## BILL SUMMARY

- Permits licensed spectacle dispensing opticians to dispense contact lenses in circumstances limited to matching their packaging with a prescription.

---

## CONTENT AND OPERATION

### Contact lenses from licensed spectacle dispensing opticians

The bill authorizes licensed spectacle dispensing opticians to dispense contact lenses if the only action necessary is to match the description on the packaging with a written prescription.<sup>1</sup> Current law does not permit a licensed spectacle dispensing optician to dispense contact lens. Only optometrists, physicians, spectacle-contact lens dispensing opticians, and contact lens dispensing opticians may do so.<sup>2</sup>

### Background: dispensing optician licensure

The three categories of dispensing opticians discussed above are licensed by the Ohio Optical Dispensers Board.<sup>3</sup> The type of license held governs the extent to which the holder is permitted to engage in optical dispensing.<sup>4</sup> Current law defines "optical dispensing" as (1) interpreting, but not altering, the prescription of a licensed physician or optometrist, (2) designing, adapting, fitting, or replacing prescribed optical aids, including spectacles and contact lenses, (3) duplicating lenses, other than contact lenses,
