JFSCD43 Driver's licenses and permits for dependent minors

R.C. 4507.07, 2307.22, and 5103.162

Authorizes a minor's representative to sign a minor's application for a probationary driver's license, restricted license, or temporary instruction permit (license or permit), in addition to a parent, guardian, or another person having custody of the minor, as in current law.

Specifies that a minor's representative is a person who has custody of a minor under the age of 18 and who is one of the following: (1) a representative of a private child placing agency (PCPA) or PCSA; or (2) a resource caregiver (a foster or kinship caregiver) who has placement of a child in the custody of a PCPA or PCSA.

Specifies that the imputed liability for a minor's negligence or willful and wanton conduct that is assigned to a parent or guardian who signs a license or permit application does not apply to a minor's representative who signs the application.

Requires ODJFS or a minor's representative to verify that a minor has proof of financial responsibility (auto insurance) before the minor's representative signs the minor's license or permit application.

Requires ODJFS, an agent of ODJFS, or the minor's representative to provide the Registrar of Motor Vehicles with proof that the minor has auto insurance.

Requires ODJFS or the minor's representative to notify the Registrar and surrender the minor's license or permit to the Registrar upon determining that the minor does not have auto insurance, and requires the Registrar to cancel the license or permit in that event.

Requires a foster caregiver and a kinship caregiver to use the reasonable prudent parent standard when signing the minor's license or permit application.

Fiscal effect: ODJFS budgeted about \$7.0 million per fiscal year in GRF funds to cover expenses including the licenses, insurance, etc. These funds are now in GRF ALI 830506, Family and Children Services, under DCY. It is also possible that additional driver's licenses or permits may be issued via the Registrar of Motor Vehicles, thus increasing fees deposited into Fund 5TM0.

Fiscal effect: Same as the Executive.
