Legal Basis: Section 307.20 of Am. Sub. H.B. 1 of the 128th G.A. (originally established by Sub. H.B. 282 of the 125th G.A.)

Purpose: To fund health information technology initiatives and the implementation of strategies recommended by the Health Care Coverage and Quality Council. (Originally, the fund was created for the Medical Liability Underwriting Association, if established in response to medical malpractice insurance market conditions specified in H.B. 282, or for funding another medical malpractice initiative with the approval of the General Assembly.)

In FY 2009, this line item was named the Ohio Family Health Survey, and it was used to pay for expenses related to a survey of that name (funding for the survey was appropriated in H.B. 562 of the 127th General Assembly). The survey was developed to obtain comprehensive state-level health coverage and insurance data in Ohio. Data collected from the survey in 2008 were used to formulate some of the health care reform initiatives that were included in H.B. 1.

Legal Basis: Section 307.10 of Am. Sub. H.B. 1 of the 128th G.A. (originally established by Controlling Board on December 6, 1999)

Purpose: The Ohio Senior Health Insurance Information Program (OSHIIP) is jointly administered with the Ohio Department of Aging (ODA). The federal grant that funds the program was formerly made to ODA, with OSHIIP being reimbursed for its expenses via Intrastate Transfer Voucher (ISTV). Starting in FY 2000, OSHIIP was awarded the federal grant directly from the Health Care Finance Administration (now known as the Centers for Medicare and Medicaid Services). As a result, instead of commingling the grant funds with the Ohio Department of Insurance's Operating Fund 5540, Fund 3U50 and line item 820602 were created to receive and disburse the grant funds. ODA receives 10% of the grant funds via ISTV to finance the Benefits Eligibility Screening Service program, in accordance with an interagency agreement between ODI and ODA. Because the grant is a demonstration grant, no state match is required. Funding for the program is supplemented, however, with spending from line item 820601, Operating Expenses-OSHIIP.
