Purpose: This line item is used to purchase vaccines for immunization against vaccine-preventable infectious diseases for children who do not qualify for the federal Vaccines for Children Program (children who are Medicaid-eligible, uninsured, or American Indian/Alaskan Native qualify for the Vaccines for Children Program) or federal 317 immunization grant funds. Recommended vaccines are required for school entry, day care, and Head Start and this funding helps children meet those requirements. State funds also provide hepatitis B immune globulin and hepatitis B to birthing hospitals for the Perinatal Hepatitis B Prevention Program. Additionally, the funding helps in the development of the statewide immunization registry, which documents vaccinations administered to residents. Funds are also combined with federal moneys to fund local health districts in order to increase immunization rates through education, training, assessment, feedback, and incentives.

H.B. 64 of the 131st G.A. specifies that ODH will no longer provide GRF funding for vaccines or GRF-funded vaccines from this line item after January 1, 2016, though there are exceptions. Instead, local health departments and other local providers will bill private insurance companies for the costs of providing and administering vaccines.

Legal Basis: Sections 289.10 and 289.20 of Am. Sub. H.B. 64 of the 131st G.A.

Purpose: Beginning in FY 2016, funds from this line item are to be provided to the Ohio Association of Community Health Centers to administer the FQHC Primary Care Workforce Initiative. The Initiative is required to provide medical, dental, behavioral health, physician assistant, and advanced practice nursing students with clinical rotations through federally qualified health centers.

Prior to FY 2016, this line item supported safety net health services through the provision of uncompensated care by federally qualified health centers (FQHCs) and FQHC Look-Alikes. FQHCs must, among other things, serve an underserved area or population, offer a sliding fee scale, and provide comprehensive services. FQHCs include all organizations receiving grants under Section 330 of the Public Health Service Act. FQHC Look-Alikes do not receive these grants, but meet all Section 330 eligibility requirements.
