
LEGISLATION SERVICE COMMISSION

- Repeals the requirement that the Legislative Service Commission maintain an Internet database of school district revenue and expenditure data.

Internet database of school district data

(R.C. 103.132 (repealed))

The bill repeals the law that requires the Legislative Service Commission (LSC) to maintain a database on the Internet detailing current and historical revenue and expenditure data of school districts. Drawn from data compiled by the Department of Education, LSC and Legislative Information Systems currently display this information via a query menu on the General Assembly's website.¹³¹
