6 SFC - 3 Changes to Maintenance Levy Requirement for Accelerated Urban Districts			
R.C. 3318.061, 3318.38, Section 385.30	R.C. 3318.061, 3318.38, Section 385.30	R.C. 3318.061, 3318.38, Section 385.30	
Eliminates the requirement, for the six districts participating in the Accelerated Urban Initiative (AUI), that the district's one-half-mill maintenance levy extend for 23 years after the district's last segment is undertaken if the project is divided into segments. Instead, requires the maintenance levy to run for 23 years from the date the initial segment is undertaken, as required for all other districts undertaking projects under the Classroom Facilities Assistance Program.	Same as the Executive.	No provision.	Same as the Executive.
Requires SFC to amend project agreements with the six AUI districts, if necessary, to comply with these changes.	Same as the Executive.	No provision.	Same as the Executive.
Fiscal effect: The changes would reduce the number of years for which the six AUI districts (Akron, Cincinnati, Cleveland, Columbus, Dayton, and Toledo) would have to levy the required 1/2 mill property tax for maintenance because all of these districts have divided their projects into segments. Presumably, the AUI districts would use other funds to meet their building maintenance needs.	Fiscal effect: Same as the Executive.		Fiscal effect: Same as the Executive.

8 SFC - 12 Priority for School Districts Participating in Expedited Local Partnership Program			
No provision.	<p>R.C. 3318.36</p> <p>Specifies that the priority for state assistance under the Classroom Facilities Assistance Program (CFAP) for a school district participating in the Expedited Local Partnership Program (ELPP) is based on the district's percentile ranking on the equity list at the time it entered into ELPP instead of on the current equity list as provided under current law.</p>	No provision.	<p>R.C. 3318.36</p> <p>Same as the House.</p>
