Legal Basis: Section 307.10 of Am. Sub. H.B. 119 of the 127th G.A. (originally established by Controlling Board on December 6, 1999)

Purpose: The Ohio Senior Health Insurance Information Program (OSHIIP) is jointly administered with the Ohio Department of Aging (ODA). The federal grant that funds the program was formerly made to ODA, with OSHIIP being reimbursed for its expenses via Intrastate Transfer Voucher (ISTV). Starting in FY 2000, OSHIIP was awarded the federal grant directly from the Health Care Finance Administration (now known as the Centers for Medicare and Medicaid Services). As a result, instead of commingling the grant funds with the Ohio Department of Insurance's Operating Fund 554, Fund 3U5 and line item 820-602 were created to receive and disburse the grant funds. ODA receives 10% of the grant funds via ISTV to finance the Benefits Eligibility Screening Service program, in accordance with an interagency agreement between ODI and ODA. Because the grant is a demonstration grant, no state match is required. Funding for the program is supplemented, however, with spending from line item 820-601, Operating Expenses-OSHIIP.

Purpose: The Ohio Senior Health Insurance Information Program (OSHIIP) educates and counsels senior citizens on Medicare and other health insurance concerns. This program serves an eligible population of 1.4 million elderly Ohioans. Program staff provide counseling and telephone assistance, conduct educational seminars, assemble and publish insurance information brochures, and recruit and train volunteers who serve as counselors at the county level. Prior to FY 2000, the program received funding through an interagency agreement with the Ohio Department of Aging and through the department's operating fund (Fund 554). Beginning in FY 2000, the grant funds were appropriated in Fund 3U5, line item 820-602, OSHIIP Operating Grant. The program continues to be funded in part by the department's main operating fund, Fund 554, through this line item (820-601).
