Auditor of State rule-making

(R.C. 111.15 and 117.20)

The act eliminates the special exception that excuses the Auditor of State from preparing a rule summary and fiscal analysis (RSFA) of proposed auditing rules, thereby bringing the procedure for adopting auditing rules into conformity with general rule-making procedures, which require an RSFA to be prepared. An RSFA is a form that is completed in the course of preparing a proposed rule. The RSFA is filed along with the proposed rule, and assists the public and the Joint Committee on Agency Rule Review in reviewing the proposed rule.

The act authorizes the Auditor of State to send notices of the public hearing on proposed auditing rules and to transmit copies of proposed auditing rules by electronic mail. Under prior law, the notices and proposed rules had to be sent by mail.
