
BARBER BOARD

- Extends, from three to six years, the time period in which the holder of an expired license to practice as a barber or to be a barber teacher or assistant barber teacher may apply to have the license restored without examination.

Restoration of expired license

(R.C. 4709.11)

Under continuing law, every license issued by the Barber Board expires on August 1 of each even-numbered year. A holder of an expired license must restore the holder's license before continuing the practice for which the holder is licensed and pay a restoration fee. The act increases the time period in which the holder of an expired license to practice as a barber, or to be a barber teacher or assistant barber teacher, may apply to have the license restored without having to take an examination, from three years under former law to six years under the act.
