Memorial Justice Assistance Grant (JAG) Program, specifically the federal

FY 2014 JAG award

Legal Basis: Section 205.10 of Am. Sub. H.B. 51 of the 130th G.A.

Purpose: This line item is used for the federal JAG Program. The JAG Program,

which reflects the consolidation of the Byrne Formula and Local Law Enforcement Block Grant (LLEBG) programs into a single funding

mechanism, supports a broad range of activities, including law enforcement programs, prosecution and court programs, prevention and education

programs, corrections and community corrections programs, drug treatment programs, and planning, evaluation, and technology

improvement programs. The procedure for allocating JAG funds is a

formula based on population and crime statistics, in combination with a minimum allocation to ensure that each state and territory receives an

appropriate share. Traditionally, under the Byrne Formula and LLEBG

Programs, funds were distributed 60/40 between state and local recipients.

This distribution continues under JAG. State allocations also have a mandatory variable "pass through" requirement to units of local

governments, calculated by the federal Bureau of Justice Statistics (BJS) from

each state's crime expenditures.
