effect, including provisions of the Election Law.<sup>1</sup> The bill then spells out that law in full, as it now exists, without Am. Sub. H.B. 194. The bill
