Legal Basis: Discontinued line item (originally established by Am. Sub. H.B. 298 of the 119th G.A., the main operating appropriations act covering FYs 1992 and 1993)

Purpose: Temporary law contained in all of the main operating appropriation acts since the 119th General Assembly required the funds appropriated to the line item "...be distributed directly to the Ohio Center for Law-Related Education for the purposes of providing continuing citizenship education activities to primary and secondary students and accessing additional public and private money for new programs." An analogous GRF line item and related temporary law are part of The Judiciary/Supreme Court budget (line item 005-406, Law-Related Education).

The Ohio Center for Law-Related Education is a non-profit, nonpartisan organization sponsored by the Supreme Court of Ohio, the Office of the Attorney General, the Ohio State Bar Association, and the American Civil Liberties Union of Ohio Foundation. The Center delivers a variety of law-related education services (programs and materials) to students and teachers of primary and secondary schools, and draws its financial support from a mix of public and private sources. Its major statewide efforts include the Ohio Mock Trial Program and the Ohio Government in Action Project.

Legal Basis: Section 20 of Am. Sub. H.B. 95 of the 125th G.A. (originally established by Controlling Board on June 5, 1995)

Purpose: Pursuant to temporary law, the line item is used to pay operating expenses of the Office of the Attorney General and to provide grants to local law enforcement agencies and communities for the purpose of supporting law enforcement-related activities.

The original purpose of the line item was to award grants that assisted counties, municipalities, townships, and state-assisted or state-supported institutions of higher education in satisfying the 25% matching requirement for the draw down of federal funds used to hire additional law enforcement officers under the Community Oriented Policing (COPS) program. Moneys for this purpose first appeared in the Controlling Board's budget (GRF line item 911-422, Community Police Officers) that were eventually transferred to the Office of the Attorney General, which actually controlled its distribution.

Am. Sub. H.B. 215 of the 122nd G.A., the main operating appropriations act covering FYs 1998 and 1999, changed the name of the line item from Community Police Match to Community Police Match and Law Enforcement Assistance to allow the moneys to be given as grants to local law enforcement for the improvement of technology and equipment, and to provide support for the Office of the Attorney General's criminal task force investigations. No FY 2000 and FY 2001 appropriations were included in Am. Sub. H.B. 283 of the 123rd G.A., although temporary law was included permitting the transfer of appropriation authority from the Office of the Attorney General's GRF line item 055-321, Operating Expenses, to this line item (055-406).

Purpose: The moneys in the line item are for the purpose of supplementing the annual compensation of county sheriffs. Under the ORC, in addition to the annual compensation that a county sheriff receives under ORC 325.06 for performing the duties of sheriff prescribed by law, each county sheriff, in consideration of the impact of Am. Sub. S.B. 2 of the 121st G.A. on the workload of the county sheriff, receives an additional amount equal to one-eighth of the annual compensation that the county sheriff receives under ORC 325.06. The supplemental compensation is payable from the county treasury every two weeks if adequate funds have been appropriated for the purpose by the General Assembly.

The Office of the Attorney General is required to certify the adequacy of such funds to the fiscal officer of each county. Semiannually, the fiscal office of each county must then certify to the Office of the Attorney General the amount of supplemental compensation paid, including the related amount of county contributions made to the sheriff's retirement plan and county payments to the federal government for Medicare Part A. After determining the accuracy of the amount certified, the Office of the Attorney General reimburses the county if funds are available.

Purpose: The moneys in the line item are for the purpose of supplementing the annual compensation of certain county prosecutors. Current law allows the prosecuting attorney of a county with a population of 70,000 or less the same opportunity to elect not to engage in private practice that the prosecuting attorney in a larger county has, and to be paid accordingly. The salary and the amount for expenses that a prosecuting attorney who elects not to engage in private practice receives are substantially greater than the salary and amount for expenses that a prosecuting attorney who elects to engage in private practice.

Current law requires that the state pay additional compensation to a prosecuting attorney of a county with a population of 70,000 or less who elects not to engage in the private practice of law. The payment equals 40% of the difference between the prosecuting attorney's compensation under the salary schedule and what the compensation would be if the prosecuting attorney did engage in the private practice of law. The state payment is in the form of a reimbursement to the county for paying the compensation to the prosecuting attorney. The Office of the Attorney General makes the payments on a semiannual basis, and the payment includes the county's retirement contribution and Medicare Part A payments related to the prosecutor's additional compensation, if the funds are available. The county fiscal officer must deposit the state payments in the county treasury.
