ENGCD1 Biennial Registration for Professional Engineers and Surveyors			
R.C. 4733.15, 4733.151 Requires that the State Board of Registration for Professional Engineers and Surveyors renew registrations biennially rather than annually, and accordingly changes the renewal fee from \$20 to \$40, to be paid biennially. Allows professional engineers and surveyors to complete their continuing professional development hours during a two-year period, rather than annually, but doubles the 15 annual hours required to 30 hours for the two year period. Increases from three years to four years the number of years a registrant must retain records that prove compliance with the continuing professional development requirements.
