OVERVIEW

Agency Overview

The board of Commissioners of the Sinking Fund consists of five members. The Auditor of State serves as the president of the board and the Secretary of State serves as the secretary. The remaining three members are the Governor, the Treasurer of State, and the Attorney General. The Sinking Fund has an office in the Treasurer of State's Office and receives its operating funds through a GRF line item in the Treasurer of State's operating budget (090401). (Please see the Treasurer of State's Greenbook for details.)

The Commissioners of the Sinking Fund administer the debt service payments and administrative expenses related to state general obligation bonds issued for the following purposes: primary and secondary education facilities, higher education facilities, coal research and development, parks and natural resources capital improvements, conservation projects, local infrastructure projects, Third Frontier research and development, site development for business, highways, and bonus compensation for veterans who served during the Persian Gulf, Afghanistan, and Iraq conflicts.

The Sinking Fund is also required under the Ohio Constitution and Revised Code to prepare and publish a semiannual report, which includes financial statements of the state's general obligation bonds, debt service requirements, and funding sources.

Appropriation Overview

The budget appropriates a total of \$1,083.5 million for FY 2014. This amount is \$87.2 million or 8.8% greater than the actual expenditures for FY 2013. Total appropriations for FY 2015 are \$1,159.3 million, which is a \$75.8 million, or 7.0%, increase compared to the total appropriations for FY 2014. Language in the budget act specifies that, if more funds are needed to pay debt service or financing cost on these general obligation bonds, the necessary amounts are appropriated.
