**Source:** General Revenue Fund

**Legal Basis:** ORC 325.06(B); Section 223.10 of Am. Sub. H.B. 153 of the 129th G.A. (originally established by Am. Sub. H.B. 408 of the 121st G.A., an act that increased the compensation of elected officials)

**Purpose:** The line item's appropriation is used for the purpose of supplementing the annual compensation of county sheriffs. In addition to the annual compensation that a county sheriff receives under ORC 325.06 for performing the duties of sheriff prescribed by law, each county sheriff, in consideration of the impact of Am. Sub. S.B. 2 of the 121st G.A. on the workload of the county sheriff, receives an additional amount equal to one-eighth of the annual compensation that the county sheriff receives under ORC 325.06. The supplemental compensation is payable from the county treasury every two weeks if adequate funds have been appropriated for that purpose by the General Assembly.

The Office of the Attorney General is required to certify the adequacy of such funds to the fiscal officer of each county. Semiannually, the fiscal officer of each county must then certify to the Office of the Attorney General the amount of supplemental compensation paid, including the related amount of county contributions made to the sheriff's retirement plan and county payments to the federal government for Medicare Part A. After determining the accuracy of the amount certified, the Office of the Attorney General reimburses the county if funds are available.

Temporary law permits the Attorney General to request that the Director of Budget and Management transfer appropriation authority from line item 055321, Operating Expenses, to line item 055411, County Sheriffs' Pay Supplement, to be used for the above stated purpose.

**Purpose:** The line item's appropriation is used for the purpose of supplementing the annual compensation of a prosecuting attorney in a county with a population of less than 70,000 who elects to serve as a full-time prosecuting attorney with no private practice. The salary and fringe benefits that a full-time prosecuting attorney receives is substantially greater than that of a prosecuting attorney who chooses to also engage in the private practice of law in counties in this population range.

ORC 325.111 requires that the state pay supplemental compensation to a prosecuting attorney of a county with a population of less than 70,000 who chooses to serve as a full-time prosecuting attorney with no private practice. The payment equals 40% of the difference between the full-time prosecuting attorney's salary schedule and that of a prosecuting attorney who elects to engage in the private practice of law. The Office of the Attorney General makes the payment, which includes the county's retirement contribution and Medicare Part A, on a semiannual basis to the county auditor if the funds are available. The county fiscal officer must deposit the state payment in the county treasury.

Temporary law permits the Attorney General to request that the Director of Budget and Management transfer appropriation authority from line item 055321, Operating Expenses, to line item 055415, County Prosecutors' Pay Supplement, to be used for the above stated purpose.
