**Legal Basis:** Discontinued line item

**Purpose:** This line item provided funds for the personnel, maintenance, and equipment costs of the State Personnel Board of Review. The purpose of the three-member board and its support staff is to (1) review appeals of disciplinary actions, layoffs, and other personnel matters concerning employees of state and local government who are in the classified civil service, and (2) provide assistance to municipal civil service commissions throughout the state. H.B. 1 consolidated the State Personnel Board of Review with the State Employment Relations Board, a larger entity that oversees collective bargaining matters related to state and local government employers and employees. The State Personnel Board of Review, however, remains as a separate entity within the larger organization.
