INTRODUCTION

During 2003, the 125th General Assembly enacted 36 House bills, 20 Senate bills, and one substantive Senate joint resolution. Governor Taft vetoed items in Am. Sub. H.B. 40, Am. Sub. H.B. 87, and Am. Sub. H.B. 95. He vetoed Am. Sub. S.B. 4 in its entirety. Voters rejected, on November 4, 2003, the proposed amendment to the Ohio Constitution contained in Am. S.J.R. 1.*

The Legislative Service Commission prepares for the members of the General Assembly analyses of nearly all the bills and proposed constitutional amendments considered on the floor of the House or Senate. The *Digest of Enactments 2003* is a compilation of condensed versions of the final analyses of bills enacted during 2003.

The *Digest of Enactments 2003* may be purchased in paper at \$6 per copy, or on CD-ROM for \$4 per disk, plus \$1 postage and handling for mail orders. Orders should be addressed to:

Please enclose a check or money order in the proper amount payable to the Ohio Legislative Service Commission.

Because the Legislative Service Commission cannot fulfill requests for multiple copies of its staff publications, persons or groups that need more than one copy of this *Digest* are encouraged to reproduce all or any portion of its contents in any format. The Commission claims no copyright or other basis requiring consent to replication of any portion of this publication, but it is requested that the Director be informed of any republication involving a public distribution and that the source be identified therein. The *Digest* also may be accessed via the Internet at <http://www.lsc.state.oh.us/>

* Please note: Am. Sub. H.B. 87 of the 125th GA, reported in this *Digest of Enactments*, changed the effective date of Sections 1 through 8 of Am. Sub. H.B. 512 of the 124th GA, which was reported in the *Digest of Enactments* for 2002. The result of the action by Am. Sub. H.B. 87 is to alter the effective date of Am. Sub. H.B. 512 from 04/03/03 to 07/01/03.

The *Digest of Enactments 2003* does not purport to represent the details of each enactment. Persons interested in the detail of an enactment may secure a copy of the enrolled act from the General Assembly's web site (<http://www.legislature.state.oh.us/SessionLaw.cfm>) or a copy of the enrolled act, along with a signature page, from the Legislative Service Commission's Bill Distribution Room. Copies of the signed act may be obtained from the Ohio Secretary of State. Slip acts, the laws printed in small booklets are no longer available. After the conclusion of the 125th General Assembly, all laws for the Session will appear in *Laws of Ohio*, published by the Ohio Secretary of State. A slip act can be obtained by writing to:

Effective date: October 29, 2003

Label requirements for agricultural, vegetable, and flower seeds

Modifies the label requirements for agricultural and vegetable seed, and adds label requirements for flower seed.

Prohibits specified information from being included on a label for agricultural, vegetable, or flower seed unless a test has been conducted on that lot of seed prior to its labeling to determine the accuracy of the information.

Eliminates the exemption from criminal penalties for persons who sold agricultural or vegetable seed that was incorrectly labeled if they had taken specified steps to correctly identify the seed.

States that in the case of agricultural, vegetable, or flower seed that is being exported and that is in specified quantities, the labeling requirements do not apply, provided that other specified requirements are satisfied.

Adds to the information that is required to appear on the certification label attached to each container of each lot of seed, tubers for seeding purposes, or plants the class, kind, variety, or germ plasm of the seed.

Requires the Ohio Seed Improvement Association to establish standards and procedures for seed certification, requires a review of those standards and procedures at designated intervals, and prohibits any change to the standards and procedures from taking effect unless it is approved by at least two-thirds of the members of the Association's governing board.

Requirements governing the sale of seeds

Modifies requirements governing the sale of agricultural and vegetable seed, and applies those requirements to the sale of flower seed.

Revises the requirements for tests that determine the percentage of germination of certain seed.

Adds a requirement that seed cannot be out of compliance with the tolerance established for it by the Director of Agriculture.

Record-keeping requirements for advertisement and sale of seed

Extends the record-keeping requirements governing the advertising of agricultural and vegetable seed to flower seed.

Replaces the requirement that any person who sold agricultural or vegetable seed had to keep sales records for 18 months with a requirement that any person who holds a valid seed labeler permit and who sells agricultural, vegetable, or flower seed keep sales records for 18 months at a location in Ohio.

Authorizes the Director of Agriculture rather than the Auditor of State to perform audits of any persons who hold valid seed labeler permits rather than of out-of-state distributors who distribute seed in Ohio.

Issuance of seed labeler permits

Eliminates the issuance of Ohio seed inspection fee tags or labels in lieu of permits by the Director, thus requiring any person who labels agricultural or vegetable seed in Ohio to obtain a seed labeler permit, and also requires any person who labels flower seed to obtain a seed labeler permit.

Modifies and establishes additional requirements and procedures for obtaining a seed labeler permit.

Revises somewhat the fee that must be submitted by a permit holder with a semiannual seed sales report, establishes a minimum seed fee of \$5, and specifies that the seed sales reporting requirement and the payment of seed fees do not apply to governmental entities that donate seed for conservation purposes.

Duties of the Director of Agriculture

Requires the Director to perform specified functions in regards to the analysis of flower seed.

Authorizes the Director, instead of maintaining seed testing facilities, to enter into agreements under which other persons are responsible for performing seed testing.

Requires the Director to adopt rules regarding native grass, tolerance for agricultural, vegetable, and flower seed, application information for seed labeler permits, and any other provisions that are necessary to clarify or administer the seed labeling requirements.

Enforcement

Revises and expands the prohibitions against specified actions under the Agricultural Seed Law.

Provides that any lot of flower seed that is not in compliance with that Law is subject to seizure on complaint of the Director.

Seed Fund

Establishes the Seed Fund, and requires that all money collected under the Agricultural Seed Law be deposited into that Fund rather than the General Revenue Fund and be used to administer and enforce that Law.

Legume inoculant registration

Revises the date by which a person who submits an application for the registration of a brand of legume inoculant must pay the registration and inspection fee from August 1 to January 1, eliminates the former fee schedule that was based on sales volume, and establishes a fee of \$50 per brand regardless of the sales volume of the brand.

Sens. Mumper, Carnes, Austria, DiDonato, Prentiss, Schuring, Wachtmann, Armbruster, Blessing, Harris, Stivers, Spada, White, Jacobson

Effective date: November 5, 2003

Revises requirements that determine which animal feeding facilities must obtain a national pollutant discharge elimination system (NPDES) permit.

For purposes of permit requirements and other provisions, makes numerous changes to definitions, including the revision of the definition of "concentrated animal feeding operation," the elimination of the definition of "animal unit" and the use of that term in the Concentrated Animal Feeding Facilities Law, and the creation and definition of the terms "large concentrated animal feeding operation," "medium concentrated animal feeding operation," and "small concentrated animal feeding operation."

Precludes a political subdivision from requiring an owner or operator of an animal feeding facility who holds any of several specified permits or certificates or is operating under an approved operation and management plan to obtain a license, permit, or other approval pertaining to manure, insects or rodents, odor, or siting requirements for installation of such a facility.

Prohibits a person from land applying annually the volume of manure specified in rules unless the person holds a livestock manager certification issued under continuing law, and requires the Director of Agriculture to adopt rules that establish that volume of manure.

Prohibits a person who has a financial interest in an animal feeding facility from issuing or, pursuant to an appeal, requiring the vacating or modification of a NPDES permit.

Establishes public notice and comment requirements with respect to the Director's denial, suspension, or revocation of a permit to install, permit to operate, or NPDES permit.

Expands the categories of violations for which the Director may assess a civil penalty against the owner or operator of a concentrated animal feeding facility.

States that for the purpose of issuance of a review compliance certificate, an existing concentrated animal feeding facility's manure management plan that does not conform with best management practices regarding manure management temporarily must be deemed by the Director to conform with those practices if the owner or operator of the facility takes specified actions.

Revises provisions governing which neighbors of an existing concentrated animal feeding facility must be notified when the Director proposes to issue a review compliance certificate for the facility.

Makes relevant provisions in the Water Pollution Control Law consistent with the act's provisions, and updates that Law to reflect the status of the Department of

Agriculture's implementation of a permit to install program and a NPDES program for animal feeding facilities.

APPROPRIATIONS

Am. Sub. H.B. 40

(For details of fiscal provisions of the act, see LSC FISCAL NOTE, "AS ENACTED.")

Reps. Calvert (By Request), D. Evans, Hoops

Effective date: March 7, 2003; certain provisions effective June 6, 2003; Sections 3 and 4 effective July 1, 2003; contains item vetoes

Provides that direct payment permit holders and vendors that are required to pay sales taxes by electronic funds transfer, and sellers and consumers that must pay use taxes in the same manner, are required to pay those taxes on or before four specified dates each month.

Allows the Tax Commissioner to impose a charge for failure to make a payment under the accelerated schedule.

Increases the sales tax vendor discount from 0.75% to 1.1% for returns filed during the period from May 1, 2003, to June 30, 2003.

Permits the Director of Job and Family Services (Department of Job and Family Services--DJFS) to prescribe the amount, duration, and scope of publicly funded child day-care benefits in rules establishing eligibility criteria.

Provides that, when anticipated future expenditures will exceed available funds, the Director of DJFS may disenroll existing participants with income above a specified percentage of the federal poverty line and may limit enrollment of new participants to those with incomes at or below a specified percentage of the federal poverty line.

No longer exempts a caretaker parent whose children are eligible for special needs day-care from the requirement that the parent be employed or participating in an education or training program.

Requires that changes in employment or participation in an education or training program be reported by a caretaker parent not later than ten calendar days after the change occurs.

Requires the Director of DJFS to adopt rules establishing reimbursement ceilings for publicly funded child day-care rather than rules establishing reimbursement rates.

Requires that a provider be paid at the lowest of the provider's customary charge, the reimbursement ceiling set by rules, or a rate the county department of job and family services negotiates with the provider.

Eliminates the requirement that a provider of day-care to children of caretaker parents who worked nontraditional hours be paid at the reimbursement rate set by rule regardless of whether that rate was higher than the provider's customary charge.

Eliminates the authority of a county department of job and family services to request a waiver of the reimbursement ceiling when a family had special circumstances or there were unique market conditions.

Requires the Director of DJFS to set the reimbursement ceiling for a type B family day-care home provider that has limited certification and provides day-care to children of the same caretaker parent at 60% of the ceiling for fully certified type B family day-care homes.

Specifies that it is the intention of the General Assembly that, acknowledging the act's changes to publicly funded child day-care law, DJFS take appropriate steps to provide day-care to as many children as possible.

Specifies that any information received or created by DJFS pursuant to negotiation of a drug rebate agreement or supplemental drug rebate agreement under the Medicaid program or the Disability Medical Assistance Program is confidential and is not a public record.

Eliminates the requirement that school districts spend their parity aid payments on any specific activities and that the payments be aimed at strategies included in their improvement plans.

Permits the Department of Youth Services to adjust the amounts allocated for the care and custody of felony delinquents if the Department's appropriation for a fiscal year is subsequently revised by law or the Governor orders it to reduce its expenditures.

Am. Sub. H.B. 87

(For details of fiscal provisions of the act, see LSC FISCAL ANALYSIS: Selected Issues of the FY 2004-2005 State of Ohio Operating Budgets)

Reps. Buehrer, Setzer

Sen. Armbruster

Effective date: March 31, 2003; certain provisions effective June 30, 2003, and January 1, 2004; Sections 4 and 5 effective January 1, 2004

State OVI law

Reduces the prohibited *per se* concentrations of alcohol in a person's blood, breath, or urine for purposes of the state OVI law (operating a vehicle under the influence), the state law relating to boating while under the influence of alcohol, and the Implied Consent Law.

Revenue provisions

Imposes additional fees for the purpose of defraying the Department of Public Safety's costs associated with the administration and enforcement of motor vehicle and traffic laws at the rates of \$12 for driver's licenses, \$11 for vehicle registrations, and \$5 for temporary license placards.

Increases one component of the motor vehicle fuel tax, which previously was at 2¢ per gallon, by 2¢ per gallon effective July 1, 2003, an additional 2¢ per gallon effective July 1, 2004, and an additional 2¢ per gallon effective July 1, 2005.

Provides that a portion of that motor vehicle fuel tax component, which previously went entirely for state purposes, be distributed to municipal corporations, counties, and townships according to a distribution formula to pay for local highway-related purposes, but allows only 10% of the tax money to supplant other local funds used for highway purposes.

Provides for the cancellation of the third of the three 2¢ increases in the motor fuel tax rate if Ohio's share of federal fuel taxes meets certain conditions.

Requires the Tax Commissioner to reimburse a school district for the amount of the new gas tax increases paid by the district for fuel used to transport students in buses owned or leased by the district.

Phases out the additional 3¢ per gallon fuel use tax rate by reducing it to 2¢ per gallon on July 1, 2004, and eliminating the additional tax rate on July 1, 2005, and deducts some of the gas tax revenue from local governments and credits it to the state as the fuel use tax is reduced and eliminated.

Increases the commercial bus safety inspection fee from not more than \$100 to not more than \$200 and authorizes the Director of Budget and Management to reimburse the State Highway Safety Fund from the General Revenue Fund (GRF) up to the annual amount of bus safety inspection fees certified by the Director of Public Safety as having been collected.

Eliminates the requirement for annual reimbursement from the GRF to the Auto Registration Distribution Fund and the State Highway Safety Fund of the amount of revenue lost because boat trailers owned and registered by disabled veterans,

Congressional Medal of Honor winners, and former prisoners of war are exempt from all registration taxes and fees.

Department of Public Safety provisions

Requires the Registrar of Motor Vehicles to adopt rules for reassigning commercial motor vehicles and rental car fleets to registration expiration dates beginning in 2004 that will evenly spread out the number of expirations each month of the year, and establishes requirements and procedures necessary to implement those rules.

Requires the Registrar to adopt rules permitting the owners of noncommercial vehicles to register their vehicles on a biennial basis upon payment of the annual taxes and specified fees.

Permits the Registrar to adopt rules allowing owners of motor vehicles not used in interstate commerce to register vehicles for up to five years at a time.

Eliminates 13 separate special license plate funds, creates one combined License Plate Contribution Fund, and requires all contributions that motor vehicle registrants pay when receiving special license plates that previously were deposited into their respective separate funds to be paid into the new Contribution Fund and be distributed in the same amounts as previously provided.

Creates in codified law the Emergency Management Agency Service and Reimbursement Fund, and requires money in the Fund to be used to pay the costs of administering programs of the Emergency Management Agency.

Creates the Public Safety Investigative Unit Salvage and Exchange Fund, and provides that money that the Department of Public Safety's Investigative Unit receives from the sale of motor vehicles and other related equipment must be deposited into the Fund to be used solely for the purchase of replacement motor vehicles and other equipment for the Investigative Unit.

Department of Transportation provisions

Makes permanent the pilot program of the Department of Transportation (ODOT) whereby the Director of Transportation may combine the design and construction elements of a highway or bridge project into a single "design-build" contract, and limits the total dollar value of such ODOT design-build contracts to \$250 million per biennium.

Permits a county engineer to utilize one contract that combines the design and construction elements of a bridge, highway, or safety project, but only if the cost of the project as bid does not exceed \$1.5 million.

Permits the Director of Transportation to pay a contractor a lump sum under an incentive provision in a construction contract for completing critical work ahead of schedule.

Allows the Director to convey or transfer unneeded highway lands to, or permit their use by, the federal government without competitive bidding.

Clarifies the requirements for conveyances by the Director of real property that is no longer required for highway purposes.

Makes the Career Professional Service pilot program of ODOT permanent.

Requires ODOT to contract with a neutral third-party entity to conduct an analysis of the Department's pavement selection process.

Expands the sources of federal moneys that can be used for payment of bond service charges in connection with the issuance of State Infrastructure Bank obligations.

Allows any person to contribute money to the state, counties, or townships to pay the expenses related to the maintenance and repair of highways and roads on which animal-drawn vehicles travel and specifies how the state and counties and townships must expend the contributions.

Modifies the civil and criminal liability of state and local government employees when driving snow removal and road surface maintenance equipment.

Allows ODOT and political subdivisions to provide snow and ice removal on any public road regardless of who controls the road.

Extends until June 30, 2005, a provision specifying that for the purposes of the law governing the issuance of special permits for overweight vehicles, three or fewer steel coils are deemed to be a "nondivisible" load if the overall gross vehicle weight of the vehicle and load is less than 92,000 pounds.

Increases the prior vehicle weight tolerances applicable to farm trucks and log trucks from 5% to 7.5% of the vehicle weight limits otherwise applicable for those vehicles, and extends the 7.5% weight tolerance to coal trucks.

Requires ODOT to open and mark the third lane of travel in both the northbound and southbound lanes of Interstate Route 71, from one mile south of State Route 18 to the interchange with State Route 303.

Force account projects

Increases force account limits as follows: (1) for ODOT, from \$10,000 per mile to \$25,000 per mile for maintenance or repair of a state highway and from \$20,000 to \$50,000 for bridges, culverts, and traffic control signals, (2) for counties, from \$10,000 per mile to \$30,000 per mile for construction or reconstruction of roads and from \$40,000 to \$100,000 for construction, reconstruction, improvement, maintenance, or repair of bridges or culverts, (3) for townships, from \$15,000 to \$45,000 overall and from \$5,000 to \$15,000 per mile for maintenance and repair of roads, and (4) for municipal corporations, from \$10,000 to \$30,000 for construction, reconstruction, or repair of a street.

Requires the Auditor of State to audit a sample of force account projects of state and local government entities at such times as the Auditor otherwise is conducting an audit of the public office, requires the Auditor to develop forms that the state and local government entities must use to estimate the costs of force account projects, subjects local government entities to reduced force account limits if the Auditor finds that the local governments violated the force account limits either during a regular audit or as a result of an investigation following a complaint, and imposes a monetary penalty of 20% of the project cost for a third or subsequent force account violation.

Regulates joint force account projects, and imposes penalties for force account violations in joint projects.

Provides for a 2006 Legislative Service Commission study of the effects of changes to the force account limits.

Motor vehicle emissions program

With respect to contracts for the implementation of the E-Check program (enhanced motor vehicle inspection and maintenance), prohibits new contracts that would expand the program to any new counties.

Requires the exemption of a motor vehicle that is less than five years old, regardless of whether legal title to the vehicle is transferred during that five-year period, from any program for the inspection of motor vehicle emissions that is authorized by the General Assembly after the contracts for the continuing motor vehicle inspection and maintenance program terminate or expire.

Would have extended the new car exemption under the E-Check program from two to five years (VETOED).

Other provisions

Specifies that a motor transportation company that engages in the towing of disabled or wrecked vehicles is subject to regulation by the Public Utilities Commission of Ohio and is not subject to licensing and regulation by political subdivisions.

Provides that units of farm machinery produced during or after 2002 when traveling on a street or highway must meet the lighting, illumination, and marking standards established by the American Society of Agricultural Engineers in 2001, and any subsequent revision of those standards.

Creates the Biofuel and Renewable Energy Task Force, and requires it to submit a report by March 1, 2004, containing specified information regarding the industries of biofuel and other renewable energy sources in Ohio and recommendations for expanding those industries and funding projects or studies.

Delays the effective date of changes in the Ohio Charitable Bingo Law from April 3, 2003 to July 1, 2003.

Establishes a new formula, to be effective for two years, for the distribution of money from the salvage and sale of timber and other forest products from the state forests other than the Shawnee Wilderness Area that have been felled or damaged by weather or other natural forces or conditions.

Sub. H.B. 91

Reps. Young, Core, Grendell, Calvert, Beatty, Buehrer

Sens. Nein, White, Harris

Effective date: May 1, 2003; certain provisions effective August 1, 2003

Permits an employer who, on religious grounds, conscientiously objects to the acceptance of public or private death, disability, old age, retirement, or health care benefits to have excepted from coverage under the Workers' Compensation Law and payment of premiums and assessments under that Law an individual employee who on religious grounds conscientiously objects to the acceptance of public or private death, disability, old age, retirement, or health care benefits.

Requires the Administrator of Workers' Compensation to allocate the costs solely attributable to the activities of the Workers' Compensation Oversight Commission and the Bureau of Workers' Compensation separately from the costs solely attributable to the activities of the Industrial Commission.

Requires the Administrator to divide the administrative cost assessments collected from employers into two administrative assessment accounts within the State Insurance Fund.

Abolishes requirements that the Administrator: (1) provide suitable office space in the Bureau service offices for district and staff hearing officers and Industrial Commission employees as requested by the Commission, and (2) include the cost of furnishing the office space in the Bureau's biennial budget.

Establishes special confidentiality provisions for records of peer review committees of the Bureau that are responsible for reviewing the professional qualifications and performance of providers conducting medical examinations or file reviews for the Bureau.

Specifies that any information made available to a quality assurance committee of the Bureau that is responsible for reviewing the professional qualifications and performance of providers conducting medical examinations or file reviews for the Bureau is confidential and can be used by committee members only in exercising proper committee functions.

Prohibits noncertified health care providers from charging an employee, employer, managed care organization, or the Bureau any amount for covered services or supplies that is in excess of the allowed amount paid in the same manner that certified health care providers are prohibited under continuing law.

DEPARTMENT OF ADMINISTRATIVE SERVICES

Codifies the Vehicle Liability Fund.

Requires the Director of Administrative Services, through the Office of Risk Management, to operate the Vehicle Liability Fund on an actuarially sound basis, including maintaining reserves necessary and adequate to cover potential liability claims, expenses, fees, or damages.

Requires contributions from state agencies and state bodies for the purpose of purchasing liability insurance or administering self-insurance programs to be deposited to the credit of the Vehicle Liability Fund.

Eliminates a provision of law that required reimbursements by state agencies to the Department of Administrative Services for contracts of insurance to be deposited to the credit of the General Services Fund or the Information Technology Fund.

Creates a new fleet management program that gives the Department exclusive authority over the acquisition and management of certain motor vehicles used by state agencies, but allows the Department to delegate this authority under certain circumstances.

Grants the Department authority to direct and approve all funds that are expended for the purchase, lease, repair, maintenance, registration, insuring, and other costs related to the possession and operation of motor vehicles for the use of state agencies.

Requires, for the provision of a motor vehicle to any employee of a state agency for business use, that the employee drive a certain number of business miles per year and be approved by the Department.

Establishes the Vehicle Management Commission within the Department to recommend to the Department and the General Assembly modifications to the Department's procedures and functions under the new fleet management program.

Gives the Department powers and duties that implement the Management Improvement Commission's recommendations concerning facilities planning and space utilization by state agencies.

Eliminates the State Forms Management Control Center in the Department and its administrator, but retains the Department's responsibility to control and supervise a revised state forms management program.

Repeals the Form Burden Law that was no longer operative.

Removes the Office of State Records Administration and a designated administrator from the Department, but retains Department responsibility for a state records program.

Removes several duties of the state records program, including the duty to make continuing surveys of record-keeping operations and recommend improvements and the duty to establish and operate state records centers and auxiliary facilities as authorized by appropriation and provide related necessary services.

Eliminates outdated E-1 and E-2 schedules of rates for salaries and wages paid to certain public employees exempt from the Collective Bargaining Law, and creates new E-1 and E-2 schedules for their pay periods beginning July 1, 2005.

Creates a moratorium on step advancements for certain public employees exempt from the Collective Bargaining Law and certain state board and commission employees from June 29, 2003, through June 25, 2005.

Creates a moratorium on the receipt of credit for service with the state government or any political subdivision for purposes of longevity pay adjustments for certain public employees exempt from the Collective Bargaining Law and certain state board and commission employees for the period from July 1, 2003, through June 30, 2005.

Creates a one-time 2% pay supplement to be paid in the first paycheck in December 2004 to certain permanent public employees exempt from the Collective Bargaining Law.

Eliminates an obsolete reference to a nonexistent pay range for State Fire Commission members.

Would have allowed state agencies to purchase services that cost more than \$50,000 or supplies that cost more than \$25,000 directly from the lowest of at least three solicited bidders or offerors rather than from or through the Department of Administrative Services (VETOED).

Would have required a state agency, when soliciting those bids or proposals, to comply with competitive selection requirements (VETOED).

Requires the Director to inquire into entering into multistate purchasing contracts and to report to the General Assembly the Director's findings and recommendations not later than December 31, 2003.

Requires the Department, when exercising its statutorily granted powers, to actively promote and accelerate the use of electronic procurement by implementing the relevant recommendations concerning e-procurement from the 2000 Management Improvement Commission Report to the Governor.

Suspends the authority of the Director to collect commissions or fees in connection with certain lease agreements during the period beginning July 1, 2003, and ending June 30, 2005.

Changes the definition of "qualifications," for purposes of the Professional Design Services Law, to include as a catch-all "any other relevant factors as determined by the public authority."

Prohibits public authorities, except state agencies under certain circumstances, that are planning to contract with a professional design firm for professional design services under the Professional Design Services Law from seeking any form of fee estimate, fee proposal, or other estimate or measure of compensation before selecting and ranking firms.

Requires the Director to adopt rules to create and implement the Encouraging Diversity, Growth, and Equity (EDGE) Program, which is to certify disadvantaged businesses as EDGE business enterprises that then may apply for contract, financial and bonding, and management and technical assistance to, as well as for mentoring opportunities with, the Department of Development.

Requires the Director of Development to perform certain duties to assist the Director of Administrative Services in the implementation of the EDGE Program, and requires both Directors to issue a detailed report to the Governor no later than December 31, 2003, regarding the implementation and progress of the EDGE Program.

Authorizes the Director of Development to guarantee bonds executed by sureties for minority businesses and EDGE business enterprises as principals on contracts with the state, any political subdivision or instrumentality, or any person as the obligee, and establishes parameters for those guaranty bonds.

DEPARTMENT OF AGING

Establishes the Resident Services Coordinator Program in the Department of Aging to provide services to low-income and special-needs tenants in subsidized rental housing, and establishes the Resident Services Coordinator Fund to receive moneys from the Department of Development and the General Assembly.

Increases from \$3 to \$6 the annual bed fee that long-term care facilities must pay for the support of regional long-term care ombudsman programs, and exempts adult foster homes from paying the fee.

Requires the Department of Aging to adopt rules on deadlines for payment of the bed fee in accordance with the Administrative Procedure Act rather than with alternative statutory procedures that do not require public hearings.

Limits who is considered a person with a disability for purposes of Golden Buckeye Card Program eligibility.

Requires the Director of Aging to establish one or more prescription drug programs that enable cardholders to receive reduced prices on prescription drugs dispensed at participating pharmacies rather than prescription drug discount card programs that enable cardholders to receive discounts on prescription drugs dispensed at participating pharmacies.

Eliminates the Department's Long-Term Care Consumer Guide.

Permits the State Long-Term Care Ombudsman to investigate all complaints against community-based long-term care service providers rather than only complaints involving an individual age 60 or older.

DEPARTMENT OF AGRICULTURE

Extends the Family Farm Loan Program through October 15, 2005, and extends until that date the Agricultural Financing Commission's authority to advise and make recommendations to the Director of Agriculture regarding the Program.

Revises the definition of "agricultural production," for purposes of placing land in an agricultural district, to include tracts, lots, or parcels of land or portions thereof that are used for conservation practices, provided that the land so used comprises not more than 25% of land that is otherwise devoted exclusively to agricultural use and for which an agricultural district application is filed, and authorizes the supervisors of a soil and water conservation district to assist the county auditor upon request to determine whether a conservation activity is a conservation practice for that purpose.

Authorizes, rather than requires, the Division of Markets in the Department of Agriculture to perform specified duties, eliminates the Division's duty relating to inspection of farm produce at collecting and receiving centers, and makes conforming changes.

Authorizes the Division to participate in trade missions between states and foreign countries in order to encourage the sale and promotion of Ohio-grown products.

Increases license and inspection fees related to nursery stock that are assessed under the Nursery Stock and Plant Pests Law, and requires the money collected from the new additional fees to be used to pay the costs of administering that Law, including paying the costs of employing a minimum of two additional inspectors.

Eliminates the Director's authority in the Division of Markets Law to adopt a fee schedule for inspecting any agricultural product for the purposes of the issuance of an export certificate that could have been required by the United States Department of Agriculture or foreign purchasers, and instead authorizes the Director or his authorized representative, in the Nursery Stock and Plant Pests Law, to conduct inspections of agricultural products that are required by federal agencies, other states, or foreign countries to determine whether the products are infested and to issue a certificate if a product is not infested, allows the Director to charge specified fees for performing those functions, and requires that the money from the fees be used to pay the costs of administering the Nursery Stock and Plant Pests Law, including paying the costs of employing a minimum of two additional inspectors.

Allows investment earnings of the Clean Ohio Agricultural Easement Fund, which are credited to the Fund, to be used indefinitely to pay costs incurred by the Director in administering the agricultural easements program.

Authorizes the Director to establish a voluntary gypsy moth suppression program under which a landowner may request that the Department have the landowner's property treated for gypsy moths in exchange for the landowner's payment of a percentage of the cost of the treatment, and requires the Director to adopt rules to facilitate implementation of the program.

Adds injury or killing of certain agricultural animals by black vultures, in addition to by coyotes as in continuing law, as a basis for claims against the Agro Ohio Fund.

Requires the Department to adopt rules prescribing fees that auctioneer licensees must pay and, except for single-auction licensees, deadlines and procedures with which they must comply, and specifies that until those rules are adopted, licensees must pay the fees and comply with the deadlines and procedures established in statute.

Increases the amount of financial responsibility required for single-auction licensees.

Excludes persons who seek compensation for losses resulting from improper conduct by single-auction licensees from eligibility for compensation from the Auction Recovery Fund, but retains requirements pertaining to single-auction licensees' contributions to the Fund.

Creates in the state treasury the Farm Service Agency Electronic Filing Fund consisting of money appropriated to it together with money reimbursed to the Fund by the Farm Service Agency (FSA) in the United States Department of Agriculture, and requires the Director of Agriculture to use money in the Fund to pay the Secretary of State for fees charged in advance for the electronic filing by the FSA of financing statements related to agricultural loans that the FSA disburses.

Extends the extra 2¢ earmark of wine tax revenue credited to the Ohio Grape Industries Fund through June 30, 2005.

OHIO ARTS COUNCIL

Creates the Gifts and Donations Fund in the state treasury for the Ohio Arts Council's operating expenses.

OHIO ARTS AND SPORTS FACILITIES COMMISSION

Eliminates the requirement that a cooperative or management contract entered into by an Ohio arts facility with the Ohio Arts and Sports Facilities Commission be for a term not less than the time remaining to the date of payment or provision for payment of any state bonds issued to pay the costs of the arts project.

Eliminates, as an element before state funds can be used to pay for an Ohio sports facility, the minimum time period requirement for which the state must have a property

interest in the facility, its site, or a portion of it when it is financed from state bond proceeds.

OHIO ATHLETIC COMMISSION

Removes the requirement that the Ohio Athletic Commission maintain an office in Youngstown and keep all of its permanent records there.

Increases statutorily established fees that the Commission must charge for licenses and permits required to conduct boxing and wrestling matches and exhibitions, and allows the Commission to increase those fees by up to 50%, instead of 25%, with Controlling Board approval.

Abolishes the Athlete Agents Registration Fund, and requires the Commission instead to deposit money that it receives under the Athlete Agents Law to the credit of the Occupational Licensing and Regulatory Fund.

ATTORNEY GENERAL

Revises the refund terms for funds placed in escrow by tobacco manufacturers not participating in the tobacco Master Settlement Agreement.

Requires tobacco product manufacturers whose cigarettes are sold in this state to certify specified information, including information on escrow account payments and tobacco brands, to the Attorney General by April 30 each year.

Requires the Attorney General to develop and publish on the Attorney General's website a directory listing all of the tobacco product manufacturers that are in compliance with the certification requirements.

Prohibits tax stamps from being affixed to cigarettes, and prohibits cigarettes from being sold, offered for sale, or possessed for sale if the tobacco product manufacturer that produces the cigarettes, or the brand family to which the cigarettes belong, is not included in the directory.

Establishes criminal and civil enforcement remedies for selling cigarettes in violation of these provisions.

Establishes procedures for the appointment of an agent for the service of process and for providing notice and reporting required information from tobacco product manufacturers and stamping agents to the Tax Commissioner or the Attorney General.

Authorizes the Attorney General and the Tax Commissioner to adopt administrative rules necessary to implement the Tobacco Master Settlement Agreement Law provisions added by the act.

Modifies the law governing the Attorney General's collection of amounts due the state by: (1) authorizing the assessment of collection costs, (2) applying a different rate of interest to such claims, and (3) permitting the addition of fees to recover the cost of processing checks returned for insufficient funds and the cost of providing electronic payment options.

Prohibits government entities from contracting for goods, services, or construction with persons against whom an unresolved finding for recovery has been issued.

Requires the Attorney General, by December 1, 2003, to report to the Auditor of State the status of collection for all findings for recovery issued by the Auditor of State for calendar years 2001, 2002, and 2003, and requires a quarterly update of this information thereafter.

Requires the Auditor of State to establish a publicly accessible database of persons by January 1, 2004, against whom an unresolved finding for recovery has been issued and, beginning January 15, 2004, and quarterly thereafter, to update that database to reflect resolved findings for recovery reported earlier that quarter by the Attorney General.

Makes the following changes in the Crime Victims Reparations Law:

--Requires the Attorney General to provide for payment of the claimant or providers in the amount of an award of reparations only if the amount of the award is \$50 or more.

--Defines "claimant" to include the estate of a deceased victim.

--Excludes as a collateral source any money, or the monetary value of any property, that is received as a benefit from the Ohio Public Safety Officers Death Benefit Fund.

--Modifies the maximum cumulative allowable expense for required care or counseling of immediate family members of a victim of criminally injurious conduct consisting of a homicide, a sexual assault, domestic violence, or a severe and permanent incapacitating injury resulting in paraplegia or similar life-threatening condition.

--Permits a family member of a victim who died as a proximate result of criminally injurious conduct to be reimbursed as an allowable expense, up to a specified maximum, for wages lost and travel expenses incurred to attend criminal justice proceedings arising from that conduct.

--Generally includes as an allowable expense attorney's fees up to \$2,500, at a maximum allowable rate of \$150 per hour, incurred to successfully obtain a restraining order, custody order, or other order to physically separate a victim from an offender.

--Increases the maximum allowable charges per funeral of a victim, and includes as funeral expenses any wages lost or travel expenses incurred by a family member of a victim in order to attend the victim's funeral, cremation, or burial.

--Modifies the definitions of "cost of crime scene cleanup" and "immediate family member," and includes a new definition of "family member."

--Specifies the circumstances in which an award may be made to a minor dependent of a deceased victim for the dependent's economic loss or for counseling as described above.

--Requires a health care provider or medical records company to provide one copy of a patient's medical records without charge to the Attorney General in accordance with the Crime Victims Reparations Awards Law or rules adopted under that Law.

Modifies the definitions of "scheme of chance," "educational organization," "veteran's organization," "fraternal organization," "slot machine," "charitable instant bingo organization," and "expenses" for use in the Gambling Law, including the Charitable Bingo Law, defines "game flare," "historic railroad educational organization," "sporting organization," "pool not conducted for profit," and "skill-based amusement machine" for use in that Law, and includes historic railroad educational organization and sporting organization within the definition of "charitable organization" for that Law.

Modifies the basis of the license fee for the conduct of instant bingo by an organization that previously has been licensed to conduct bingo by basing it on the gross profits received by the charitable organization during a specified prior one-year period and by modifying the formula for calculating the amount of that fee.

Prohibits a charitable organization from providing a bingo game operator any compensation for conducting instant bingo other than at a bingo session.

Allows an employee of a veteran's organization, fraternal organization, or sporting organization to sell instant bingo tickets or cards to invited guests of the organization if no portion of the employee's compensation is paid by bingo receipts.

Permits a charitable organization, a public school, a chartered nonpublic school, a community school, or a sporting organization that is exempt from federal income taxation under subsection 501(a) and is described in subsection 501(c)(3), 501(c)(4), or 501(c)(7) of the Internal Revenue Code to conduct a raffle to raise money for the organization or school, provides that that organization or school does not need a license to conduct bingo in order to conduct a raffle drawing that is not for profit, and prohibits any person that is not one of the above described entities from conducting a raffle drawing that is for profit or a raffle drawing that is not for profit.

Modifies the records that a charitable organization must maintain with respect to the gross receipts and expenses of each game of instant bingo.

Modifies the procedure for paying the organizational expenses of a veteran's organization or a fraternal organization for the conduct of instant bingo, and makes those procedures applicable to a sporting organization.

Modifies the types of organizations for which a veteran's or fraternal organization may raise money from the sale of instant bingo other than at a bingo session and with which it must enter into a written contract in order to conduct instant bingo, and makes those provisions applicable to a sporting agency.

Modifies the provisions dealing with the rules or orders of the Division of Liquor Control in the Department of Commerce or the Liquor Control Commission prohibiting a charitable organization that holds a D-4 permit from selling or serving beer or intoxicating liquor in a portion of its premises used for the conduct of a charitable bingo game.

Modifies the percentage of net profit from the proceeds of the sale of instant bingo that a veteran's organization or fraternal organization may distribute for the organization's own charitable purposes and may deduct and retain for the organization's expenses in conducting the instant bingo game, and makes those percentages applicable to sporting organizations.

Provides that a charitable organization other than a veteran's, fraternal, or sporting organization must distribute 100% of the net profits from the sale of instant bingo to certain specified charitable organizations or governmental entities.

Prohibits a charitable organization from selling or providing any instant bingo ticket or card for a price different from the price printed on the instant bingo ticket or card or on the game flare.

Provides that a charitable instant bingo organization is not required to enter into a written contract with the owner or lessor of the bingo location for the conduct of instant bingo other than at a bingo session if the owner or lessor does not assist in the conduct of the instant bingo and other conditions are met.

Allows a volunteer firefighter's organization that is exempt from federal income taxation and is described in subsection 501(c)(3) of the Internal Revenue Code to conduct instant bingo other than at a bingo session at a location where the primary source of retail income from all commercial activity at that location is the sale of instant bingo tickets if the instant bingo is conducted at the location where the organization conducts firefighter training, the organization has conducted instant bingo continuously for at least five years prior to the effective date of the act, and, during each of those five years, the organization had gross receipts of at least \$1.5 million.

Allows a licensed charitable organization or a bingo game operator to give any person an instant bingo ticket as a prize.

Increases the fee for a distributor license or a manufacturer license from \$2,500 to \$5,000.

Specifically permits the Attorney General to perform on site inspections of manufacturers who are selling bingo supplies or applying for a license to do so.

Modifies the definition of "scheme of chance" to include a pool conducted for profit and to specifically exclude a pool not conducted for profit.

AUDITOR OF STATE

Requires, rather than permits, the Auditor of State to provide, operate, and maintain a uniform and compatible computerized financial management and accounting system known as the uniform accounting network.

Authorizes the Auditor of State to provide additional training or educational programs either alone or in collaboration with other public or private entities.

Expands the time period within which the Auditor of State must hold training programs for newly elected local officials.

OHIO BALLOT BOARD

Specifies that the term of office for any member of the Ohio Ballot Board who also is a member of the General Assembly and who was appointed to the Board by an authorized officer of the General Assembly ends on the earlier of the expiration of the term for which the member was appointed to the Ballot Board or the expiration of the member's General Assembly term.

OHIO BARBER BOARD

Increases fees collected by the Ohio Barber Board related to licensure of barbers, barber shops, barber schools, barber teachers, and barber applicants and students.

OFFICE OF BUDGET AND MANAGEMENT

Repeals: (1) a requirement that the Office of Budget and Management, after enactment of an act containing appropriations of federal funds, provide a list of the federal programs associated with the appropriations, and (2) a general statement that a state agency is not required to obtain an executive order to participate in a federal program appearing on that list.

Modifies a prohibition regarding state agency expenditure of federal funds to provide that an appropriation authorizes such an expenditure even if it does not identify the federal program that is the source of the funds.

Reestablishes the Family Services Stabilization Fund.

Permits the transfer to the General Revenue Fund (GRF) of specified amounts that otherwise would have been transferred from the Tobacco Master Settlement Agreement Fund to the Tobacco Use Prevention and Cessation Trust Fund and to the Education Facilities Trust Fund in FY 2004, and requires reimbursement from the Tobacco Master Settlement Agreement Fund in FY 2015 of the amount not transferred to the Tobacco Use Prevention and Cessation Trust Fund in FY 2004 due to the GRF transfer.

Eliminates the reimbursements required from the Tobacco Master Settlement Agreement Fund in FYs 2013 and 2014, of any amounts diverted from Ohio's Public Health Priorities Trust Fund in FYs 2002 and 2003.

Would have required a state agency operating a state institutional facility that the Governor believed should be closed to conduct a survey and analysis of client needs to ensure that those needs would be met during the transition and in the client's new setting and to submit that analysis, devoid of client identification, to the General Assembly at least two months before the closing (VETOED).

BOARD OF CAREER COLLEGES AND SCHOOLS

Requires the State Board of Career Colleges and Schools to deposit receipts in the Occupational Licensing and Regulatory Fund.

OHIO CIVIL RIGHTS COMMISSION

Requires amounts received by the Ohio Civil Rights Commission, and amounts awarded by a court to the Commission, for attorney's fees, court costs, expert witness fees, and other litigation expenses to be paid into the state treasury to the credit of the Civil Rights Commission General Reimbursement Fund.

DEPARTMENT OF COMMERCE

Increases by 100% all prior liquor permit fees of \$300 or less and by 25% all such fees of more than \$300.

Changes the distribution of amounts in the Undivided Liquor Permit Fund so that a greater percentage is distributed to the General Revenue Fund and lesser percentages to the Statewide Treatment and Prevention Fund and to the municipal corporations and townships in which liquor permit premises are located.

Allows the D-5i liquor permit to be issued to a retail food establishment or food service operation that meets specified criteria and is located in a municipal corporation or township with a population of 75,000 or less.

Requires the issuance of a Sunday sales permit, whether or not the sales have been authorized by a Sunday sales election, to a liquor permit holder that is a nonprofit corporation that owns or operates a national professional sports museum (D-5g permit holder).

Authorizes Sunday liquor sales between the hours of 1 p.m. and midnight in a precinct or part of a precinct if those sales are already authorized during those hours and if a question seeking to authorize those sales between the hours of 10 a.m. and midnight is defeated in the precinct.

Eliminates the 20,000 minimum population of a municipal corporation requirement for the issuance of a D-5j liquor permit to a premises located in a community entertainment district in a municipal corporation.

Allows the D-5j liquor permit to additionally be issued in a community entertainment district that is located in a township with a population of at least 40,000 or in a municipal corporation with a population of at least 20,000 that contains an amusement park the rides of which have been issued a permit by the Department of Agriculture or in which not less than \$50 million will be invested in development and construction in the community entertainment district's area located in the municipal corporation.

Creates the temporary F-5 liquor permit to be issued to the owners or operators of certain riverboats that will be participating in an Ohio riverboat festival.

Authorizes the Division of Liquor Control to sell at wholesale spirituous liquor in 50 milliliter sealed containers to any holder of a liquor permit that authorizes the sale of spirituous liquor for consumption on the premises where sold rather than limiting the authority of the Division to sell those containers only to hotels that sell spirituous liquor by means of controlled access alcohol and beverage cabinets located in guest rooms as required under prior law.

Eliminates the registration requirement for travel agencies and tour promoters and the accompanying \$10 registration fee.

Increases the income of and provides for payment of expenses from the Consumer Finance Fund for the Department of Commerce in administering law relating to high cost mortgages.

Increases boiler inspection and certificate of operation fees, and modifies the boiler and pressure vessel licensing laws.

Transfers responsibility from the Division of Industrial Compliance to the Board of Building Standards with respect to the inspection of power, refrigeration, hydraulic, heating, and liquefied petroleum gas piping systems, except in the case of new systems that may still be inspected by the Division of Industrial Compliance or by local inspectors certified by the Board of Building Standards.

Codifies into statute certain administrative rules regarding welding and brazing procedures and performance qualifications.

Establishes regulations for the design, installation, and testing of nonflammable medical gas and vacuum piping systems.

Clarifies that the Board of Building Standards may place rules for piping systems in the Ohio Building Code or with the pressure piping systems rules.

Increases elevator certificate of operation fees, and removes a 50% cap on the authority of the Director of Commerce relative to increasing various elevator, escalator, and moving walkway inspection-related fees.

Establishes registration requirements and fees for contractors who desire to enter into contracts that are subject to the Prevailing Wage Law, and creates the Prevailing Wage Administration Fund to pay the costs to administer that Law.

Establishes a two-year statute of limitations for the filing of administrative actions with the Director of Commerce alleging a violation of the Prevailing Wage Law.

Requires an employee who files a written complaint with the Director alleging a violation of the Prevailing Wage Law to include documented evidence to support the complaint.

Extends the time in which an employee may file a lawsuit before being barred from further action under the Prevailing Wage Law from 60 days to 90 days from the date on which the Director determines that there has been a violation of the Prevailing Wage Law.

DEPARTMENT OF DEVELOPMENT

Expands the Department of Development's duties to include the promotion of economic growth in Ohio.

Changes the name of the Ohio One-Stop Business Permit Center to the Ohio First-Stop Business Connection.

Repeals the statute creating the discontinued Defense Conversion Assistance Program.

Removes an obsolete requirement that the Director of Development provide the Joint Legislative Committee on Tax Incentives with copies of the Director's determinations on job relocations under the Rural Industrial Park Loan Program.

Adds the Lieutenant Governor or the Lieutenant Governor's designee as a member of the Clean Ohio Council.

Removes the Director of Development as the chairperson of the Clean Ohio Council, instead requires the Governor to appoint a member of the Council to serve as chairperson, requires the Director to serve as vice-chairperson unless the Director is appointed chairperson, and requires the Council annually to select a vice-chairperson from among its members if the Director is appointed chairperson.

Allows investment earnings credited to the Clean Ohio Revitalization Fund to be used indefinitely to pay costs incurred by the Department and the Environmental Protection Agency for purposes of the brownfield portion of the Clean Ohio program.

Makes the Innovation Ohio Loan Fund a fund in the state treasury rather than a custodial fund.

Directs the Governor to appoint the chairperson of the Ohio Housing Finance Agency, and permits any member of the Agency to be elected as vice-chairperson.

Establishes 45 fees that county recorders collect for deposit in the Low- and Moderate-Income Housing Trust Fund, doubling the amount of fees that recorders formerly collected, and revises expenditure requirements for the Fund.

Transfers the Ohio Coal Development Office, as of July 1, 2003, from the Department to the Ohio Air Quality Development Authority.

Extends the authority of a municipal corporation or board of county commissioners to enter into enterprise zone agreements, previously scheduled to expire on June 30, 2004, until October 15, 2009, and provides that cities designated as urban clusters in rural statistical areas may designate one or more areas within their boundaries as enterprise zones and may enter into enterprise zone agreements after the Director certifies a proposed enterprise zone.

Permits taxpayers who have been granted a nonrefundable tax credit under the Ohio Venture Capital Program to carry forward unused portions of the credit for a period of ten years.

OHIO BOARD OF DIETETICS

Increases fees for dietician licenses.

DEPARTMENT OF EDUCATION

Revises from 2.8% to 2.2% the inflation factor applied to the per pupil base-cost formula amount, which results in base-cost amounts of \$5,058 per pupil in FY 2004, instead of \$5,088 as under prior law, and \$5,169 per pupil in FY 2005, instead of \$5,230 as under prior law.

Eliminates the statutorily specified base-cost formula amounts for FY 2006 and FY 2007.

Eliminates the requirement that the General Assembly every six years recalculate the base cost of providing an adequate education.

Adjusts the cost-of-doing-business factors for the individual counties, but maintains the maximum variance of 7.5% between the base county (Gallia County) and the highest-cost county (Hamilton County).

Eliminates the practice of substituting a school district's three-year average formula average daily membership (ADM) in the base-cost formula, in place of its current-year formula ADM, if the three-year average is greater than the current-year number.

Reduces from 25% to 20% the percentage of joint vocational school district (JVSD) students that may also be included in the formula ADM of city, local, and exempted village school districts or community schools.

Requires the Department of Education, by January 1, 2004, to provide to the General Assembly a feasible standard for measuring school district attendance rates.

Provides additional state transitional aid in FY 2004 and FY 2005 to prevent any school district's state "SF-3 funding plus charge-off supplement" from decreasing by more than 5% from the previous fiscal year.

Reduces the parity aid phase-in percentages for FY 2004 and FY 2005 to 58% and 76%, respectively, from 60% and 80%, respectively.

Increases from 3 mills to 3.3 mills the threshold at which school districts qualify for the state excess cost supplement, which is paid to districts whose combined calculated local shares of special education, vocational education, and transportation funding are disproportionately high.

Continues the phase-in of the six special education funding weights by establishing an 88% payment rate in FY 2004 and a 90% payment rate in FY 2005.

Specifies that school districts must use subsidies for speech services only for speech language pathology services.

Maintains for FY 2004 and FY 2005 several components of school funding formulas as prescribed for FY 2003, including the threshold amounts for reimbursement of special education catastrophic costs, the personnel allowance for the speech services subsidy, and the per pupil subsidy paid to educational service centers.

Increases the personnel allowance used to calculate the Graduation, Reality, and Dual-role Skills (GRADS) subsidy from \$46,260 in FY 2003 to \$47,555 in FY 2004 and FY 2005.

Grants most school districts a 2% increase in their FY 2004 and FY 2005 disadvantaged pupil impact aid (DPIA) subsidies regardless of any changes in enrollment or in the proportion of children receiving public assistance.

Requires JVSDs receiving weighted funding for vocational education and associated services to spend those funds as approved by the Department, and specifies that those expenses approved by the Department for all school districts include only career-technical programming.

Requires school districts and the Department annually to report data regarding the expenditure of weighted funding for vocational education and associated services.

Specifies that the portion of the cost of providing special education and related services to a student by a JVSD that exceeds the calculated state and local shares of base-cost and special education payments made to the JVSD must be paid for by the student's resident district or, if the student is enrolled in a community school, by that school.

Requires that each JVSD spend the amount calculated for combined state and local shares of base-cost and special educational payments for special education and related services as approved by the Department.

Beginning FY 2005, establishes new state Head Start programs, Title IV-A Head Start and Title IV-A Head Start Plus, to be operated by the Department of Education and funded with federal money transferred from the Department of Job and Family Services.

Authorizes the Department of Job and Family Services and the Department of Education to enter into an interagency agreement and to develop procedures for operation of the state Title IV-A Head Start and Title IV-A Head Start Plus programs.

Beginning September 1, 2003, authorizes the Department of Job and Family Services to license Head Start programs instead of the Department of Education as under prior law.

Creates the Head Start Partnership Study Council to provide advice and assistance to the Departments of Education and Job and Family Services in FY 2004 and FY 2005 in designing and implementing the new Title IV-A Head Start Plus Program.

Requires the Legislative Office of Education Oversight (LOEO) to study partnership agreements between Head Start providers and child care providers and to report findings to the General Assembly by December 31, 2004.

Permits the Legislative Committee on Education Oversight, by majority vote, to modify the due dates and scope of studies assigned by the General Assembly to LOEO in order to accommodate the availability of data and resources.

Reinstates students whose only identified disability is a speech and language handicap to the calculation of whether a school district exceeds the maximum average ratio of 25 regular student population students per teacher.

Specifies that vocational, school-age special education, and handicapped preschool units be approved by the Department of Education rather than the State Board of Education.

Specifies that handicapped preschool units will be available for children who were three years old by December 1, instead of September 30.

Permits the Department of Education to reassign school buses purchased with state subsidies by county boards of mental retardation and developmental disabilities or school districts when those buses are no longer needed for the transportation of certain special education or nonpublic school students.

Renames the Auxiliary Services Mobile Unit Replacement and Repair Fund the Auxiliary Services Reimbursement Fund.

Increases, from \$2,500 to \$3,000 per student, the maximum scholarship award amount under the Pilot Project Scholarship Program (Cleveland voucher program) for students in grades kindergarten through eight.

Expands eligibility for scholarship awards under the Pilot Project Scholarship Program to ninth and tenth graders, and sets the maximum award amount for those students at \$2,700 per student.

Increases the amount of additional tuition that a private school may charge a student in kindergarten through eighth grade receiving a scholarship award of 75% of the maximum award under the Pilot Project Scholarship Program, and permits a private school to charge the difference between actual tuition and the scholarship amount for any high school student.

Directs the state Superintendent of Public Instruction to make payments directly to providers of tutorial assistance through the Pilot Project Scholarship Program instead of to the students' parents.

Replaces the requirement that a school district in fiscal emergency propose a tax levy to the voters sufficient to eliminate the operating deficit and repay outstanding obligations with an option of proposing, or not proposing, to the voters a tax levy sufficient to generate enough funds to produce a positive fiscal year-end cash balance by the fifth year of its five-year forecast.

Prohibits the Superintendent of Public Instruction from including, in guidelines for declaring a school district to be under a "fiscal caution," a requirement that a district submit financial statements according to Generally Accepted Accounting Principles (GAAP).

Prohibits a community school whose contract has been terminated from entering into a new contract with another sponsor.

Allows a community school to enter into a contract with a new sponsor, provided that the school notifies its original sponsor within 180 days prior to the contract's expiration that it will not renew the contract.

Permits an educational service center to sponsor a community school in any challenged school district.

Requires the automatic withdrawal of a community school student after missing 105 consecutive, rather than cumulative under prior law, hours of learning opportunities without legitimate excuse.

Requires the Department of Education to pay to community schools the per pupil amount of state parity aid funding that otherwise would be paid to their students' resident school districts, and requires the Department to deduct the corresponding amount from the students' resident districts.

Specifies that the amount paid to community schools and deducted from the state aid of their students' home districts cannot exceed the home districts' total state payments and property tax rollback reimbursement.

Requires the Department in FY 2004 and FY 2005 to pay a subsidy to certain community schools in which at least half of the total number of enrolled students are severe behavior handicapped students.

Makes other changes to the law governing community schools.

Eliminates the requirement that the Department appoint transportation coordinators to oversee transportation of students by school districts.

Removes a school district's authority to limit textbook purchases to only six subjects per year, and eliminates the prohibition against a school district changing or revising a textbook selection more frequently than once every four years.

Provides that school district business managers, in general, are to be employed in the same manner as other administrators.

Requires "academic watch" and "academic emergency" school districts to administer practice versions of the Ohio Graduation Tests (OGT) to ninth graders beginning in the 2003-2004 school year.

Requires certain high schools in "academic emergency" districts to provide intervention services to students whose scores on the practice OGT indicate that they are unlikely to pass the real OGT to qualify for a diploma.

Eliminates the requirement that school districts issue annual reports of school progress.

Eliminates a public school's authority to operate a school savings system for students to deposit money into personal savings accounts.

Permits the board of education of a local school district to propose severing the district from the educational service center (ESC) to which it currently belongs and instead annexing to an ESC adjacent to its current ESC, subject to approval of the governing board of the ESC to which the district would be annexed and the State Board of Education and subject to a referendum of the district voters, if a petition is filed within 60 days after adoption of a resolution proposing a change.

Eliminates the requirements that the State Board of Education adopt standards for service plans by ESCs, approve such plans developed by ESCs, and evaluate ESCs every five years.

Eliminates the requirement that ESCs certify their operating budgets to the State Board of Education.

Clarifies procedures for the Department of Education to follow in calculating payments to ESCs.

Allows an ESC that sponsors a community school, other than an Internet- or computer-based community school, to receive state per pupil payments for the students of that school in FY 2004 and FY 2005, but only if sufficient funds are appropriated to first pay all ESCs for the students of the school districts that they serve.

Eliminates provisions for ESC superintendents to approve the employment of teachers, administrators, and superintendents by local school districts.

Specifically permits ESCs to conduct searches and recruitment of candidates for employment in school districts.

Eliminates provisions for ESC superintendents to approve the assignment of students and staff to respective schools in local school districts.

Clarifies the method of calculating the cost of ESC office space provided by a board of county commissioners.

Eliminates the requirement that ESCs gather from local school districts and submit to the State Board of Education on their behalf annual reports of district statistics.

Transfers authority to propose the creation of a new local school district from ESCs to the State Board of Education.

Eliminates the requirement that the State Board of Education adopt a standard establishing a maximum ratio of 25 pupils to one teacher in classes for bilingual multicultural pupils.

Eliminates the requirement that each county auditor file with the Superintendent of Public Instruction each school district's certificate that appropriations do not exceed estimated revenues.

Requires school districts and community schools to convert to a software package that is certified by the Department of Education for the management and reporting of data under the Education Management Information System (EMIS) by July 1, 2004.

Requires a board of education that receives a petition requesting a transfer of territory to an adjoining district to cause the board of elections to check the sufficiency of signatures on that petition.

Requires the Department, in consultation with stakeholders, to recommend a plan to the General Assembly for the establishment of an Ohio Regional Education Delivery System (OREDS) by March 31, 2004, to provide minimum core services and technical assistance to school districts and chartered nonpublic schools.

Requires the Department, in consultation with stakeholders, to develop an accountability system for OREDS.

Requires school districts and schools selected by the Superintendent of Public Instruction for participation in the National Assessment of Educational Progress (NAEP) to participate in the assessment.

Establishes a temporary pilot project for FY 2004 and FY 2005 under which the parent of a child identified as autistic who is eligible for special education and related services from the child's resident school district may receive a scholarship of up to \$15,000, which is deducted from the account of the child's resident district, to pay all or part of the tuition for a special education program provided by another school district, another public entity, or a nonpublic entity.

Requires LOEO to conduct a formative evaluation of the pilot project special education program and report findings to the General Assembly by March 1, 2005.

Requires generally that students initially identified with a disability in the 2004-2005 or 2005-2006 school year undergo, at private expense, a comprehensive eye exam by a licensed optometrist or physician within three months after beginning special education services.

Requires the Department to provide the results of educator licensure examinations to the Ohio Board of Regents.

Reduces the stipend for teachers who are National Board certified from \$2,500 to \$1,000 per year if they are accepted into the certification program after May of 2003 or are certified after 2004.

BOARD OF EMBALMERS AND FUNERAL DIRECTORS

Increases licensing and filing fees paid to the Board of Embalmers and Funeral Directors.

Permits an embalmer or funeral director who has been licensed for 50 or more years and is not actually in charge of an embalming facility or a manager or actually in charge of and ultimately responsible for a funeral home to apply to the Board for an exemption from continuing education requirements.

STATE EMPLOYMENT RELATIONS BOARD

Establishes specific duties of the State Employment Relations Board's chairperson in statute, including the duty to prepare the Board's biennial budget and to employ, promote, supervise, and remove certain Board employees.

Shifts some of the Board's duties directly to the chairperson, including the duty to appoint attorneys and attorney-trial examiners and, with the consent of one other Board member, to appoint an Executive Director.

Establishes specific duties of the Board's Executive Director in statute, including the duty to ensure that all Board employees comply with Board rules.

Allows either party to a collective bargaining agreement to request a fact-finding panel any time after a mediator is appointed, requires the parties to share the entire cost of the panel, and requires the Board to appoint a panel within 15 days after receiving a request.

ENVIRONMENTAL PROTECTION AGENCY

Allows investment earnings credited to the Clean Ohio Revitalization Fund to be used indefinitely to pay costs incurred by the Department of Development and the Environmental Protection Agency for purposes of the brownfield portion of the Clean Ohio Program.

Allows investment earnings credited to the Clean Ohio Operating Fund to be used indefinitely to pay administrative costs incurred by the Director of Environmental Protection for purposes of the brownfield portion of the Clean Ohio Program.

Abolishes the Hazardous Waste Facility Board, transfers its duties and responsibilities to the Director of Environmental Protection for purposes of permitting hazardous waste facilities, and revises several of the criteria to be used when determining whether to approve or disapprove a permit application.

Extends the authority for the Environmental Protection Agency to use money in the Hazardous Waste Clean-up Fund for the Emergency Response Program and the Voluntary Action Program through October 15, 2005.

Extends through June 30, 2006, the fee on the disposal of solid wastes that is used to fund the solid and infectious waste and construction and demolition debris management programs, and increases the fee from 75¢ per ton to \$1 per ton beginning July 1, 2003.

Increases from \$60 to \$70 the fee that is required to file an appeal with the Environmental Review Appeals Commission, and allows the Commission to reduce rather than waive the fee if the appellant demonstrates by affidavit that payment of the full amount would cause extreme hardship.

Eliminates the fee schedules for permits to operate and variances issued for air contaminant sources prior to January 1, 1994, and replaces the fee schedule for permits to install for such air contaminant sources with the former fee schedules for permits to install for air contaminant sources issued on or after January 1, 1994, but applies the fee schedules only for such permits to install issued before July 1, 2003.

Establishes new fee schedules for permits to install for air contaminant sources issued on or after July 1, 2003, by applying and modifying the schedules for permits issued on or after January 1, 1994, as follows: (1) includes in fuel-burning equipment, in addition to boilers as in law largely retained by the act, furnaces or process heaters that are used in the process of burning fuel for the primary purpose of producing heat or power by indirect heat transfer, and increases several of the fees by 25% to 50%, (2) establishes new fees of \$25 to \$2,000, based on generating capacity, for combustion turbines and stationary internal combustion engines designed to generate electricity, (3) increases the fees for incinerators by 25% to 50%, (4) for processes (based on process weight rate), increases most of the fees by 25%, specifies that a combustion turbine or stationary internal combustion engine that is designed to generate electricity must be assessed the fee described in item (2), above, increases the fees for mining processes by 20% to 33%, and corrects a computer error in the fee schedule for mining processes, and (5) for storage tanks, revises the fee range levels, and increases the fees for the higher levels.

Applies the annual emissions fees established under previously enacted law that are paid by holders of air pollution control permits to operate or variances, other than holders of Title V permits and owners or operators of synthetic minor facilities, only through December 31, 2003, replaces the fees beginning January 1, 2004, with a new schedule that includes increased fees of \$100 and \$200 for lower amounts of emissions, but retains fees unchanged by the act for higher amounts of emissions, requires fees to be collected under the new schedule beginning in 2005, and extends the sunset on the annual emissions fees for synthetic minor facilities until June 30, 2006.

Extends for two years the sunset of the annual discharge fees for holders of NPDES permits issued under the Water Pollution Control Law and application fees for industrial water pollution control certificates issued under that Law.

Extends for two years the levying of higher fees, and the decrease of those fees at the end of the two years, for applications for plan approvals for wastewater treatment works under the Water Pollution Control Law.

Extends for two years the sunset of annual license fees for public water system licenses issued under the Safe Drinking Water Law, and increases the fees for public water systems that are community water systems by 8% to 11%, for public water systems that are not community water systems and serve nontransient populations by 9% to 14%,

and for public water systems that are not community water systems and serve transient populations by 14%.

Replaces the classification of systems supplied by surface water, springs, or dug wells with systems designated as using a surface water source, but retains the license fee of \$792 as in law unchanged by the act for public water systems that are in that classification and that are not community water systems and serve transient populations, and requires public water systems designated as using a surface water source to pay a license fee that is the greater of \$792 or the amount calculated using the fee schedules discussed above for either public water systems that are community water systems or public water systems that are not community water systems and serve nontransient populations.

Increases the fee for plan approval for a public water supply system from \$100 plus .2 of 1% of the estimated project cost to \$150 plus .35 of 1% of the estimated cost, extends for two years the establishment of a higher cap on the total fee due and the decrease of that cap at the end of the two years, and increases the higher cap from \$15,000 to \$20,000 and the lower cap from \$5,000 to \$15,000.

Extends for two years the levying of higher fees, and the decrease of those fees at the end of the two years, for state certification of laboratories and laboratory personnel for purposes of the Safe Drinking Water Law, and makes the following changes in the fees: (1) for the higher fees, which must be assessed triennially for each laboratory, divides the microbiological category into three subcategories and establishes a fee for each, increases the fees for the remaining categories by 55%, and establishes a \$1,800 fee for each additional survey that is requested during the three-year period for the purpose of adding analytical methods or personnel, (2) increases the lower fees by 560% to 1,300%, (3) renames the inorganic chemical category and the chemical/radiological category as trace metals, and (4) generally aligns the categories within the two schedules for evaluation so that the categories are the same regardless of whether an evaluation occurs before or after July 1, 2006, and establishes new fees as necessary to complete the schedules.

Extends for two years the levying of higher fees, and the decrease of those fees at the end of the two years, for applications and examinations for certification as operators of water supply systems or wastewater systems under the Safe Drinking Water Law or the Water Pollution Control Law, as applicable, and makes the following changes: (1) increases the higher application fee from \$25 to \$45 and the lower application fee from \$10 to \$25, (2) adds certification as a Class A operator and sets the higher examination fee for such certification at \$35 and the lower fee at \$25, (3) increases the higher examination fees for certification in the continuing categories of operator certification by 24% to 33% and the lower fees by 36% to 80%, (4) establishes a new biennial certification renewal fee ranging from \$25 to \$65 depending on the class of certification and a late renewal fee ranging from \$45 to \$85, (5) requires a person who requests a

replacement certificate to pay a \$25 fee at the time the request is made, and (6) revises the timeframes for applying the fees for both the applications and the examinations for certification.

Extends for two years the levying of higher fees, and the decrease of those fees at the end of the two years, for applications for permits, variances, and plan approvals under the Water Pollution Control Law and the Safe Drinking Water Law.

Generally enables an applicant to submit an electronic application for a registration certificate, permit, variance, or plan approval under the Solid, Infectious, and Hazardous Waste Law, the Safe Drinking Water Law, or the Water Pollution Control Law, requires the payment of the applicable application fee as expeditiously as possible after such submission, and prohibits the review or processing of a registration certificate, permit, variance, or plan approval until the required fee is paid.

Clarifies that an applicant who has entered into an agreement with the Clean Ohio Council for a grant or loan under the brownfield portion of the Clean Ohio Program and who is issued a covenant not to sue under the Voluntary Action Program Law is not required to pay the fee for the issuance of a covenant not to sue that is established in rules adopted under the Voluntary Action Program Law.

OHIO ETHICS COMMISSION

Increases, effective January 1, 2004, the fees that must be paid by candidates and officeholders filing required financial disclosure statements with the appropriate ethics commission.

Changes, effective January 1, 2004, from one-half of the applicable filing fee to \$10 the late filing fee that the appropriate ethics commission must assess for each day that a person fails to timely file a required financial disclosure statement, and increases from \$100 to \$250 the maximum total late filing fee that may be imposed.

GENERAL ASSEMBLY

Creates the Legislative Audit Commission Study Committee to study how other states provide for a legislative auditing function.

OFFICE OF THE GOVERNOR

Permits health insuring corporations to use deductibles in health care plans, and imposes new limits on copayment charges under those plans.

DEPARTMENT OF JOB AND FAMILY SERVICES

General

Authorizes the Director of the Department of Job and Family Services (DJFS) to enter into one or more fiscal agreements with each board of county commissioners rather than requiring the Director to enter into a partnership agreement with each board.

Specifies what a fiscal agreement must do, including providing for DJFS to award financial assistance for the family services duties included in the agreement.

Provides that a board of county commissioners is not required to conduct a public hearing or consult with the county family services planning committee before entering into or amending a fiscal agreement.

Establishes conditions and requirements for DJFS awarding financial assistance for family services duties when there is no fiscal agreement in effect between the Director of DJFS and a board of county commissioners.

Permits the Director of DJFS to enter into one or more operational agreements with boards of county commissioners.

Requires DJFS to require a county department of job and family services (CDJFS), child support enforcement agency (CSEA), or public children services agency (PCSA) to develop, submit to DJFS for approval, and comply with a corrective action plan if DJFS determines that the CDJFS, CSEA, or PCSA has failed to comply with a performance or other administrative standard other than a standard required by federal law or established for an incentive.

Eliminates the authority of a board of county commissioners to designate any private or government entity to serve as the county's workforce development agency.

Provides that fiscal agreements are not required to: (1) permit the exchange of information needed to improve services and assistance to individuals and families and the protection of children, (2) be coordinated and not conflict with certain plans and procedures, or (3) prohibit discrimination in hiring and promotion against applicants for and participants of the Ohio Works First Program and the Prevention, Retention, and Contingency Program.

Authorizes DJFS, at its sole discretion and subject to available federal funds and appropriations made by the General Assembly, to reimburse county expenditures for administration of food stamps and Medicaid even though the expenditures meet or exceed the maximum allowable reimbursement if the board of county commissioners has entered into a fiscal agreement.

Revises the law governing DJFS taking action against a board of county commissioners, CDJFS, CSEA, or PCSA regarding family services duties, including modifying the reasons why DJFS may take action and modifying and increasing the actions DJFS may take.

Revises the administrative review process available under certain circumstances to a board of county commissioners, CDJFS, CSEA, or PCSA against which DJFS proposes to take action.

Permits DJFS to certify a claim to the Attorney General for the Attorney General to take action against a responsible entity to recover funds that DJFS determines the responsible entity owes DJFS for certain actions that DJFS takes against the responsible entity.

Permits DJFS to adopt rules establishing reporting requirements for family services duties.

Would have required, rather than permitted, DJFS to maximize its receipt of federal revenue (VETOED).

Changes dates for submission of DJFS program participation reports.

Limits the activities of DJFS and its divisions as a designated voter registration program agency to the duties and requirements prescribed by the Secretary of State and state and federal law.

Provides for establishment of procedures to be followed when releasing information regarding a public assistance recipient.

Requires law enforcement agencies to provide, on request, certain information about a public assistance recipient to DJFS or a county agency to enable DJFS or the county agency to determine public assistance eligibility.

Specifies that appeals of decisions involving family services programs are not subject to reimbursement of attorney fees.

Unemployment compensation

Creates the Federal Operating Fund for the deposit of certain federal unemployment compensation funds received by the state that are related to the operation of public employment offices.

Eliminates job-listing requirements for any person or corporation contracting to do business with the state.

Eliminates an obsolete reference to private industry councils created by a federal act that has been repealed.

Renames accounts where federal money is deposited with the state for purposes of paying unemployment benefits, job search, relocation, transportation, and subsistence allowances, and alters the purposes for which federal money may be spent under the federal acts from which the funds are received.

Workforce development

Allows the Director of DJFS to enter into agreements with one-stop operators and one-stop partners to implement workforce development activities.

Child welfare

Requires that DJFS rules governing Title IV-E foster care and adoption assistance requirements that are applicable to private child placing agencies and private noncustodial agencies be adopted in accordance with the Administrative Procedure Act.

Requires DJFS to establish: (1) a single form for government entities that provide Title IV-E reimbursable placement services to children to report costs reimbursable under Title IV-E and costs reimbursable under Medicaid, and (2) procedures to monitor cost reports submitted by those government entities.

Requires DJFS to take specified actions against a government entity providing Title IV-E reimbursable placement services to children if the entity fails to comply with fiscal accountability procedures.

Provides for the Attorney General to take recovery actions if an inclusion or omission in a cost report for reimbursement of Title IV-E services causes a federal disallowance.

Permits counties to use funds allocated for child welfare to pay for any child welfare services authorized by state statutes governing public children services agencies rather than only for specified services.

Eliminates a requirement that a county's allocation be reduced if the county's expenditure for child welfare services in the previous calendar year was less than in the year preceding that year.

Requires a county to return unspent funds within 90 days after the end of each state fiscal biennium rather than the end of each fiscal year.

Provides that the Director of DJFS is permitted, rather than required, to adopt rules prescribing county reports on expenditures, and exempts the rules from notice and public hearing requirements.

Revises the law regarding provision of State Adoption Maintenance Subsidy (SAMS) and Post Adoption Special Services Subsidy (PASSS) payments on behalf of a child.

Eliminates the State Adoption Special Services Subsidy (SASSS) Program, but permits a public children services agency to continue to make SASSS payments on behalf

of a child for whom SASSS payments were being made prior to July 1, 2004, based on the child's individual need for services.

Permits the director of a public children services agency to waive the requirement that a newly hired caseworker undergo 90 hours of in-service training during the first year of employment if the caseworker is a social work graduate and participated in the University Partnership Program.

Permits DJFS to use surplus funds in the Putative Father Registry Fund for costs of promoting adoption of children with special needs and developing, publishing, and distributing forms and materials provided to parents who voluntarily deliver a child to an emergency medical service worker, peace officer, or hospital employee.

Eliminates a requirement that DJFS provide state matching funds to qualify for federal funds for former foster children under the Foster Care Independence Act of 1999.

Eliminates a requirement that the Director of DJFS provide domestic violence training programs to caseworkers in CDJFSs and PCSAs.

Eliminates a requirement that DJFS reimburse PCSAs for providing preplacement and continuing training for foster caregivers.

Permits DJFS to subsidize the operation of regional training centers by making grants to PCSAs that maintain centers.

Requires the Ohio Child Welfare Training Program to provide training for foster caregivers and adoption assessors.

Requires DJFS to provide, instead of reimbursement, an allowance for each hour of preplacement and continuing training that is provided by private child placing agencies or private noncustodial agencies.

Permits a private child placing agency or private noncustodial agency that is operating an approved training program for foster caregivers to contract with an individual or public or private entity to administer the training.

Child day-care

Requires the Director of DJFS to send to each licensed day-care provider notice, rather than copies, of proposed rules pertaining to licensure, and permits the Director to send copies of adopted rules in either paper or electronic form.

Eliminates the requirement that the Director send to county directors of job and family services copies of proposed and adopted rules regarding day-care provider licensure and notice of hearings on proposed rules.

Requires the Director to send to each county director of job and family services notice of proposed rules and electronic copies of adopted rules regarding the certification of Type B family homes and in-home aides.

Requires the Director to give 30 days' advance public notice of hearings on proposed rules regarding the certification of Type B homes and in-home aides.

Permits payments, in addition to reimbursements, to be made to providers of publicly funded child day-care.

Prohibits DJFS from reducing the initial and continued eligibility level for publicly funded child day-care below 150% of the federal poverty line during FY 2004 and FY 2005.

Prohibits ODJFS from disenrolling, during the fiscal biennium, families that have incomes at or below 165% of the federal poverty line and do not otherwise cease to qualify for publicly funded child day-care if: (1) the family enrolls in the program before June 9, 2003, or (2) the family's income at the time of enrollment is at or below 150% of the federal poverty line.

Food Stamp Program

Requires DJFS to implement a federally authorized exemption to the Food Stamp Program's work requirement for FY 2004 and FY 2005.

Title IV-A Temporary Assistance for Needy Families

Provides that federal funds available under the Temporary Assistance for Needy Families (TANF) block grant are among the funds DJFS may distribute for publicly funded child day-care.

Provides that a minor who is not married is no longer to be considered a "minor head of household" for purposes of Ohio Works First (OWF) and, therefore, is not subject to certain requirements, including work activity requirements.

Eliminates the requirement that the Director of DJFS evaluate the Learning, Earning, and Parenting (LEAP) component of OWF.

Limits participation in LEAP, which encourages school attendance by OWF recipients who are parents or pregnant, to individuals who are under age 18, or age 18 and in school, instead of under age 20.

Requires CDJFSs to provide LEAP participants with support services, including publicly funded day-care, transportation, and other services.

Provides that the disqualification for OWF that is applicable to individuals residing in a jail or other public institution does not apply to a child in a prison nursery program.

Eliminates the requirement that DJFS develop a model design for the Prevention, Retention, and Contingency (PRC) Program.

Requires each CDJFS to adopt a written statement of policies governing the PRC Program for the county no later than October 1, 2003, and update the statement at least every two years thereafter.

Establishes requirements for a CDJFS adopting the statement of policies, including a requirement that either: (1) public and local government entities be provided at least 30 days to submit comments, or (2) the county family services planning committee review the statement.

Requires that a county's statement of policies include the board of county commissioners' certification that the CDJFS complied with state law governing the PRC Program.

Provides that eligibility for a benefit or service under a county's PRC Program is to be certified if the benefit or service does not have a financial need eligibility requirement and to be based on an application and verification if the benefit or service has a financial need eligibility requirement.

Allows a board of county commissioners to contract with a private or government entity to make eligibility determinations and certifications for the county's PRC Program.

Provides that each CDJFS is responsible for funds expended or claims under the county's PRC Program that are determined to be expended or claimed in an impermissible manner.

Provides that the county share of public assistance expenditures for the OWF and PRC Programs is at least 75% and no more than 82% of the county share of expenditures during fiscal year 1994 under the former Aid to Dependent Children and Job Opportunities and Basic Skills Training Program and cannot exceed the state's maintenance of effort percentage for TANF.

Medicaid

Would have enacted in statute a previously adopted DJFS rule governing the treatment of certain trusts when determining Medicaid eligibility (VETOED).

Requires the person responsible for the estate of a decedent who was age 55 or older to investigate whether the decedent received services under Medicaid and to notify the Medicaid Estate Recovery Program if services were received.

Requires the administrator of the Medicaid Estate Recovery Program to file a claim against the estate within 90 days after receiving notice of the decedent's receipt of Medicaid assistance or within one year of the decedent's death, whichever is later.

Permits a financial institution to release the decedent's account proceeds to the administrator of the Medicaid Estate Recovery Program in certain circumstances.

Would have required DJFS to inform parents, both by oral and written communication, of the components of a Medicaid Health Check examination of a child (VETOED).

Would have required DJFS to obtain parental consent before performing a Medicaid Health Check examination on a child (VETOED).

Eliminates provisions that required DJFS to establish a program for substance abuse assessment and treatment referral of pregnant Medicaid recipients required to receive medical services through a managed care organization.

Requires DJFS to establish in some or all counties a care management system in which designated Medicaid recipients are required or permitted to participate.

Would have required, by July 1, 2004, that some of the designated participants include Medicaid recipients who are aged, blind, and disabled (VETOED).

Would have required DJFS to develop a pilot program under which chronically ill children would have been included among the Medicaid recipients required to participate in the care management system (VETOED).

Permits DJFS to require a health insuring corporation under a Medicaid contract to provide prescription drug coverage to its enrollees.

Requires DJFS to appoint a temporary manager for a managed care organization under contract with DJFS if DJFS determines that the managed care organization has repeatedly failed to meet substantive requirements in federal Medicaid law.

Permits DJFS to disenroll Medicaid recipients from a managed care organization if DJFS proposes to terminate or not to renew the organization's contract.

Eliminates provisions referring to the Medicaid Managed Care Study Committee, which no longer exists.

Would have created the Medication Management Incentive Payment Program to reimburse participating pharmacy providers that reduce Medicaid costs by providing consulting services (VETOED).

Eliminates from the Director of DJFS's examination of instituting a Medicaid copayment program a determination of which groups of recipients are appropriate for a program designed to reduce inappropriate and excessive use of medical goods and services.

Would have specified that, if the Director of DJFS establishes a Medicaid supplemental rebate program with a drug manufacturer under continuing law, drugs produced by the manufacturer for the treatment of mental illness, HIV, or AIDS would have to be exempt from the program and from "prior authorization or any other restriction" unless there was a generic equivalent (VETOED).

Would have required that an advisory council be appointed to review proposals submitted by individuals and private entities seeking to contract with DJFS to administer the preferred drug list and supplemental drug rebate program under Medicaid and to select the individual or private entity to be awarded the contract (VETOED).

Would have required the Medicaid program to continue to cover dental, podiatric, and vision care services for FY 2004 and FY 2005 in at least the amount, duration, and scope it had been covering those services (VETOED).

Eliminates chiropractors from the definition of "physician" for the purpose of the Medicaid program.

Includes, subject to federal approval, assertive community treatment and intensive home-based mental health services as reimbursable services under the community mental health component of Medicaid.

Requires DJFS to request federal approval by May 1, 2004, for the assertive community treatment and intensive home-based mental health services.

Requires the Director of DJFS to adopt rules, on receipt of federal approval, establishing statewide access and acuity standards for partial hospitalization and for assertive community treatment and intensive home-based mental health services provided under the community mental health component of Medicaid.

Eliminates the requirement that Medicaid reimbursement for community mental health services be based on the prospective cost of providing the services.

Requires the Director of DJFS to modify the manner or establish a new manner in which community mental health facilities and providers of alcohol and drug addiction services are paid under the Medicaid program.

Would have required that the modified or new manner include a provision for obtaining federal financial participation (VETOED).

Subjects to the approval of the Director of Budget and Management contracts between DJFS and the Department of Mental Health or Department of Alcohol and Drug Addiction Services regarding administration of a Medicaid component.

Provides that the Department of Mental Health or the Department of Alcohol and Drug Addiction Services, as appropriate, and boards of alcohol, drug addiction, and mental health services must pay the nonfederal share of any Medicaid payment to a provider for services included in such a contract.

Requires DJFS to pay children's hospitals an amount that equals the inflation adjustment not paid for the period beginning January 1, 2003 and ending May 31, 2003.

Requires that Medicaid payments to children's hospitals for FY 2004 and FY 2005 include the inflation adjustment provided for in rules that were in effect on December 30, 2002.

Provides for a specified inflation adjustment under Medicaid for hospital outpatient services for each year in the 2004-2005 biennium.

Establishes caps on the mean total per diem rate that Medicaid is to pay nursing facilities and intermediate care facilities for the mentally retarded for FY 2004 and FY 2005.

Would have provided, with exceptions, that the number of intermediate care facility for the mentally retarded (ICF/MR) beds eligible for Medicaid payments during FY 2004 and FY 2005 could not be higher than the number of such beds eligible for such payments on what would have been the effective date of this provision (VETOED).

Requires that a nursing facility filing its 2003 and 2004 Medicaid cost reports report as a nonreimbursable expense the cost of 76.74% of the franchise permit fee that the facility pays for the time covered by those cost reports and that a nursing facility's 2005 cost report report as a nonreimbursable expense the cost of 76.74% of the franchise permit fee that the facility pays for the first half of that cost reporting period.

Provides that the amount of the ICF/MR franchise permit fee for FY 2004 and FY 2005 is the same as in FY 2003 that is, \$9.63 per bed per day.

Eliminates a requirement that DJFS provide copies of proposed and final Medicaid rules and proposed rules to nursing facilities and ICFs/MR that participated in Medicaid.

Requires a nursing facility participating in Medicaid to qualify all of the facility's Medicaid-certified beds in the Medicare program.

Adds a representative of Medicaid recipients residing in nursing facilities to the Nursing Facility Reimbursement Study Council.

Requires the Nursing Facility Reimbursement Study Council to meet quarterly beginning August 1, 2003, and, in addition to issuing periodic reports, to issue a report on its activities, findings, and recommendations to the Governor, Speaker of the House of Representatives, and President of the Senate by July 30, 2004.

Would have required the Director of DJFS to seek federal funds to defray certain administrative costs incurred by a county board of mental retardation and developmental disabilities (county MR/DD board) pursuant to its Medicaid local administrative authority if the county board has claimed the costs in accordance with rules promulgated by DJFS (VETOED).

Permits the Director of Mental Retardation and Developmental Disabilities to request that the Director of DJFS apply for Medicaid waivers for home and community-based services for individuals with mental retardation or developmental disabilities as an alternative to placement in ICFs/MR.

Permits DJFS to seek approval for one or more Medicaid waivers under which home and community-based services are provided in the form of either or both of the following: (1) early intervention services for children under age three that are provided or arranged by a county MR/DD board, or (2) therapeutic services for children who have autism and are under age six at the time of enrollment.

Codifies previously enacted uncodified law that authorizes the Director of DJFS to establish the Ohio Access Success Project, which may provide benefits to help a Medicaid recipient make the transition from a nursing facility to a community setting.

Authorizes a request to be made for federal Medicaid waivers under which two programs for home and community-based services may be created and implemented in place of the Ohio Home Care Program.

Permits the replacement programs to have a maximum number of enrollees, a maximum amount that may be spent for each enrollee each year, and a maximum aggregate amount that may be expended for all enrollees each year.

Authorizes elimination of the Ohio Home Care Program after all eligible individuals have been transferred to the replacement programs.

Requires criminal records checks of applicants for a position to provide home and community-based waiver services to persons with disabilities through a DJFS-administered home and community-based waiver agency.

Requires criminal records checks of independent providers in a DJFS-administered home and community-based services program providing home and community-based waiver services to consumers with disabilities.

Creates the Ohio Commission to Reform Medicaid to conduct a comprehensive review of Ohio's Medicaid program.

Requires DJFS to complete a study by June 1, 2004, of the feasibility of expanding Medicaid coverage for breast and cervical cancer treatment by including women who received screenings that were not paid for with federal funds distributed as grants to early detection programs.

Provides that during the period beginning April 1, 2003 and ending June 30, 2004, the reimbursement rate for all Medicaid service expenditures paid by state or local entities is to be the "non-enhanced rate."

Hospital Care Assurance Program

Delays the termination date of the Hospital Care Assurance Program (HCAP) from October 16, 2003 to October 16, 2005.

Removes a reference to the termination date of HCAP from the statutes that describe the moneys included in the Health Care Services Administration Fund.

Grants the Director of DJFS authority to set penalties for failure of hospitals to comply with HCAP requirements.

Shifts the deposit of penalty revenue from the General Revenue Fund to the Health Care Services Administration Fund, which is to be used to pay costs of administering the Medicaid program.

Disability Financial Assistance and Disability Medical Assistance Programs

Replaces the Disability Assistance Program with separate programs for financial assistance (Disability Financial Assistance) and medical assistance (Disability Medical Assistance).

Limits eligibility for Disability Financial Assistance to persons who are either: (1) unable to do any substantial or gainful activity due to physical or mental impairment lasting at least nine months, or (2) age 60 or older on the day before the effective date of this provision and who applied before that deadline.

Limits eligibility for Disability Medical Assistance to persons who are "medication dependent," but permits medical assistance to continue for persons receiving it under the prior program until their eligibility has been redetermined.

Authorizes the adoption of rules for either program that establish maximum benefits, time-limits for receiving assistance, limits on the total number of persons to receive assistance, procedures for suspending acceptance of new applications, and other revisions for limiting program costs.

Permits contracts to be entered into with any public or private entity for the administration of Disability Medical Assistance.

Title XX social services

Provides that state law governing the administration of Title XX social services funds does not apply to funds received from a federal funding source other than the Title XX social services block grant.

JOINT COMMITTEE ON AGENCY RULE REVIEW

Requires the Chief Administrative Officer of the House of Representatives and the Clerk of the Senate to determine, by mutual agreement, which of them will act as the fiscal agent for the Joint Committee on Agency Rule Review.

JOINT LEGISLATIVE ETHICS COMMITTEE

Increases from \$10 to \$25 the registration fee that each legislative agent and employer, and each executive agency lobbyist and employer, are charged for filing an initial registration statement.

Specifies that all money collected from these registration fees must be deposited into the General Revenue Fund rather than the Joint Legislative Ethics Committee Fund.

Generally requires the Joint Legislative Ethics Committee (JLEC) to impose a late filing fee of \$12.50 per day, up to a maximum fee of \$100, on an executive agency lobbyist or a lobbyist's employer who fails to file a registration statement or an amended registration statement within a 15-day period after receiving a specified notice.

Eliminates the requirement that JLEC notify the Attorney General and other public officials of an executive agency lobbyist's or the lobbyist's employer's failure to so file a registration statement or amended registration statement.

JUDICIARY

Creates one additional judge for the Richland County Court of Common Pleas to be elected in 2004 as judge of the Juvenile Division of the court.

Specifies which cases will be assigned to and heard by the judge of the Domestic Relations Division and judge of the Juvenile Division of the Richland County Court of Common Pleas.

Increases from \$11 to \$15 the additional costs that a court generally is required to impose on an offender who is convicted of or pleads guilty to any offense other than a traffic offense that is not a moving violation, and increases from \$11 to \$15 the amount that the court is required to add to any bail to be paid by a person who is charged with any offense other than a traffic offense that is not a moving violation.

Increases from \$11 to \$15 the additional costs that a juvenile court generally is required to impose on a child who is found to be a delinquent child or a juvenile traffic offender for committing an act that, if committed by an adult, would be an offense other than a traffic offense that is not a moving violation.

Would have limited the right to appointed counsel in juvenile court in certain actions relating to the custody and support of a child and certain proceedings conducted under the Parentage Laws (VETOED).

LEGAL RIGHTS SERVICE COMMISSION

Modifies the authority of the Legal Rights Service Commission and of the administrator of the Legal Rights Service.

OHIO LOTTERY COMMISSION

Amends the definition of "court of competent jurisdiction" for purposes of the Lottery Prize Award Transfer (LPAT) Law.

Eliminates the requirement in the LPAT Law that, in order for a court to approve a transfer of a lottery prize award when the transferor was a prize winner, the court had to find that the prize winner had established that the transfer was fair and reasonable and in the prize winner's best interest.

Provides in the LPAT Law that, if all other conditions necessary for a court's approval of a transfer of a lottery prize award are met, the transfer must be presumed to be fair and reasonable and in the best interests of the prize winner.

Eliminates the State Lottery Commission's power to conduct lotteries in order to disburse unclaimed prize awards as well as the Unclaimed Lottery Prizes Fund.

Requires all unclaimed lottery prize awards to be returned to the State Lottery Fund.

Requires the Commission's Director to deduct from lottery prize award payments amounts in satisfaction of certain state-owed debts.

DEPARTMENT OF MENTAL HEALTH

Requires the Director of Mental Health to include assertive community treatment and intensive home-based mental health services in rules establishing certification standards for community mental health services.

DEPARTMENT OF MENTAL RETARDATION AND DEVELOPMENTAL DISABILITIES

Requires that the rules of the Department of Mental Retardation and Developmental Disabilities (DMR/DD) for licensing and regulating residential facilities include rules for intermediate care facilities for the mentally retarded (ICFs/MR), and provides that those rules may differ from the rules for other residential facilities.

Provides that, when a resident of a residential facility is committed to a state-operated ICF/MR, DMR/DD must reduce by one the number of residents for which the facility is licensed unless certain criteria are met.

Permits the Department of Job and Family Services, if the licensed capacity of a residential facility that is an ICF/MR is reduced, to transfer to DMR/DD the nonfederal share of Medicaid expenditures saved, which are to be used to cover the committed resident's care in the state-operated ICF/MR.

Repeals the moratorium on new residential facility beds in effect until October 15, 2003, and establishes a permanent cap on the number of beds in residential facilities licensed by the Director of DMR/DD.

Would have required, if certain conditions were satisfied, the Director of DMR/DD to issue one or more residential facility licenses to an applicant without requiring the applicant to have development plans submitted, reviewed, or approved and notwithstanding the cap on the number of beds in residential facilities (VETOED).

Would have provided that an ICF/MR that obtained a residential facility license pursuant to the above vetoed provision regarding licensure without development approval was subject to a \$24.59 cost of ownership per diem cap under Medicaid rather than a \$19.76 cap (VETOED).

Makes DMR/DD responsible for the nonfederal share of Medicaid claims for ICF/MR services if: (1) the services are provided on or after July 1, 2003, (2) the ICF/MR receives initial ICF/MR certification on or after June 1, 2003, (3) the ICF/MR, or a portion of it, is licensed as a residential facility, and (4) there is a valid Medicaid provider agreement for the ICF/MR.

Requires, with certain exceptions, DMR/DD to use funds otherwise allocated to a county board of mental retardation and developmental disabilities (county MR/DD board) to cover the nonfederal share of the cost of Medicaid services to an individual committed to a state-operated ICF/MR if the individual received supported living or home and community-based services funded by the county MR/DD board.

Establishes a priority category in waiting lists established by county MR/DD boards for individuals residing in a nursing facility who are eligible for home and community-based services and willing and able to move.

Provides that a county MR/DD board may use until December 31, 2005, rather than December 31, 2003, rules establishing criteria for determining the order in which two or more individuals with the same priority for Medicaid-funded home and community-based services administered by DMR/DD may be offered the services.

Continues for the 2004 and 2005 biennium a limitation that not more than 400 individuals may receive priority on county MR/DD boards' waiting lists for DMR/DD-administered home and community-based services on the basis of being under age 22 and meeting certain other conditions.

Requires DMR/DD to distribute certain payments to county MR/DD boards quarterly.

Eliminates provisions requiring that measures had to be taken to apprehend a person who escaped from an institution controlled by DMR/DD and that the institution had to bear the cost of the person's return.

Allows a person discharged from an institution controlled by DMR/DD to be given the personal items purchased in implementing the person's habilitation plan regardless of the funding source used to purchase the items.

Creates the Ohio Autism Task Force consisting of 22 members to study and make recommendations regarding the growing incidence of autism in Ohio and ways to improve the delivery of autism services in Ohio.

Provides that the Task Force ceases to exist on submission of a report of its recommendations to the Governor, Speaker of the House of Representatives, and President of the Senate.

DEPARTMENT OF NATURAL RESOURCES

Repeals the Civilian Conservation Law, thus eliminating the Division of Civilian Conservation in the Department of Natural Resources, the Civilian Conservation Advisory Council, civilian conservation programs, and all related statutory provisions.

Beginning not later than five years after the applicable effective date, requires one of the seven members of the Reclamation Commission to be an attorney who is familiar with mining issues.

Indefinitely extends authorization for investment earnings of the Clean Ohio Trail Fund, which are credited to the Fund, to be used to pay costs incurred by the Director of Natural Resources in administering the Clean Ohio recreational trails grants program.

With respect to the fee that must be paid to obtain a permit from the Chief of the Division of Water for the construction of a dam, increases the amounts in the statutorily established fee schedule, authorizes the Chief to adopt rules establishing fee amounts that supersede the amounts in that schedule, and requires political subdivisions to pay the higher fee amounts that are applicable to all other permit applicants.

With respect to the annual fee that an owner of a dam must pay to the Division of Water, requires the Chief to adopt rules establishing fee amounts that supersede the amounts in the statutorily established fee schedule, increases the fee amount in that schedule for Class I dams, subjects political subdivisions to the fee requirement, and clarifies that the federal government is exempt from the fee requirement.

Increases the fees for hunting and fishing licenses, permits, and stamps that are issued by the Division of Wildlife.

Requires free hunting, trapping, and fishing licenses to be issued to Ohio residents applying for them who were born on or before December 31, 1937, rather than to those who are 66 years of age or older as under former law, requires Ohio residents who are at least 66 years of age, other than those born on or before that date, to purchase special senior fishing, hunting, fur taking, and deer or wild turkey licenses or permits, establishes the fee for each as one-half the regular license or permit fee, requires such residents to pay the regular fee for wetlands habitat stamps, and eliminates the exemption that allowed residents at least 66 years old to take or catch frogs and turtles without a fishing license.

Requires applicants for a hunting license who are nonresidents of Ohio and who are under 16 years of age to obtain the special youth hunting license created under continuing law rather than the more expensive nonresident hunting license that they were required to obtain under prior law, and creates a special youth deer permit and a special youth wild turkey permit, the fee for which is one-half of the regular special deer or wild turkey permit fee.

Removes permission for managers and their children who reside on lands in Ohio to hunt and trap on those lands without obtaining the necessary license or permit to do so.

Expands the nonprofit organizations that are eligible to receive contributions from the Wetlands Habitat Fund to include such organizations in the United States.

Authorizes, rather than requires, licenses, stamps, and permits that are required under the law governing hunting and fishing to be issued by authorized officials and agents; revises both the information that applicants for certain licenses, stamps, and permits must provide and the manner in which the information must be provided; allows the purchase of licenses, stamps, and permits via the internet; and provides for the payment by applicants of a nominal fee for credit card transactions.

Increases fees for various other licenses, permits, and stamps that are issued by the Division of Wildlife, increases the amount of royalty fees for specified species of fish taken commercially, and increases the per-net fee for persons authorized to use nets in specified areas of the Ohio River.

Requires proceeds from the sale of wildlife conservation stamps to be deposited into the Nongame and Endangered Wildlife Fund instead of into the Wildlife Fund.

Eliminates the authority of the Chief of the Division of Wildlife to issue permits for the propagation and sale of live fish and fish food for stocking private ponds.

Abolishes the Magee Marsh State Public Hunting Area.

Authorizes, rather than requires, the Division to issue a commercial propagating license, noncommercial propagating license, or raise to release license if specified requirements are met.

Allocates 25% of the money from the sale of standing timber from state forest lands and nurseries to the State Forest Fund and 75% to the General Revenue Fund rather than 100% to the GRF as in former law; clarifies that the money that is distributed to counties, townships, and school districts from the sale of products from state forest lands consists of amounts that have been credited to the GRF from the sale of standing timber; and changes the amount that is so distributed from 80% of the gross value to 65% of the net value of the standing timber.

Repeals uncodified law that established a new two-year formula for the distribution of money from the salvage and sale of timber and other forest products from the state forests other than the Shawnee Wilderness Area that had been felled or damaged by weather or other natural forces or conditions.

Prohibits the Department of Natural Resources from charging a fee in FY 2004 and FY 2005 for the privilege of entering a state park or a nature preserve.

Recreates the Muskingum River Advisory Council that expired on December 31, 2002.

OHIO BOARD OF NURSING

Permits a licensed practical nurse to qualify for an intravenous therapy card through a course of study completed in a prelicensure education program, and specifies that an issuance fee for the card is not to be charged to nurses who qualify in this manner.

Provides that licensed practical nurses who seek an intravenous therapy card by completing a 40-hour post-licensure course must successfully demonstrate the skills needed for safe performance of intravenous procedures rather than successfully perform three venipunctures.

Permits the Board of Nursing to sponsor and collect fees for continuing education activities.

Creates new and increases certain continuing Board of Nursing fees.

DEPARTMENT OF REHABILITATION AND CORRECTION

Provides an administrative procedure for the resolution of claims of inmates of state correctional institutions for the loss of or damage to property that do not exceed \$300.

Would have required the Parole Board to review the appropriateness of the length of sentences of current prisoners who were sentenced under the Felony Sentencing Law that was in effect prior to July 1, 1996, and to determine whether the length of any of those sentences should be adjusted, and would have required the Parole Board to submit a report of its findings and recommendations to the General Assembly within one year after the provision's effective date (VETOED).

RETIREMENT SYSTEMS

Establishes public notice and hearing requirements for certain Public Employees Retirement System (PERS), State Teachers Retirement System (STRS), and School Employees Retirement System (SERS) retirants continuing in or returning to their PERS-, STRS-, or SERS-covered position.

Modifies an exception to law penalizing the retirement benefits of a PERS retirant who is elected to the public office held at the time of retirement by changing the deadline for filing a notice of intent to retire.

STATE BOARD OF SANITARIAN REGISTRATION

Increases various registration fees for sanitarians and sanitarians-in-training.

OHIO SCHOOL FACILITIES COMMISSION

Terminates the following programs administered by the Ohio School Facilities Commission: the Short-Term Loan Program, the Emergency School Repair Program, and the Disability Access Program.

Permits school districts with territories larger than 300 square miles to participate in the Exceptional Needs Program regardless of wealth ranking.

Directs the Commission to allocate solely to the Classroom Facilities Assistance Program any leftover funds that had been appropriated and allocated during a biennium to any other programs administered by the Commission.

Eliminates the restriction against certain low-wealth school districts simultaneously participating in the Expedited Local Partnership Program and the Exceptional Needs Program.

Repeals and reenacts law that permits a school district to dedicate the proceeds of a permanent improvement levy or school district income tax to leverage securities to pay its local share of a state-funded school facilities project or to generate funds for maintenance of those facilities, and adds a new provision requiring the district to continue levying the tax as long as the securities are outstanding.

Removes the requirement that an existing permanent improvement levy be for at least two mills in order to satisfy the maintenance obligation under a state-assisted classroom facilities project.

Repeals the provision that permitted a school district participating in most classroom facilities assistance programs to apply certain expenditures of local resources made 18 months prior to notice of eligibility for state funds toward the district's share of the project costs.

Except for continued application to certain school districts, repeals the provision that permitted a school district participating in the Expedited Local Partnership Program to apply certain expenditures of local resources made 18 months prior to September 14, 2000, toward the district's share of the project costs.

Permits a school district to renovate rather than replace an existing classroom facility under a state-assisted project using project funds up to the estimated amount of new construction as long as certain conditions are satisfied.

Lengthens the maximum period of the reimbursement schedule from five years to ten years for a school district to pay back its share of additional costs incurred to correct oversights or deficiencies in the initial assessment of the district's facilities needs.

Prohibits the School Facilities Commission from releasing state funds for a state-assisted classroom facilities project to a school district, except for certain funds for demolition, until the district has complied with the continuing requirement to first offer for sale to start-up community schools within the district any real property the district plans to dispose of.

Specifically permits the Commission to delegate to any of its members, executive director, or other employees the Commission's powers and duties.

OHIO SCHOOLNET COMMISSION

Adds two voting members appointed by the Governor to the Ohio SchoolNet Commission.

SECRETARY OF STATE

Changes the requirement that a person appointed as a notary public be a citizen of Ohio or be a non-citizen of Ohio who is an attorney admitted to the practice of law in Ohio to a requirement that the person be a legal resident of Ohio or a nonresident of Ohio who is an attorney admitted to the practice of law in Ohio.

Increases from \$5 to \$15 the fee that each nonattorney receiving a commission as a notary public must pay to the Secretary of State.

Increases from \$10 to \$15 the fee that each attorney admitted to the practice of law by the Ohio Supreme Court receiving a commission as a notary public must pay to the Secretary of State.

Provides that the Secretary of State, not the Governor, is responsible for all duties concerning the commissioning of certain special police officers, and raises the application fee for such a commission.

Changes from the 75th day before the general election to the 60th day before the general election the date by which candidates nominated by the national convention of a political party and candidates selected by an intermediate or minor political party must be certified to the Secretary of State for placement on the presidential ballot.

Changes from the 60th day before the general election to the 55th day before the general election the date on which the Secretary of State must certify the form of the official presidential ballot to the county boards of elections.

Increases from 1,000 to 1,400 the maximum number of electors that a board of elections may assign to a precinct after taking into consideration the type and amount of available equipment, prior voter turnout, the size and location of each polling place, available parking, availability of poll workers, and handicapped and other accessibility to each polling place.

Includes in the list of election supplies that boards of elections must provide to each polling place any materials, postings, or instructions that are required to comply with state or federal law.

Requires boards of elections to follow the instructions and advisories of the Secretary of State in the production and use of polling place supplies.

Permits the Secretary of State, in approving the form of an official ballot, to authorize the use of fonts, type face settings, and ballot formats other than those prescribed by statute.

Would have prohibited the Secretary of State from issuing instructions requiring a board of elections to be in full compliance with the Help America Vote Act of 2002 prior to January 1, 2005, or otherwise specifying a date earlier than January 1, 2005 by which a board of elections must be in full compliance with that act (VETOED).

Would have required the Secretary of State to apply for a waiver of any applicable deadlines for the implementation of the Help America Vote Act of 2002 earlier than January 1, 2005, except that the application could not have precluded a county board of elections from choosing to fully comply with that act prior to that date (VETOED).

Would have prohibited the Secretary of State from deciding any tie votes or disagreements of a board of elections regarding whether it would fully comply with the Help America Vote Act of 2002 prior to January 1, 2005 (VETOED).

Specifies that, for the purpose of signing or affixing signatures to petitions or other documents that are filed under the Election Law, "signature" generally means a person's written, cursive-style legal mark, written in the person's own hand, but that, for a person who does not use a cursive-style legal mark in the course of the person's regular business and legal affairs, "signature" instead means the person's other legal mark that the person uses during the course of those affairs that is written in the person's own hand.

Requires the mark of an elector as it appears on the elector's voter registration record to be considered the legal mark of that elector for the purpose of the Election Law.

DEPARTMENT OF TAXATION

Sales and use tax

Increases the sales and use tax rate and the vendors' excise tax from 5% to 6% for sales made between July 1, 2003, and June 30, 2005, but reduces the rate back to 5% on and after July 1, 2005.

Vetoed: December 12, 2003

The act was vetoed by the Governor. It would have done all of the following:

Enacted mechanisms for taking and using, in a criminal proceeding or delinquent child proceeding, the deposition of a victim of a specified offense who is a mentally retarded or developmentally disabled person.

Provided for closed circuit telecast into the courtroom of testimony of such a victim that was taken outside the courtroom, recording the testimony of the victim for showing in the courtroom, and, in criminal proceedings, use of preliminary hearing testimony.

Created the offense of patient endangerment that consisted of a prohibition against a mental retardation and developmental disabilities (MR/DD) caretaker creating a substantial risk to the health or safety of a mentally retarded or developmentally disabled person and a prohibition against a person who owns, operates, administers, or is an agent of a care facility condoning or knowingly permitting any such conduct by an MR/DD caretaker under that person's control.

Specified that an MR/DD employee could not have sexual contact with a person with mental retardation or another developmental disability for whom the employee was employed or under a contract to provide care.

Required that annual notice be provided to each MR/DD employee regarding the conduct for which an MR/DD employee may be included in the registry regarding misconduct by MR/DD employees.

Required each county board of mental retardation and developmental disabilities (county boards of MR/DD) to prepare a memorandum of understanding related to abuse, neglect, and exploitation of persons in the county who are mentally retarded or developmentally disabled.

Modified the law regarding reporting of abuse or neglect of a person with mental retardation or a developmental disability by: (1) requiring a person in any profession that

is subject to the mandatory reporting requirement to make a report when the person had reason to believe that a person with mental retardation or a developmental disability faced a substantial risk of suffering any wound, injury, disability, or condition of such a nature as to reasonably indicate abuse or neglect, (2) revising the entity to which reports are made in specified circumstances, (3) limiting the application of the mandatory reporting provisions to clergymen and persons who render spiritual treatment through prayer to circumstances in which they were employed in a position that included providing specialized services to an individual with mental retardation or another developmental disability and were acting in that capacity, (4) adding a limited exemption from the mandatory reporting requirement for attorneys and physicians, (5) specifying that any person who failed to make a mandatory report was eligible to be included in the registry regarding abuse by MR/DD employees, (6) requiring investigations of a report by a law enforcement agency or the Department of Mental Retardation and Developmental Disabilities (DMRDD) to be in accordance with the memorandum of understanding, (7) revising the penalties for specified violations of the reporting law, (8) requiring a county board that received a report in circumstances it believed were an emergency to attempt a face-to-face contact with the alleged victim within one hour, and (9) requiring DMRDD to adopt rules under the Administrative Procedure Act that provided standards for substantiation of reports.

Revised the law regarding reports of abuse, neglect, and misappropriation of property by an MR/DD employee and the registry of employees who have engaged in such conduct.

Required the prosecutor, in any case involving a victim that the prosecutor knew was a mentally retarded or developmentally disabled person, to send written notice of the charges to DMRDD.

Modified provisions regarding a probate court's issuance of an order authorizing a county board of MR/DD to arrange services for an adult with mental retardation or a developmental disability.

Added "patient endangerment" to convictions for which the Bureau of Criminal Identification and Investigation checks when conducting a records check of persons under final consideration for appointment or employment with DMRDD, county boards of MR/DD, and entities under service contracts with a county board.

Created a mechanism to be used if the Governor announced an intent to close any developmental center, including an independent study by the Legislative Service Commission, the appointment of a Closure Commission, and the preparation of a report by the Closure Commission containing nonbinding recommendations.

Required specified health care, emergency, and law enforcement personnel to notify the office of the coroner when any mentally retarded or developmentally disabled person died.

Permitted DMRDD or a county board of MR/DD to seek a court order for an autopsy or post-mortem examination if a person with mental retardation or a developmental disability died under suspicious circumstances.

Clarified that a provision requiring a court to appoint an interpreter to assist a party or witness to a legal proceeding applies to the language and descriptions of any mentally retarded or developmentally disabled person who cannot be reasonably understood, or cannot understand questioning, without the aid of an interpreter.

Provided evaluation standards for the appointment of interpreters.

Expanded the professions that are subject to the mandatory child abuse and neglect reporting provision to include superintendents, board members, and employees of a county board of MR/DD, investigative agents contracted with by a county board, and employees of DMRDD.

Specifies the circumstances in which the revocation or nonrevocation of a power of attorney may occur upon the termination of the marriage, or upon the entering into of a separation agreement, between the principal and the principal's spouse as attorney in fact.

Provides a procedure for the distribution of the trust estate when a probate court terminates, upon the trustee's motion, a trust with a current value of less than \$100,000.

Specifies when a minor, an incapacitated or unborn person, or a person whose identity or location is unknown and not reasonably ascertainable may be represented by or bound by another person with a substantially identical interest in a trust.

Specifies that generally a spendthrift provision in an instrument that creates an inter vivos or testamentary trust does not cause any forfeiture or postponement of any

interest in property that is granted to a surviving spouse of the testator or other settlor and that qualifies for the qualified terminable interest property deduction allowed under the exemptions to the taxable estate for Ohio estate tax purposes.

Specifies that generally an instrument that creates an inter vivos or testamentary trust does not require or permit the accumulation for more than one year of any income of property that is granted to a surviving spouse of the testator or other settlor and that qualifies for the qualified terminable interest property deduction allowed under the exemptions to the taxable estate for Ohio estate tax purposes.

Modifies the qualified civil immunity of volunteer health care professionals to cover medical, dental, or other health-related diagnosis, care, or treatment provided by them to indigent and uninsured persons regardless of where the diagnosis, care, or treatment is provided.

Expands the requirements with which a health care professional must comply prior to providing diagnosis, care, or treatment in order for the qualified immunity to apply to include notice to an indigent and uninsured person that by giving informed consent the person cannot hold the health care professional liable for damages unless the professional's action or omission constitutes willful or wanton misconduct.

Expands the health care professionals to whom the qualified civil immunity applies by including occupational therapists, occupational therapy assistants, physical therapist assistants, respiratory care professionals, speech-language pathologists, and audiologists, licensed under Ohio law, and specifies that individuals holding a certificate of authority that authorizes the practice of nursing as a certified registered nurse

anesthetist, clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner are health care professionals.

Modifies the qualified civil immunity of volunteer health care workers to cover medical, dental, or other health-related care or treatment provided by them to indigent and uninsured persons regardless of where the diagnosis, care, or treatment is provided.

Replaces "nonprofit shelter or health care facility" with "health care facility or location" in the civil immunity and related provisions, and extends the qualified civil immunity to cover specified health care facilities, including any hospital, clinic, ambulatory surgical facility, health care professional's office, training institution for health care professionals, or any other place where medical, dental, or other health-related diagnosis, care, or treatment is provided, that are associated with a volunteer health care professional or worker covered by the immunity.

Establishes qualified immunity from civil liability for nonprofit health care referral organizations and the health care facilities or locations associated with them.

Expands the number of indigent and uninsured persons who may be served by the health care facilities or locations and health care professionals and workers acting under the civil immunity or referred by nonprofit health care referral organizations acting under the civil immunity by specifying that the persons cannot have incomes exceeding 200%, rather than 150%, of the federal poverty line.

Allows retired physicians and dentists with volunteers' licenses to provide care to the expanded number of indigent and uninsured persons at any location.

Requires the Ohio Medical Malpractice Commission created in continuing law to perform additional duties pertaining to medical malpractice insurance and related matters applicable to volunteer health care professionals or workers and nonprofit health care referral organizations under the Good Samaritan Law.

Changes the date by which the State Board of Pharmacy must establish the drug repository program from April 7, 2004, to January 1, 2004.

Effective date: April 6, 2004

Authorizes a citizens' reward program recognized by a board of county commissioners under a provision of continuing law to enter into a written agreement of affiliation with a board of county commissioners in the county in which the program operates.

Requires an agreement of affiliation to do all of the following: (1) specify the relationship between the citizens' reward program, the county, and law enforcement agencies in the county, (2) specify that the citizens' reward program must account annually to the board of county commissioners for all funds raised by the organization from all sources and all funds expended by the organization for any purpose, (3) allow the citizens' reward program to itemize the sources of funds raised without referring to the name of the source, and (4) prohibit the citizens' reward program from divulging the identity of any person to whom a reward was paid.

As long as the agreement of affiliation remains in effect, generally requires municipal courts, county courts, and courts of common pleas in the county served by the board of county commissioners that entered into the agreement to impose the sum of \$1 as costs in any case in which a person is convicted of or pleads guilty to any offense other than a traffic offense, but permits the court, in the court's discretion, to remit this additional court cost to the offender.

Requires the clerk of each court to transmit all such moneys collected during a month on or before the 20th day of the following month to the affiliated citizens' reward program.

Prohibits a person from being placed or held in a detention facility for failing to pay the additional \$1 court costs that are required to be paid under the act.

Effective date: October 21, 2003; Sections 4 and 5 effective January 1, 2004

Increases from a fifth degree felony to a third degree felony the penalties for an offender who fails to comply with certain statutory provisions regarding a person's duties at the scene of an accident or collision when the accident or collision that is the basis of the violation results in the death of a person.

Expands the circumstances in which the offense of aggravated vehicular homicide committed as the proximate result of committing an OVI offense (operating a vehicle under the influence) is a first degree felony to also include circumstances in which, at the time of the offense, the offender previously has been convicted of or pleaded guilty to: (1) three or more prior violations of the continuing prohibition against operating or being in physical control of a vessel underway or manipulating any water skis, aquaplane, or similar device on Ohio waters while under the influence of alcohol or a drug of abuse or with a prohibited concentration of alcohol in the person's system, (2) three or more prior violations of the continuing prohibition against operating an aircraft while under the influence of intoxicating liquor, controlled substances, or other habit-forming drugs or of a substantially equivalent municipal ordinance within the previous six years, or (3) three or more violations of any combination of state OVI, state OVUAC (operating a vehicle after underage alcohol consumption), the offense described in item (1), the offense described in item (2), or a municipal ordinance substantially equivalent to any of those offenses.

Modifies a continuing circumstance in which the offense of aggravated vehicular homicide committed as the proximate result of committing an OVI offense is a first degree felony to refer to three or more prior, rather than three prior, state OVI or state OVUAC offenses or violations of substantially equivalent municipal ordinances within the previous six years.

Expands the offense of aggravated vehicular homicide to additionally prohibit a person, while operating or participating in the operation of a motor vehicle, motorcycle, snowmobile, locomotive, watercraft, or aircraft, from causing the death of another or the unlawful termination of another's pregnancy: (1) as the proximate result of violating the continuing prohibition against operating or being in physical control of a vessel, etc., while under the influence of alcohol or a drug of abuse or with a prohibited concentration of alcohol in the person's system or a substantially equivalent municipal ordinance, or (2) as the proximate result of violating the continuing prohibition against operating an aircraft while under the influence of intoxicating liquor, controlled substances, or other habit-forming drugs or a substantially equivalent municipal ordinance.

Provides that the penalty for the offense of aggravated vehicular homicide committed in violation of either prohibition described immediately above is the same as for aggravated vehicular homicide committed as the proximate result of committing an OVI offense, as modified by the act.

Expands the circumstances in which the offense of aggravated vehicular assault as the proximate result of committing an OVI offense is a second degree felony to also include circumstances in which, at the time of the offense, the offender previously has been convicted of or pleaded guilty to: (1) three or more prior violations of the continuing prohibition against operating or being in physical control of a vessel, etc., while under the influence of alcohol or a drug of abuse or with a prohibited concentration of alcohol in the person's system or a substantially equivalent municipal ordinance within the previous six years, (2) three or more prior violations of the continuing prohibition against operating an aircraft while under the influence of intoxicating liquor, controlled substances, or other habit-forming drugs or a substantially equivalent municipal ordinance within the previous six years, or (3) three or more violations of any combination of state OVI, state OVUAC, the offense described in item (1), the offense described in item (2), or a municipal ordinance substantially equivalent to any of those offenses.

Modifies a continuing circumstance in which the offense of aggravated vehicular assault committed as the proximate result of committing an OVI offense is a second degree felony to refer to three or more prior, rather than three prior, state OVI or state OVUAC offenses or violations of substantially equivalent municipal ordinances within the previous six years.

Expands the offense of aggravated vehicular assault to additionally prohibit a person, while operating or participating in the operation of a motor vehicle, motorcycle, snowmobile, locomotive, watercraft, or aircraft, from causing serious physical harm to another person or another's unborn: (1) as the proximate result of violating the continuing prohibition against operating or being in physical control of a vessel, etc., while under the influence of alcohol or a drug of abuse or with a prohibited concentration of alcohol in the person's system or a substantially equivalent municipal ordinance, or (2)

as the proximate result of violating the continuing prohibition against operating an aircraft while under the influence of intoxicating liquor, controlled substances, or other habit-forming drugs or a substantially equivalent municipal ordinance.

Provides that the penalty for the offense of aggravated vehicular assault committed in violation of either prohibition described immediately above is the same as for aggravated vehicular assault committed as the proximate result of committing an OVI offense, as modified by the act.

Effective date: March 9, 2004

In addition to the applicable penalty for theft under continuing law, permits the sentencing court to suspend the driver's, probationary driver's, or commercial driver's license, temporary instruction permit, or nonresident operating privilege of a person who commits a theft offense by causing a motor vehicle to leave the premises of an establishment at which gasoline is offered for retail sale without full payment for gasoline dispensed into the motor vehicle's fuel tank or another container.

Authorizes the sentencing court that suspends an offender's license, permit, or privilege pursuant to the provision described above to grant the offender limited driving privileges during the period of suspension.

States that the General Assembly declares that the Revised Code sections that regulate persons who leave the premises of an establishment at which gasoline is offered for retail sale without making full payment for gasoline dispensed are general laws that completely fill the field of regulation of that nature and that any municipal ordinance that prohibits establishments at which gasoline is offered for retail sale from requiring prepayment for gasoline is in conflict with those general laws.

Enacts the offense of "motion picture piracy," a first degree misdemeanor on the first offense and a fifth degree felony on each subsequent offense.

Permits the owner or lessee of a facility in which a motion picture is being shown, or the owner's or lessee's employee or agent, who has probable cause to believe that a person is or has been operating an audiovisual recording function of a device in violation of the act's new motion picture piracy prohibition to detain the person, for the purpose of causing an arrest to be made by a peace officer or of obtaining an arrest warrant, in a reasonable manner for a reasonable length of time within the facility or its immediate vicinity.

Extends from January 1, 2004, until January 1, 2009, the time by which environmental audits must be completed in order to be within the scope of certain privileges and immunities provided under continuing law regarding such audits.

Effective date: Emergency, July 31, 2003; Sections 3 and 4 effective January 1, 2004

Definitions--"sexually oriented offense" and "child-victim oriented offense"

Revises the definition of "sexually oriented offense" that applies to the Sex Offender Registration and Notification Law (SORN Law) by adding certain offenses committed in specified circumstances and removing and relocating other offenses (generally, to the category of "child-victim oriented offense" described below).

Removes from the definition of "sexually oriented offense" certain offenses that were not committed with a sexual motivation, enacts a new term, "child-victim oriented

offense," that consists of those removed offenses, imposes registration, notice of intent to reside, change of address, and periodic address verification duties for persons convicted of or adjudicated a delinquent child for committing any of those offenses that parallel the duties imposed under the SORN Law as modified by the act for persons convicted of or adjudicated delinquent children for a sexually oriented offense, provides for classifications of persons who commit any of those offenses as "child-victim predators" and "habitual child-victim offenders" under provisions similar to provisions for sexual predators and habitual sex offenders, subjects child-victim predators and habitual child-victim offenders to community notification under the same mechanism provided for sexual predators and habitual sex offenders, and provides "transitional" language regarding persons who were subjected to the prior SORN Law for an offense that is redesignated by the act as a child-victim oriented offense.

Registration-exempt sexually oriented offenses

Classifies certain sexually oriented offenses as "presumptive registration-exempt sexually oriented offense," and establishes a mechanism by which a court may remove the presumptive exemption.

Provides that, if a person is convicted of, pleads guilty to, or is adjudicated a delinquent child for a presumptive registration-exempt sexually oriented offense, unless a court removes the presumptive exemption, the offense is a "registration-exempt sexually oriented offense," an offender has no duty to register or any other duties under the SORN Law based on that offense, and a delinquent child cannot have the duty to register or any other duties under the SORN Law imposed based on that offense.

Aggravated sexually oriented offense

Expands the definition of "aggravated sexually oriented offense" under the SORN Law to also include persons convicted of the offense of rape who purposely compelled the victim to submit by force or threat of force, and, as a result, subjects offenders convicted of that offense in those circumstances to all provisions of the SORN Law that pertain to offenders convicted of an "aggravated sexually oriented offense," including the duty to provide a notice of intent to reside, lifetime compliance with the duties under that Law, increased frequency of address verification, and community notification.

Legislative determinations and intent

Modifies most of the determinations, declarations, recognitions, and findings of the General Assembly regarding the SORN Law that formerly applied only regarding sexual predators and habitual sex offenders so that they instead apply regarding all sex offenders, offenders who commit sexually oriented offenses, child-victim offenders, and offenders who commit a child-victim oriented offense and by making several other changes in the provisions.

Registration duties under SORN Law

Regarding the duties to register a residence or temporary domicile address under the SORN Law: (1) modifies the duties to require an offender or delinquent child with the duty to register to do so within five days rather than seven days of coming into a county in which the offender or child resides or temporarily is domiciled for more than five days rather than more than seven days, (2) expands the duties, as they apply to offenders, to also require registration of the address of a school or institution of higher education attended by an offender and, in certain circumstances, registration of the address of a place of employment of an offender, (3) expands the category of persons who are subject to the registration duty based on a conviction or delinquent child adjudication occurring in a court that is not an Ohio court to include persons convicted in courts of foreign countries, (4) modifies the registration form, the notification regarding registration duties, and other provisions of the Law to conform to the changes described in items (1) to (3), and (5) conforms the provisions to the act's "registration-exempt sexually oriented offense" provisions and "child-victim oriented offense" provisions described above.

Notice of intent to reside

Specifically prohibits an offender or delinquent child who is required to send a notice of intent to reside under the SORN Law from failing to send the notice, and subjects a person who violates the prohibition to the general penalty for violating a SORN Law duty.

Expands the portion of the offense of "contributing to the unruliness or delinquency of a child" that prohibits a parent, guardian, or custodian of a child from failing to ensure that the child complies with any duties the child has under the SORN Law to include a reference to the duty to provide a notice of intent to reside, if applicable.

Change of address duties

Revises the SORN Law duties regarding notification of a change in residence or temporary domicile address and registration of the new address to also make them apply to an offender who has registered a school, institution of higher education, or place of employment address and changes that address, and modifies the forms used regarding the notification and other provisions of the Law to conform to the expansion.

Periodic verification of addresses

Expands the SORN Law duty regarding verification of a registered residence or temporary domicile address to also make it apply to an offender who has registered a school, institution of higher education, or place of employment address, and modifies the

forms used regarding the verification and other provisions of the Law to conform to the expansion.

Notice to offender of SORN Law duties

Expands the notices provided to an offender or juvenile sex offender registrant regarding their duties under the SORN Law to also inform offenders of their duties enacted in the act regarding school, institution of higher education, and place of employment addresses and of their duties to register, provide notice of a change, and verify addresses in a state other than Ohio if the offender resides, is temporarily domiciled, attends a school or institution of higher education, or is employed in a state other than Ohio.

Provides that, if an offender was provided notice of his or her SORN Law duties prior to the act's effective date, not later than 90 days after the act's effective date, the sheriff with whom the offender most recently registered or verified an address under the SORN Law must provide notice to the offender of his or her duties imposed on and after the act's effective date to register a school, institution of higher education, or place of employment address, provide notice of a change of that address, and verify that address.

Specifies that an offender or delinquent child who is convicted of his or her sexually oriented offense in another state, in a federal court, military court, or Indian tribal court, or in a court in any nation other than the United States and who has a duty to register in Ohio under the SORN Law is presumed to have knowledge of the law and of the offender's or child's duties imposed under the SORN Law.

Rewords numerous provisions of the SORN Law that pertain to notices that must be given to offenders convicted of a sexually oriented offense and delinquent children who are classified as juvenile sex offender registrants to generally refer to their duties under the SORN Law provisions contained in R.C. 2950.04, 2950.041, 2950.05, and 2950.06, instead of referring to specific duties by name (e.g., the duty to register, the duty to provide notice of a change in address, the duty to verify an address, etc.).

Commencement of SORN Law duties

Provides that an offender's duty to comply with the SORN Law duties enacted under the act to register, provide notice of a change in, and verify school, institution of higher education, and place of employment addresses generally commences on the act's effective date or on the occurrence of another type of specified event, whichever is later, and adds provisions regarding commencement of duties based upon a child-victim oriented offense.

Habitual sex offenders--duration of SORN Law duties

Regarding an offender who is classified a habitual sex offender under the SORN Law, specifies that the habitual sex offender's duties to comply with the SORN Law's requirements continue until the offender's death or, in certain limited cases, for 20 years, and specifically provides that in no case may the lifetime duty to comply with the SORN Law's requirements imposed on an offender, or the determination that subjects the offender to that lifetime duty, be removed or terminated.

Penalty for failing to comply with SORN Law duties

Revises the penalties that apply to an offender or delinquent child who violates any of the requirements imposed under the SORN Law to: (1) generally link the degree of the offense to the degree of the most serious sexually oriented offense or child-victim oriented offense that was the basis of the registration, notice of intent to reside, change of address notification, or address verification requirement, subject to a maximum of a third degree felony, and (2) provide an increased penalty for a repeat offender that generally links the degree of the offense to the degree of the most serious sexually oriented offense or child-victim oriented offense that was the basis of the registration, notice of intent to reside, change of address notification, or address verification requirement, subject to a maximum of a third degree felony.

Sexual predator determination

Modifies the provisions pertaining to the determination of whether an offender or delinquent child who is subject to the SORN Law is a sexual predator as follows: (1) in the provision that automatically classifies an offender or delinquent child a sexual predator based on a conviction or adjudication of a sexually oriented offense in a court other than an Ohio court, adds a reference to a conviction or adjudication in a court of any nation other than the United States, and removes the criterion that the other jurisdiction must require the offender or child to verify his or her address on at least a quarterly basis each year, (2) specifies that a court that determines at a sexual predator hearing that the subject offender or delinquent child is not a sexual predator must specify in the sentence or child's dispositional order the reason or reasons why it determined that the subject offender or child is not a sexual predator, and (3) regarding offenders who have been imprisoned since the enactment of the SORN Law: (a) requires the sentencing court to conduct a sexual predator hearing if the sexually oriented offense that the offender committed was aggravated murder, murder, felonious assault, kidnapping, or involuntary manslaughter, when the underlying offense was a felony, committed with a purpose to gratify the offender's sexual needs or desires or if it was a violent sex offense, and (b) provides that for all other sexually oriented offenses, if the Department of Rehabilitation and Correction recommends that the offender be classified a sexual predator, the court must conduct a sexual predator hearing and, if the Department does not so recommend, the court must conduct a habitual sex offender hearing.

Removal of sexual predator classification

Repeals the authority of a court to remove a classification of an offender as a sexual predator under the SORN Law, other than in limited circumstances applying to persons convicted of a sexually oriented offense in a court other than an Ohio court, and specifically provides that in no case may the lifetime duty to comply with the SORN Law's requirements imposed on an offender who is adjudicated a sexual predator or for an aggravated sexually oriented offense, or the adjudication, classification, or conviction that subjects the offender to that lifetime duty, be removed or terminated.

Retains the SORN Law provisions regarding removal of a sexual predator classification automatically made based on a non-Ohio conviction or adjudication, but modifies the provisions to reflect the act's changes made in the provisions imposing the automatic classification.

Habitual sex offender determination

Regarding habitual sex offender determinations, specifies that a person who has been convicted of, pleaded guilty to, or been adjudicated a delinquent child for committing a sexually oriented offense may be classified a habitual sex offender if the person has a prior conviction or adjudication of either a sexually oriented offense or a child-victim oriented offense.

Habitual sex offender--community notification determination

Specifies that, in making the determination regarding the possible imposition of a community notification requirement for a habitual sex offender, if at least two of the sexually oriented offenses or child-victim oriented offenses that are the basis of the habitual sex offender or habitual child-victim offender determination were committed against a victim who was under 18 years of age, it is presumed that subjecting the offender or delinquent child to community notification is necessary in order to comply with the determinations, findings, and declarations of the General Assembly regarding sex offenders and child-victim offenders set forth in the SORN Law.

Specifies that, if a court in a state other than Ohio, a federal court, military court, or Indian tribal court, or a court in any nation other than the United States determines a person to be a habitual sex offender in that jurisdiction, the person is considered to be determined to be a habitual sex offender in Ohio for purposes of the SORN Law and that, if the court of the other jurisdiction subjects the habitual sex offender to community notification regarding place of residence, the person is subject to the SORN Law's community notification provisions regarding the person's place of residence unless the court of the other jurisdiction determines that the person no longer is subject to community notification.

Information regarding sex offenders--Internet provisions

Requires the Attorney General, through the Bureau of Criminal Identification and Investigation (BCII), not later than January 1, 2004, to establish and operate on the Internet a Sex Offender Database that contains information for every offender who has committed a sexually oriented offense and who registers in any county in Ohio pursuant to the SORN Law, and specifies that the Database is a public record open for inspection under the Public Records Law, must be searchable by offender name, by county, by zip code, and by school district, and must provide a direct link to the web site of each county or of each sheriff or other official of a county that has established and operates on the Internet a sex offender database containing information for offenders who register in that county.

Requires the Attorney General, upon the request of any sheriff, to provide technical assistance to the requesting sheriff in establishing and operating on the Internet a sex offender database for the public dissemination of some or all of the materials a sheriff possesses that are public records under continuing law and that pertain to offenders who register in that county pursuant to the SORN Law.

Requires the Attorney General, through BCII, not later than January 1, 2004, to establish and operate on the Internet a database that enables local law enforcement representatives to remotely search by electronic means the State Registry of Sex Offenders and Child-Victim Offenders and any information that BCII receives pursuant to the SORN Law, requires that the database enable local law enforcement representatives to obtain detailed information regarding each offender and delinquent child included in the Registry, including, but not limited to, the offender's or delinquent child's name, residence address, place of employment if applicable, motor vehicle license plate number if applicable, victim preference if available, date of most recent release from confinement if applicable, fingerprints, and other identification parameters that BCII considers appropriate, provides that the database is not a public record, and prohibits any person, other than a local law enforcement representative, from knowingly gaining or attempting to gain access to the database established and operated by the Attorney General through BCII or permitting any person to inspect any information obtained through use of that database other than as permitted under this provision.

Community notification

Regarding community notification to victims under the SORN Law when an offender or delinquent child who is a sexual predator or habitual sex offender subject to community notification, or an offender convicted of an aggravated sexually oriented offense, registers or provides notice of a change in address: (1) expands the provisions so that they also require notice to be given when an offender registers, or provides notice of a change in, a school, institution of higher education, or place of employment address under the act's new duties, (2) extends the time within which the notice must be given to

the victim regarding an offender or child from not later than 72 hours after the offender or child registers or notifies the sheriff of the change in address to not later than five days after that event, and (3) conforms the provisions to other changes made in the act.

Regarding community notification to neighbors and other specified persons and entities under the SORN Law when an offender or delinquent child who is a sexual predator or habitual sex offender subject to community notification, or an offender convicted of an aggravated sexually oriented offense, sends a notice of intent to reside or registers: (1) provides that, if a sheriff has sent a notice under the provision as a result of receiving a notice of intent to reside and if the offender or child registers a residence address that is the same as the one in the notice of intent to reside, the sheriff is not required to send an additional notice when the offender or child registers, (2) rewrites the neighbor notification provision to clarify it and to provide rules for giving the notice in multi-unit buildings, (3) extends the time within which the notice must be provided to generally require it to be provided to neighbors and to law enforcement personnel as soon as practicable, but not later than five days after the offender sends the notice of intent to reside to the sheriff and again not later than five days after the offender or child registers with the sheriff and to all other specified persons as soon as practicable, but not later than seven days after the offender or child registers with the sheriff or, if the sheriff is a recipient sheriff, not later than five days after the recipient sheriff is provided the notice, and (4) conforms the provisions to other changes made in the act.

Regarding community notification to neighbors and other specified persons and entities under the SORN Law, authorizes a judge to suspend the application of these community notification provisions in relation to an offender if the offender proves by clear and convincing evidence that the offender is unlikely to commit in the future a sexually oriented offense or a child-victim oriented offense and if the judge finds that suspending the community notification requirement is in the interests of justice, but excludes from this provision the following types of offender: (1) a sexually violent predator, (2) a habitual sex offender or habitual child-victim offender who is subject to community notification who, subsequent to being subjected to community notification, has pleaded guilty to or been convicted of a sexually oriented offense or a child-victim oriented offense, and (3) a sexual predator or child-victim predator who is not a sexually violent predator who, subsequent to being subjected to community notification, has pleaded guilty to or been convicted of a sexually oriented offense or child-victim oriented offense.

Address verification by sheriff

Provides that, if an offender or delinquent child registers, provides notice of a change in, or verifies a residence address pursuant to the SORN Law: (1) at any time after the registration, provision of notice, or verification, the sheriff, or a designee of the sheriff, may contact a person who owns, leases, or otherwise has custody, control, or supervision of the premises at the address provided by the offender or child and request

that the person confirm or deny that the offender or child currently resides at that address, (2) upon receipt of such a request, notwithstanding any other provision of law, the person who owns, leases, or otherwise has custody, control, or supervision of the premises, or an agent of that person, must comply with the request and inform the sheriff or designee whether or not the offender or child currently resides at that address, and (3) the Law's continuing qualified immunity provisions apply to a person who so provides information.

Specifies that a sheriff or designee of a sheriff may attempt to confirm that an offender or delinquent child who registers, provides notice of a change in, or verifies a residence address pursuant to the SORN Law currently resides at the address in question in manners other than the manner described immediately above and that a sheriff or designee is not limited in the number of requests that may be made under the provisions described immediately above or in the number of times that the sheriff or designee may attempt to confirm in other manners.

Conforming changes

Conforms certain duties imposed on the Attorney General under the SORN Law, certain provisions of the Delinquent Child Law that pertain to determinations related to the SORN Law, and certain definitions applicable to the SORN Law to other changes made by the act.

Importuning

Removes from the offense of "importuning" the language that prohibited a person from soliciting a person of the same sex to engage in sexual activity with the offender when the offender knew that the solicitation was offensive to the other person, or was reckless in that regard, in recognition of, and to conform the law to, a decision of the Ohio Supreme Court that found the provision to be unconstitutional.

Sex offenders residing near school premises

Prohibits a person who has been convicted of, is convicted of, has pleaded guilty to, or pleads guilty to a sexually oriented offense or a child-victim oriented offense from establishing a residence or occupying residential premises within 1,000 feet of any school premises.

Provides that an owner or lessee of real property that is located within 1,000 feet of any school premises has a cause of action for injunctive relief against a person who violates the prohibition described immediately above by establishing a residence or occupying residential premises within 1,000 feet of those school premises and is not required to prove irreparable harm to obtain the relief.

In the Residential Landlord-Tenant Law, prohibits a tenant from allowing any person to occupy the residential premises that are the subject of the rental agreement if

the residential premises are located within 1,000 feet of any school premises and if the person's name appears on the State Registry of Sexual Offenders and Child-Victim Offenders and the State Registry indicates that the person was convicted of or pleaded guilty to a sexually oriented offense or a child-victim oriented offense in a criminal prosecution and was not sentenced to a serious youthful offender dispositional sentence for that offense (hereafter, adult Registry offender).

If a tenant allows occupancy or a person establishes a residence or occupies residential premises in violation of the above prohibitions, authorizes the landlord for the residential premises subject to the rental agreement or other tenancy to terminate the rental agreement or tenancy of the tenant and all other occupants, and provides that if the landlord does not terminate the rental agreement or other tenancy, the landlord is not liable in damages for harm that allegedly results from that decision.

Authorizes a landlord to commence proceedings under the Forcible Entry and Detainer Law for possession of residential premises against: (1) adult Registry offenders who, pursuant to a rental agreement, reside in or occupy residential premises that are located within 1,000 feet of any school premises, and (2) tenants who permit any adult Registry offender to occupy residential premises that are located within 1,000 feet of any school premises.

Authorizes a landlord for residential premises, upon discovery that a tenant, or any other person with the tenant's permission, resides in or occupies residential premises that are located within 1,000 feet of any school premises and is an adult Registry offender, to terminate the rental agreement or tenancy for those residential premises by notifying the tenant and all other occupants, in a manner specified under the Forcible Entry and Detainer Law, to leave the premises, and provides that if the landlord does not terminate the rental agreement or tenancy, the landlord is not liable in damages for harm that allegedly results from that decision.

In forcible entry and detainer actions based on a controlled substance violation, changes the date on which the court clerk must set the action for trial from being on the 30th working day after the date that the tenant is served with a copy of the summons to being not later than the 30th calendar day after the date that the tenant is served with a copy of the summons.

Registration fee

Authorizes a county sheriff to charge a fee, subject to annual monetary limits, each time an adult offender registers, registers a new residence address, or makes a periodic verification of current residence address under the SORN Law.

Prohibits a sheriff from requiring a delinquent child to pay the above fees until the child reaches 18 years of age, at which time the act's provisions applicable to an adult offender must be construed to apply to the delinquent child.

Specifies that the above fees are to be used to defray the costs of registering sex offenders and providing community notification under the SORN Law.

Requires a county sheriff to use federal poverty guidelines to determine a person's ability to pay a fee.

Requires a county sheriff to waive the fee for persons whose income is less than 125% of the federal poverty level.

Establishes the following monetary limits on fees permitted to be charged an adult offender under the act: (1) for sexual predators, child-victim predators, and aggravated sexually oriented offenders, not more than \$100 per registration year, (2) for habitual sex offenders or habitual child-victim offenders who are subject to community notification, not more than \$50 per registration year, and (3) for all other persons subject to the SORN Law, not more than \$25 per registration year.

Prohibits a sheriff from refusing to register a person, register a new address, or verify a residence address under the SORN Law because a person does not pay a fee.

Specifies the procedure for collecting unpaid fees.

Uses of Crime Victims Reparations Fund

Expands the purposes for which the Reparations Fund may be used to additionally permit it to be used to pay the actual costs associated with Attorney General initiatives for the apprehension, prosecution, and accountability of offenders and the enhancing of services to crime victims.

Prohibits the amount of payments made pursuant to the provision described immediately above during any given fiscal year from exceeding 5% of the balance of the Reparations Fund at the close of the immediately previous fiscal year.

Requires the Attorney General's annual report regarding the activities of the Ohio Crime Victims Compensation Program to additionally describe the amount of payments that have been made for: (1) the payment of costs of administering a DNA specimen collection procedure in relation to the commission of specified acts, of performing DNA analysis of those DNA specimens, and of entering the resulting DNA records regarding those analyses into the State DNA Database, and (2) the payment of actual costs associated with initiatives by the Attorney General for the apprehension, prosecution, and accountability of offenders and the enhancing of services to crime victims.

Severability

Declares that its provisions are severable.

Effective date: August 29, 2003

Specifically includes the posting of messages or receipt of information or data through the use of an electronic method of remotely transferring information, including, but not limited to, a computer, computer network, computer program, computer system, or telecommunications device, as an activity that may constitute the "pattern of conduct" that is an element of the offense of "menacing by stalking."

Modifies the definition of "mental distress" that is an element of the offense of "menacing by stalking" to clarify that any mental illness or condition that would normally require psychiatric treatment, psychological treatment, or other mental health services is "mental distress" whether or not any person requested or received psychiatric treatment, psychological treatment, or other mental health services.

Adds a new cyberstalking-type prohibition to the offense of "menacing by stalking" that prohibits a person, through the use of any electronic method of remotely transferring information, including, but not limited to, any computer, computer network, computer program, or computer system, from posting a message with purpose to urge or incite another to commit a violation of the prohibition that constitutes the offense under continuing law.

Provides that: (1) the offense of "menacing by stalking" does not apply to a person solely because the person provided access or connection to or from an electronic

method of remotely transferring information not under that person's control, including having provided capabilities that are incidental to providing access or connection to or from the electronic method of remotely transferring the information, and that do not include the creation of the content of the material that is the subject of the access or connection, and (2) a person providing access or connection to or from an electronic method of remotely transferring information not under that person's control is not liable for any action voluntarily taken in good faith to block the receipt or transmission through its service of any information that it believes is, or will be, sent in violation of either prohibition constituting the offense.

Specifies that the provisions described immediately above do not: (1) create an affirmative duty for any person providing access or connection to or from an electronic method of remotely transferring information not under that person's control to block the receipt or transmission through its service of any information that it believes is, or will be, sent in violation of either prohibition except as otherwise provided by law, or (2) apply to a person who conspires with a person actively involved in the creation or knowing distribution of material in violation of either prohibition constituting the offense of "menacing by stalking" or who knowingly advertises the availability of material of that nature.

Provides that the fourth degree felony penalty for the offense of "menacing by stalking" applies to a violation of the new prohibition if, as a result of the violation of that prohibition, a third person who was induced by the offender's posted message engaged in a specified type of threatening conduct to the victim.

Effective date: October 29, 2003

Establishes a mechanism pursuant to which inmates who were convicted by a judge or jury of a felony that was committed prior to the act's effective date, who were sentenced for the felony to a prison term or a sentence of death, and who on the date on which they submit an application under the act requesting the testing have at least one year remaining on the prison term or are under the sentence of death may request DNA testing to be performed under the act's provisions (hereafter, the Not Guilty Plea Mechanism).

Specifies that an inmate who pleaded guilty or no contest to an offense is not eligible to request DNA testing under the Not Guilty Plea Mechanism relative to that offense.

Requires an inmate who is eligible to request DNA testing under the Not Guilty Plea Mechanism to submit an application in a specified form to the court of common pleas that sentenced the inmate for the offense for which the inmate is seeking the testing and an acknowledgement in a specified form of certain provisions related to the Mechanism, and requires that the application and acknowledgement be submitted within one year after the act's effective date.

Requires the Attorney General to prescribe the forms to be used for the application and the acknowledgement required under the Not Guilty Plea Mechanism.

Requires an eligible inmate who files an application under the Not Guilty Plea Mechanism to serve a copy on the prosecuting attorney who tried the eligible inmate's case and the Attorney General, provides for assignment of the application to the trial judge in the inmate's case or, if that judge is no longer a judge of that court, pursuant to court rules, and authorizes a response within 45 days by the prosecuting attorney or Attorney General or both.

Establishes detailed criteria that govern the court in screening an eligible inmate's application under the Not Guilty Plea Mechanism and in determining whether to accept or reject the application, requires the court to expedite its review of the application, and provides that the acceptance or rejections of the application must be in accordance with the criteria.

States that the judgment of the judge of the court of common pleas rejecting an application for DNA testing under the Not Guilty Plea Mechanism is appealable only as follows: (1) if the inmate was sentenced to death for the offense in question, the inmate may seek leave of the Supreme Court to appeal the rejection to that Court, and (2) if the inmate was not sentenced to death, the rejection is a final appealable order, and the inmate may appeal the rejection to the court of appeals.

Establishes procedures for selecting the testing authority to be used for the conduct of DNA testing for an eligible inmate whose application submitted under the Not Guilty

Plea Mechanism is accepted, procedures for determining whether relevant biological material exists and whether it is in sufficient quantity and suitable form, precautions that must be satisfied to ensure that biological materials that are to be used in DNA testing are not contaminated during transport or the testing process, and "chain of custody" provisions regarding the biological samples so used.

Requires the Attorney General to approve or designate testing authorities that may be used for the conduct of DNA testing for eligible inmates under the Not Guilty Plea Mechanism, and establishes criteria that a testing authority must satisfy in order to be so approved or designated.

Establishes procedures for obtaining biological material from an inmate to be used in the conduct of DNA testing under the Not Guilty Plea Mechanism, and provides that the court that accepted the inmate's application for testing under the Mechanism must rescind its prior acceptance and deny the application if the inmate refuses to submit to collection of the material or hinders the state from collecting it.

Specifies the availability, and the uses that may be made, of the results of DNA testing of inmates conducted under the Not Guilty Plea Mechanism.

Establishes a mechanism pursuant to which inmates who pleaded guilty or no contest to a felony that was committed prior to the act's effective date, who were sentenced to a prison term or a sentence of death, and who on the date on which they submit an application under the act requesting DNA testing have at least one year remaining on the prison term or are under the sentence of death may request DNA testing (hereafter, the Guilty Plea Mechanism).

Requires an inmate who is eligible to request DNA testing under the Guilty Plea Mechanism to file an application and acknowledgement (the same ones used under the Not Guilty Plea Mechanism) with the court of common pleas within one year after the act's effective date and, upon filing the application, to serve a copy of it on the prosecuting attorney; requires the prosecuting attorney, within 45 days after the inmate files the application, to file a statement with the court that indicates whether the prosecuting attorney agrees or disagrees that the inmate should be permitted to obtain the DNA testing; provides that, if the prosecuting attorney agrees that the inmate should be permitted to obtain the testing, the application and written statement thereafter must be considered for all purposes as if they were an application for DNA testing filed and accepted under the Not Guilty Plea Mechanism, and the inmate must be given a test under that Mechanism; provides that, if the prosecuting attorney disagrees that the inmate should be permitted to obtain DNA testing under the Guilty Plea Mechanism, the prosecuting attorney's disagreement is final and is not appealable by any person to any court and no court has authority, without the prosecutor's agreement, to order DNA testing regarding that inmate and the offense or offenses for which the inmate requested DNA testing in the application; and provides that, if the prosecuting attorney fails to file a

written statement of agreement or disagreement as required under the Mechanism, the court may order the prosecuting attorney to file a statement of that nature within 15 days of the date of the order.

States that, in any court proceeding under either the Not Guilty Plea Mechanism or the Guilty Plea Mechanism, the Rules of Criminal Procedure apply, except to the extent that any provision of either Mechanism provides a different procedure or to the extent that the Rules would by their nature be clearly inapplicable.

States that, in conducting DNA analyses of DNA specimens, the state DNA laboratory established by the Bureau of Criminal Identification and Investigation in the Attorney General's Office and any laboratory with which the Bureau has entered into a contract must give DNA analyses of DNA specimens that relate to ongoing criminal investigations or prosecutions priority over DNA analyses of DNA specimens that relate to applications made under either the Not Guilty Plea Mechanism or the Guilty Plea Mechanism.

Expands the grounds for requesting relief under the Postconviction Relief Law to also permit a person to file a petition requesting relief under that Law, and to permit a court to entertain a petition for relief under that Law that is filed after the expiration of the Law's 180-day period of limitations or a second petition or successive petitions for similar relief on behalf of a petitioner, if: (1) the person or petitioner was convicted of a felony, (2) the person or petitioner is an inmate for whom DNA testing was performed under either the Not Guilty Plea Mechanism or the Guilty Plea Mechanism, and (3) the results of the DNA testing provided results that establish, by clear and convincing evidence, actual innocence of that felony offense or, if the person was sentenced to death, establish, by clear and convincing evidence, actual innocence of the aggravating circumstance or circumstances that the person was found guilty of committing and that is or are the basis of that sentence of death.

Makes other changes in the Postconviction Relief Law that relate to petitions filed under that Law, the suspension of a sentence of death to which a person who files a petition under that Law is subject, and the appointment of counsel for an indigent person who has been sentenced to death and who files a petition under that Law.

Effective date: January 8, 2004

Modifies the list of prior offenses that enhance the penalty for domestic violence to include: (1) negligent assault, criminal damaging and endangering, criminal mischief, burglary, aggravated trespass, or endangering children, a violation of a substantially similar municipal ordinance, or any offense of violence when the victim of the offense was a person who was a family or household member at the time of the offense, and (2) a violation of an existing or former municipal ordinance, or law of the United States or of this state or any other state, that is substantially similar to an offense listed in item (1) when the victim was a family or household member at the time of the violation.

Increases the penalty for domestic violence from a fifth degree felony when the offense involves knowingly causing or attempting to cause physical harm or recklessly causing serious physical harm to: (1) a fourth degree felony if the offender has one prior conviction or guilty plea to any offense in the list of prior offenses that enhance the penalty for domestic violence, expanded as described above, and (2) a third degree felony if the offender has been convicted of or pleaded guilty to two or more of those prior offenses.

Increases the penalty for domestic violence committed by a repeat offender from a third degree misdemeanor when the offense involves knowingly causing a family or household member to believe that the offender will cause imminent physical harm to: (1) a second degree misdemeanor if the offender has one prior conviction or guilty plea of any of the specified prior offenses, expanded as described above, and (2) a first degree misdemeanor if the offender has been convicted of or pleaded guilty to two or more of those prior offenses.

Modifies the provision that requires a court to consider specified additional factors in setting bail for a person charged with the offense of domestic violence or another specified offense involving a family or household member by: (1) expanding the offenses to which the provision applies so that it applies when a person has been charged with any offense of violence involving a person who was a family or household member at the time of the offense, and (2) expanding the offenses that count as prior convictions to include a violation of an existing or former municipal ordinance or law of this or any other state or the United States that is substantially similar to any of those offenses if the victim of the offense was a family or household member at the time of the commission of

the violation or any offense of violence if the victim of the offense was a family or household member at the time of the offense.

Expands the list of offenses for which a court with jurisdiction over a complaint of the type described above may set bail to include jurisdiction over charges alleging the commission of an offense of violence in circumstances in which the alleged victim of the offense was a family or household member at the time of the violation.

Expands the list of offenses for which the complainant, the alleged victim, or a family or household member of the alleged victim may file a motion requesting the issuance of a domestic violence temporary protection order as a pretrial condition of release of the alleged offender to include any offense of violence that involves a person who was a family or household member at the time of the violation.

Modifies the penalty for the offense of "violating a protection order" by increasing the penalty to a fifth degree felony when the offender has previously been convicted of one violation of certain protection orders or one offense from a list of specified offenses and to a third degree felony if the offender violated the protection order or consent agreement while committing a felony.

Effective date: Emergency, December 23, 2003; Sections 1 and 2 effective January 1, 2004, except certain provisions effective other than January 1, 2004; certain provisions effective March 22, 2004

Increases the penalty for the offense of failure to disperse from a minor misdemeanor to a fourth degree misdemeanor if the failure to obey the law enforcement officer's or public official's order that is the basis of the offense creates the likelihood of physical harm to persons or is committed at the scene of a fire, accident, disaster, riot, or emergency of any kind.

Increases the penalty for the offense of misconduct at an emergency, when the violation does not create a risk of physical harm to persons or property, from a minor misdemeanor to a fourth degree misdemeanor.

Specifies that, for the purposes of prosecuting violations of the prohibitions constituting the offenses of aggravated riot and riot, the state is not required to allege or prove that the offender expressly agreed with four or more others to commit any act that constitutes a violation of either of the prohibitions prior to or while committing those acts.

Modifies the prohibition against motion picture piracy so that the offense may only be committed in a movie theater.

Specifies that "residential unit," as used in the Sex Offender Registration and Notification (SORN) Law, does not include a halfway house or a community-based correctional facility.

States that for purposes of the criminal offense sentencing chapter of the Revised Code, economic loss is any economic detriment suffered by a victim as a result of a commission of an offense instead of economic detriment suffered only as a result of the commission of a felony.

Modifies several of the factors that a court must consider when sentencing an offender for a misdemeanor so that a court must consider whether the victim's youth, age, disability, or other factor made the victim particularly vulnerable to the offense or made the impact of the offense more serious instead of the requirement established in Am. Sub.

H.B. 490 of the 124th General Assembly that: (1) a court determine whether the victim of the offense was 65 years old or older, permanently and totally disabled, or under 18 years old at the time of the commission of the offense, or (2) a court consider the criminal history and character of the offender in general.

Makes other technical changes to the Misdemeanor Sentencing Law, as amended by Am. Sub. H.B. 490 of the 124th General Assembly.

Research and Development Loan Fund Program

Establishes the Research and Development Loan Fund Program, and authorizes the Director of Development to operate the Program and make loans from the Research and Development Loan Fund (R&D Loan Fund) created by the act to finance eligible research and development projects.

Appropriates \$50 million in fiscal year 2004 and \$55 million in fiscal year 2005 to the R&D Loan Fund.

Permits the Treasurer of State to issue obligations to pay allowable costs or make loans for eligible research and development projects under the Program.

Establishes administrative procedures and criteria for financial assistance under the Program that are similar to those for the continuing Facilities Establishment Fund Program and the Innovation Ohio Loan Fund Program.

Permits the Director to lend moneys in the R&D Loan Fund to persons for paying the allowable costs of an eligible research and development project, and specifies that a loan cannot exceed 75% of the total costs of the project and that repayment must be secured by a mortgage or other interest.

Permits the Director, with money from the R&D Loan Fund, to enter into agreements with businesses and governmental agencies to induce research and development projects and to acquire property and convey it to businesses or

governmental agencies without competitive bidding and on whatever terms and conditions and in whatever manner the Director considers appropriate.

Permits the Director to take an interest in property, by mortgage, security interest, or other methods, to ensure that property associated with an eligible research and development project is used in Ohio and that products produced, and services associated with the property are delivered, by persons employed within Ohio.

Establishes notification procedures that the Director must follow if an eligible project is being relocated within the state.

Creates a nonrefundable credit against the corporation franchise and income taxes for qualified payments, not to exceed \$150,000 for a tax year or taxable year, made on loans issued by the Director, and permits the assignment of the credits to certain other taxpayers.

Adds the R&D Loan Fund to the list of economic development funds used to pay expenses incurred by the Director in administering economic development programs.

Increases the maximum aggregate principal amount of obligations, excluding project financing obligations, that may be issued to fund the R&D Loan Fund and other economic development funds from \$300 million to \$500 million.

Increases the maximum amount of liquor profits that may be used to back obligations issued to fund the R&D Loan Fund and other economic development funds from \$25 million to \$45 million per fiscal year.

Increases from \$700 million to \$800 million the maximum aggregate unpaid principal of loans and loan guarantees made from the Facilities Establishment Fund, the Loan Guarantee Fund, the Innovation Ohio Loan Guarantee Fund, and the Innovation Ohio Loan Fund, and adds to the aggregate the unpaid principal of loans made from the R&D Loan Fund.

Ohio Research Commercialization Grant Program

Creates the Ohio Research Commercialization Grant Program to provide grants from the Third Frontier Commission to small technology companies in Ohio that are receiving or are eligible to receive funding under certain federal research and technology programs.

Establishes administrative procedures and criteria for awarding assistance under the Ohio Research and Commercialization Grant Program.

Technology investment tax credits

Grants the three-person Industrial Technology and Enterprise Advisory Council Committee, rather than the full Council, the authority to issue technology investment tax credits under the Technology Investment Tax Credit Program.

Raises the gross revenue or net book value eligibility requirements for a technology investment tax credit from less than \$1 million to less than \$2.5 million.

Increases the total amount of technology investments that may be approved by the Committee in any one Ohio business from \$1 million to \$1.5 million.

Increases the total amount of technology investment tax credits that may be issued from \$10 million to \$20 million.

Increases the amount of the investment for which a technology investment tax credit can be claimed and the maximum amount of investments that an investor can make in one business from \$150,000 to \$250,000 and from \$150,000 to \$300,000 with respect to investments in businesses certified by the Director of Administrative Services under the Encouraging Diversity, Growth, and Equity (EDGE) Program as EDGE Business Enterprises or in Ohio entities located in distressed areas.

Increases the amount of the technology investment tax credit that may be claimed by an investor in an EDGE Business Enterprise or in an Ohio entity located in a distressed area from 25% of the amount of the investment to 30%.

Requires that the Director of Development develop the form of, and that the Director and the Chairperson of the Council Committee sign, technology investment tax credit certificates.

Requires that the Director report to the Tax Commissioner any information requested by the Commissioner about technology investment tax credit certificates.

Innovation Ohio Loan Fund Program

Moves the Innovation Ohio Loan Fund into the state treasury.

Makes an appropriation of \$50 million to the Innovation Ohio Loan Fund for loans and loan guarantees for fiscal year 2003.

Makes various corrections to the laws governing the Program.

Job retention tax credits

Increases the maximum term of the job retention tax credit, changes the job retention requirements for the job retention tax credit, and creates a new tax credit for

certain corporations that operate call centers and that are receiving the job retention tax credit, all of which are also contained in Am. Sub. H.B. 95 of the 125th General Assembly, the main operating budget for FY 2004 and 2005, and adds a provision permitting the Tax Credit Authority to include the new call center tax credit in a job retention tax credit agreement.

Adopted: April 8, 2003; disapproved by the voters on November 4, 2003

Would have enacted Section 2p of Article VIII of the Ohio Constitution to:

(1) Authorize the use of state and local public moneys, including the proceeds of bonds, notes, and other obligations, to pay costs of or in support of or related to science and technology based research and development purposes, including capital formation, direct operating costs, costs of research and facilities, and support for public and private institutions of higher education, research organizations or institutions, and private sector entities;

(2) Authorize the issuance of general obligations of the state to pay costs of those science and technology based research and development purposes, the total amount of which cannot exceed \$500 million and the debt service on which is excluded from the calculation of the limit on the amount of new debt that the state can take on in a fiscal year; and

(3) Authorize state-supported and state-assisted institutions of higher education and local public agencies to issue obligations to pay their costs of participating in and implementing those science and technology based research and development purposes.

Effective date: Emergency, August 15, 2003; Sections 6 and 7 effective January 1, 2004

Adds the following achievement tests to the system of achievement testing in continuing law: (1) third grade math, (2) fourth grade reading, and (3) fifth, sixth, and eighth grade reading and math.

Modifies the timeline for the phase-in of the achievement tests.

Requires the State Board of Education to designate five levels of scores for all achievement tests, including the Ohio Graduation Tests (OGT), and renames the below basic level the limited level.

Prohibits exempting a limited English proficient (LEP) student from a proficiency or achievement test, but allows LEP students to take a test with "appropriate accommodations."

Requires school districts to annually assess the progress of LEP students in learning English.

Requires students who score below the proficient range on an achievement test to receive intervention services.

Requires special education students to receive intervention services based on proficiency or achievement test results.

Specifies that the following options available to school districts under the third grade reading guarantee for students who receive a limited score on the third grade reading achievement test apply to special education students: (1) promotion to fourth grade if the principal and reading teacher agree that other evaluations of the student's work indicate that the student is academically prepared for fourth grade, (2) promotion to fourth grade with "intensive intervention" in that grade, or (3) retention in third grade.

Requires school districts and community schools to administer diagnostic assessments to students in grades kindergarten through two, to students enrolled in a school building that fails to make adequate yearly progress (AYP) for two or more consecutive school years, and to transfer students.

Requires the Education Management Information System (EMIS) to collect any data mandated by federal law.

Includes AYP and a performance index score in the determination of performance ratings for districts and buildings.

Requires the Department of Education to make recommendations for lowering the performance ratings of districts and buildings that, although demonstrating AYP, show statistically significant differences in performance between white, middle-class students and students in other subgroups.

Sets the standard for making AYP at the proficient level of achievement.

Directs the Department to begin using a "value-added progress dimension" and to include it in the performance ratings within two years after July 1, 2005.

Requires the Department to include a growth factor based on the performance index score in the performance ratings until the value-added progress dimension has been incorporated.

Creates the Ohio Accountability Task Force to examine implementation of the value-added progress dimension and to make recommendations regarding Ohio's accountability system.

Requires the disaggregation of data on the district and building report cards by disabled students, limited English proficient students, migrant students, and gifted students.

Eliminates the disaggregation of data on the report cards by vocational education students.

Requires the inclusion of the percentage of "highly qualified" teachers on the report cards.

Requires separate calculations of performance index scores and achievement on the performance indicators for each school district and building without the inclusion of students with disabilities.

Directs the Department to establish a system of "intensive, ongoing support" for the improvement of school districts and buildings.

Eliminates a requirement that the Department provide the Ohio SchoolNet Commission with an annotated bibliography of successful intervention practices.

Describes the sanctions that apply to districts and buildings, including community schools, that fail to make AYP in two or more consecutive school years.

Requires the Department to conduct audits of a sampling of community schools to ensure compliance with sanctions.

Requires public school choice and supplemental educational services for students in schools that receive federal Title I funds and fail to meet AYP for two or more consecutive school years.

Generally limits school districts to spending a combined total of 20% of their Title I funds to pay for transportation for students transferring under public school choice and for supplemental educational services.

Eliminates "Urban-21 school districts" that are not also "Big-Eight school districts" from the definition of "challenged school districts" in which start-up community schools may be located.

Permits any existing start-up community school that has been established in an Urban-21 school district, not otherwise meeting the definition of a challenged school district, prior to the act's effective date to continue to operate.

Permits an educational service center (ESC) to sponsor a community school in any challenged school district.

Requires the State Board of Education, by September 30, 2003, to recommend to the General Assembly standards governing the operation of Internet- or computer-based community schools.

Makes other changes to the community school law.

Modifies the terms of a \$250,000 earmark in the 2003-2005 biennial appropriations act (Am. Sub. H.B. 95) for training of community school sponsors by requiring the Department of Education to contract with the Ohio Foundation for School Choice to conduct the training instead of conducting the training itself.

Requires the Superintendent of Public Instruction to submit a report to the General Assembly within 90 days after the act's effective date describing the projected cost of compliance with the No Child Left Behind Act and the financial consequences for noncompliance with that act.

Directs the Legislative Office of Education Oversight to conduct a study of each of the following: (1) the academic achievement gap, (2) the provision of intervention services, (3) the Ohio Graduation Test performance of the Class of 2007, and (4) the progress of meeting the federal requirement of having only "highly qualified" teachers in core subject areas.

Eliminates the requirement that certain State Board of Education rules be approved by the General Assembly prior to taking effect.

Eliminates the requirement that the Superintendent of Public Instruction present proposed academic standards and model curricula to a joint meeting of the House and Senate Education Committees at least 45 days prior to the State Board's adoption of those standards or curricula.

Eliminates the requirement that the State Board propose a plan for "end of course exams" as an alternative to passing the OGT to earn a high school diploma.

Permits a school district to retain a student's data verification code in any file of a student who is no longer enrolled in that district.

Specifies that school district officials are not required to attach a certificate of available resources to current payrolls for or employment contracts with any employees or officers of the school district instead of those payrolls for or contracts with only regular employees as under prior law.

Permits a student who relocates or whose parent relocates outside of the school district in which the student is entitled to attend school after the first full week in October to continue to attend school in the district free of tuition for the balance of the school year under certain conditions if both affected school districts have a policy permitting this.

Clarifies how the Department of Education is to treat state charge-off supplement payments and transitional aid payments when calculating the reappraisal guarantee for school districts.

Authorizes the Ohio Tuition Trust Authority to suspend the sale of tuition credits, either permanently or temporarily, if an adjustment in the price of tuition credits will not improve the actuarial soundness of the Ohio Tuition Trust Fund.

Creates the Variable Operating Fund for the operation and administration of the variable savings program as well as for paying other expenses.

Expands continuing law to allow certain entities to establish a scholarship program consisting of contributions made to variable and college savings program (guaranteed savings program) accounts instead of just college savings program accounts.

Defines how certain state colleges and universities are to calculate the previous year's tuition charges for purposes of complying with tuition caps.

Defines "credible data" for purposes of surface water monitoring and assessment, and requires the Director of Environmental Protection to adopt rules establishing three levels of credible data.

Requires the rules to include provisions for data assessment, sample collection and analytical methods, and quality assurance and quality control procedures for each level of credible data.

Specifies the purposes for which each level of credible data must be used.

Requires the Director to establish by rule a water quality monitoring program for the purpose of collecting credible data under the act, specifies that the rules must require qualified data collectors to follow plans pertaining to data collection, and requires the submission of a certification that the data were collected in accordance with such a plan.

Requires the Director to establish and maintain a computerized database or databases of all credible data in the Director's possession, and requires each state agency in possession of surface water quality data to submit them to the Director.

Establishes certain requirements pertaining to the identification and listing of waters under section 303(d) of the Federal Water Pollution Control Act.

Enacts a new body of law pursuant to which adults who have the capacity to consent to mental health treatment decisions voluntarily may execute a declaration governing the use or continuation, or the withholding or withdrawal, of mental health treatment for the declarant (declaration for mental health treatment).

Authorizes the designation in a declaration for mental health treatment of a proxy to make decisions regarding mental health treatment pursuant to the declaration.

Permits the declarant to name a physician in the declaration for mental health treatment and assign the designated physician the primary responsibility for the declarant's mental health treatment.

Prescribes the requirements for the validity, renewal, and revocation of a declaration for mental health treatment, and provides that a properly executed declaration is not revoked or invalidated by an alteration of or amendment to the declaration.

Specifies the circumstances in which a declaration for mental health treatment becomes operative, and provides that an operative declaration supersedes any general consent to treatment form signed by the declarant to the extent there is a conflict between the declaration and the form.

Under certain limited circumstances, permits the mental health treatment provider of, or a health care facility providing services to, a declarant to subject the declarant to treatment in a manner contrary to the declarant's expressed wishes.

Specifies the rights and duties of a person designated as a proxy under a declaration for mental health treatment, and provides for the general immunity from liability of a proxy, a mental health treatment provider of a declarant, a health care facility providing services to a declarant, or other authorized persons acting under the direction of such a provider or facility.

Specifies the other effects of a declaration for mental health treatment.

Modifies the definition of "health care" that applies to the law governing durable powers of attorney for health care (HCPOAs) so that it means any care, treatment, service, or procedure to maintain, diagnose, or treat an individual's physical or mental condition or physical or mental health, and adopts the same definition for purposes of the act's provisions regarding a declaration for mental health treatment.

Specifies that a declaration for mental health treatment executed in accordance with the act's provisions: (1) does not supersede a valid declaration governing the use or continuation, or the withholding or withdrawal, of life-sustaining treatment executed under the Uniform Rights of the Terminally Ill Law (i.e., living wills), (2) supersedes the designation of an attorney in fact made in a valid durable HCPOA under the Power of Attorney Law with respect to the mental health treatment of the declarant and the designation of a proxy to make mental health treatment decisions, and (3) does not revoke a valid durable HCPOA created under the Power of Attorney Law and, except as provided in item (2), does not affect the designation of an attorney in fact made in the durable HCPOA for all other purposes.

Creation and administration of Ohio's Best Rx Program

Establishes the Ohio's Best Rx Program under which eligible persons who enroll may purchase drugs at discounted prices derived from rebates that are provided by drug manufacturers or the average prices established by the health benefit plans offered to state employees and members of the state retirement systems.

Specifies that by creating the Program, it is not the General Assembly's intention to establish an entitlement program.

Requires the Program to be administered by the Department of Job and Family Services (DJFS), but permits DJFS to contract with a person to be the Ohio's Best Rx Program administrator.

Requires a person under contract with DJFS to be the Program administrator to offer a drug mail order system.

Eligibility

Limits eligibility for the Program to Ohio residents who do not have other drug benefits and are either age 60 or older or have family incomes not exceeding 250% of the federal poverty guidelines.

Provides that each determination of eligibility is valid for one year, and permits persons to reapply annually for enrollment in the Program.

State health benefit plan information

Requires the Department of Administrative Services and the state retirement systems to submit to DJFS specified drug pricing and drug manufacturer rebate information based on the drug benefits provided to state employees through the Ohio Med Preferred Provider Organization and the drug benefits provided through the health benefit plans offered by the state retirement systems.

Requires DJFS, based on information submitted by the Department of Administrative Services and the state retirement systems, to make computations to be used to determine the discounts to be applied when a Program participant purchases a drug under the Program.

Rebate agreements with participating drug manufacturers

Permits a drug manufacturer to participate in the Program by agreeing to provide rebate payments pursuant to a rebate agreement entered into with DJFS.

Requires a participating manufacturer to make rebate payments for each unit of a drug in an amount that is equal to or greater than: (1) the weighted average rebate for the drug that applies under the state and retirement system health benefit plans, or (2) another amount agreed to by the manufacturer.

Participation agreements with terminal distributors of drugs

Permits a terminal distributor of dangerous drugs to participate in the Program by entering into an agreement with DJFS for purposes of dispensing drugs.

Requires a participating terminal distributor to charge a Program participant the lesser of the terminal distributor's usual and customary charge for the quantity of drug dispensed or the amount that must be paid under the Program.

Fees and administrative costs

Permits a participating terminal distributor to charge a professional fee of not more than \$3 for dispensing a drug under the Program, and provides for increases in the maximum fee to be established by DJFS through the adoption of rules.

Permits DJFS, for purposes of covering the administrative costs of the Program, to establish an administrative fee of not more than \$1 per transaction to be charged when drugs are dispensed under the Program.

Permits DJFS, for purposes of covering the administrative costs of the Program, to establish a "rebate administration percentage" of not more than 5%, which is a percentage of the per unit rebate that is subtracted from the amount of the rebate that applies when determining the discounted drug price to be paid by a Program participant.

Payment of claims for dispensing drugs

Establishes a process for DJFS to pay claims that are submitted by terminal distributors and the Ohio's Best Rx Program administrator for dispensing drugs under the Program.

Provides for payments to be made only for drugs that are subject to rebate agreements with drug manufacturers.

Coordination with state and federal programs

Permits DJFS to make adjustments to the Program to conform it to or coordinate it with any federally funded prescription drug program created after October 1, 2003, and to take actions to coordinate the Program with a state health benefit plan.

Ohio's Best Rx Program Council

Creates the Ohio's Best Rx Program Council, consisting of four legislators and nine members appointed by the Governor, to advise DJFS on the Program and, with approval of a majority of its appointed members, to initiate studies to determine whether

there are more effective ways to administer the Program and to provide DJFS with suggestions for improvements.

Program records

Requires DJFS to compile statistics on the most frequently dispensed drugs under the Program and the average savings received, to maintain lists of all participating drug manufacturers and terminal distributors, and to establish procedures for the use and preservation of Program records.

Provides that information transmitted for any purpose related to the Ohio's Best Rx Program is confidential to the extent required by state or federal law.

Specifies that certain types of information related to the Program are trade secrets, are not public records, and cannot be used in a manner that reveals a specific drug or the identity of a drug manufacturer.

Prohibits a person or government entity from selling, soliciting, disclosing, receiving, or using or knowingly permitting the use of information that identifies or could be used to identify an applicant for or participant in the Ohio's Best Rx Program.

State accounting and appropriations

Creates the Ohio's Best Rx Program Fund, which is in the custody of the Treasurer of State, but not in the state treasury, for use in making payments for claims for dispensing drugs covered by a rebate agreement.

Creates the Ohio's Best Rx Administration Fund in the state treasury for use in paying the administrative costs of the Program.

Makes an appropriation.

Effective date: April 13, 2004

Specifically prohibits any seller or telemarketer from engaging in any act or practice in violation of any provision of the federal Telemarketing and Consumer Fraud and Abuse Prevention Act, the federal Telephone Consumer Protection Act of 1991, any amendment or reenactment of either of those Acts, any rule adopted pursuant to either of the Acts, or any amendment of that rule.

Authorizes the Attorney General (AG) to investigate any alleged violation of any provision of a federal act or rule described above and, for purposes of the investigation, to administer oaths, subpoena witnesses, adduce evidence, and require the production of any relevant matter, and specifies the rights and duties of persons subpoenaed by the AG.

Authorizes the AG to suspend the investigation to permit the person being investigated to cease and desist from any suspected violation of the applicable federal act or rule or to terminate an investigation upon acceptance of a written assurance of voluntary compliance from a person who is suspected of such a violation.

Generally authorizes the AG to bring in the appropriate court of common pleas in Ohio or in the appropriate district court of the United States, but not in both courts, a civil action for injunctive relief or damages, or both, pursuant to the federal act or rule, on behalf of Ohio residents subjected to telemarketing acts or practices in violation of the act, and prevents the AG from pleading a violation of both the act and the applicable federal act or rule in the action.

In an action instituted by the AG as described above, permits the recovery of damages or civil penalties that do not exceed any maximum allowable amounts specified in the applicable federal act or rule, and permits that recovery under the act or the applicable federal act or rule, but not under both the act and the federal act or rule.

Requires the AG, in any proceedings under the act, to recognize any exemptions recognized by the Federal Communications Commission (FCC) under the Telephone Consumer Protection Act of 1991, any amendment or reenactment of that Act, any rule adopted pursuant to that Act, or any amendment of that rule.

During the pendency of a civil action instituted by or behalf of the Federal Trade Commission (FTC) or the FCC for a violation of an applicable federal act or rule, prohibits the AG from instituting any civil action against any defendant named in the FTC or FCC complaint for any violation alleged in that complaint.

Prohibits the AG, if a civil action is instituted by or on behalf of the FTC or FCC as described above, the civil action is litigated to its conclusion, and the FTC or FCC recovered damages or civil penalties or obtained relief, from instituting any civil action under the act for any violation within the same time period that is alleged in the FTC or FCC action and in which the FTC or FCC recovered the damages or civil penalties or obtained the relief.

Creates the Telephone Solicitation Protection Fund in the state treasury into which any civil penalties imposed under the act are to be deposited to be used to pay the costs of the Office of the AG in investigating any violation of, and in enforcing, the federal acts or rules described above or the act.

Requires any nonemergency medical service organization to register ambulettes in the same manner that emergency medical service organizations must register ambulances.

Requires any nonemergency medical service organization or air medical service organization to obtain a permit for each ambulette or air ambulance that it owns or leases.

Eliminates the authority for a licensed emergency medical service organization to furnish a certificate of self-insurance in lieu of maintaining the required insurance coverage.

Authorizes the summary license suspension of any person or entity that is regulated by the Ohio Medical Transportation Board (formerly the Ohio Ambulance Licensing Board), and establishes the procedures for the summary license suspension.

Charges the Board with the duty of administering and enforcing the ambulette and air ambulance licensing programs, and modifies the Board's membership due to the additional duties.

Requires an applicant for employment as an ambulette driver to be trained in first aid and cardiopulmonary resuscitation and to consent to a background investigation that includes a criminal records check and drug and alcohol testing.

Codifies in statute previously adopted rules dealing with the treatment of certain trusts for purposes of determining an individual's eligibility for medical assistance that is reimbursable by the Medicaid Program.

Removes the terms "colored persons," "Negroes," and "person of color" from statutory provisions relating to capital improvement contracts with minority business enterprises, certain hiring hall contracts, and life insurance contracts.

Broadens the application of continuing prohibitions against various forms of discrimination in the sale and cost of life insurance to include all races.

Modifies the procedure that an insurance company must follow when it denies life insurance and the applicant believes the denial was on the basis of race.

TAXATION

Sub. H.B. 127

Reps. Jolivette, Young, Seitz, Widowfield, Olman, Hagan, Hollister, Hughes, Niehaus, McGregor, Collier, Latta, Schaffer, Kilbane, Aslanides, Barrett, Daniels, DePiero, Distel, Driehaus, Flowers, Gilb, Hoops, T. Patton, Raussen, Schlichter, Schmidt, Setzer, G. Smith, Wagner, Webster, Wilson, Wolpert

Sens. Spada, Amstutz, Austria, Carey, Harris

Effective date: March 11, 2004; certain provisions effective December 11, 2003

Permits counties, municipal corporations, and townships to acquire tax-delinquent real estate before the foreclosure proceeding begins without necessarily assuming the entire tax debt.

Extinguishes the tax debt if all of the other taxing districts waive all of their claims to delinquent taxes on the real estate.

Exempts acquired real estate from further taxation for as long as it is owned by the county, municipal corporation, or township.

If the county, municipal corporation, or township later sells the property, requires net proceeds from the sale to be spent for redevelopment.

Revises the land reutilization program in regard to delinquent vacant lands and the ability to locate the program in a municipal corporation.

Permits delinquent land to be redeemed after a foreclosure proceeding has been instituted, but before a confirmation of sale has been entered in the proceeding, if the property complies with applicable zoning regulations, land use restrictions, and building, health, and safety codes.

Exempts from municipal income taxation all of an S corporation shareholder's distributive share of net profits of the S corporation, other than wages or net earnings, except that: (1) if, as of December 6, 2002, a municipal corporation taxed a shareholder's distributive share of net profits to any greater extent than that permitted under former law, and a majority of the municipal corporation's electors voted in favor of that question at the November 4, 2003, election, the municipal corporation may continue to so tax the distributive share of net profits, or (2) if, on December 6, 2002, a municipal corporation was imposing, assessing, and collecting a tax on that distributive share of net profits to the extent the share would be attributable to business activities in Ohio, and a majority of the municipal corporation's electors vote in favor of that question at an election to be held

on November 2, 2004, the municipal corporation may continue to impose the tax on that Ohio-source share.

If the electors of a municipal corporation vote in favor of the questions presented at either of the elections discussed above, provides that the municipal corporation must tax S corporation shareholders' distributive shares of net profits of the S corporation in the hands of the shareholders, and requires the municipal corporation to specify that in its ordinances or rules.

Rounds the homestead exemption tax reduction amounts to the nearest \$10, rather than \$100, if the \$100 rounding does not increase the dollar amounts by which taxable or assessable value is reduced.

Changes the law to permit prepayment of real property or manufactured or mobile home taxes by credit card, provides that discounts credited to prepaying taxpayers must be commensurate with the expenses incurred by the county treasurer to process prepayments, and allows the treasurer to keep a single record for all parcels or homes owned by a taxpayer.

Limits the Tax Commissioner's authority to enforce certain components of enterprise zone agreements.

Revises the information and statements that are required to be in an enterprise zone agreement.

Exempts inventory in an enterprise zone from taxation only if the enterprise zone agreement specifically grants the exemption.

Adds to the prohibitions against entering into enterprise zone agreements the expansion or relocation of operations to another location in Ohio that results in a reduction of an Ohio operation.

Updates the enterprise zone city and population eligibility criteria to reflect the federal census of 2000.

voids an enterprise zone agreement if the requirement to be a "facility" has not been met.

Reorganizes tax incentive review councils (TIRCs).

Revises the duties of TIRCs when reviewing agreements granting tax exemptions for property used in or subject to urban renewal projects, community redevelopment programs, community reinvestment area programs, enterprise zone agreements, tax increment financing for public infrastructure improvements, or incentive agreements for remediation of property.

Authorizes TIRCs to request information from owners of property that is exempted from taxation under those agreements.

Requires legislative authorities that receive recommendations from a TIRC to act on the recommendations.

Clarifies that the sales tax does not apply to public transit buses that seat ten or fewer persons, and permits persons operating such buses with that seating capacity to apply for motor fuel tax refunds.

Delays from January 1, 2004, to January 1, 2005, the new sales tax law that establishes uniform standards, in accordance with the Streamlined Sales and Use Tax Agreement, for determining whether to source certain sales, leases, or rentals to Ohio.

For purposes of determining tax liability under the corporation franchise tax law: (1) eliminates from the sales factor sales of "excluded assets," such as intangible or intellectual property, (2) establishes market-based situsing requirements that center on the types, and the location or use, of property, to be used in determining whether sales of the property were in Ohio, and (3) provides that a law permitting related corporations to combine their net incomes for purposes of computing the value of issued and outstanding shares of stock cannot be considered as part of the total value computation.

Extends until 2015 the new manufacturing machinery and equipment tax credit against corporation franchise tax or income tax liability.

Revises the method for computing the property, payroll, and sales factors used in calculating a trust's modified Ohio taxable income.

Requires that interest earned on the School District Income Tax Fund be credited to that Fund.

Permits subdivisions to specify that revenue from a property tax levied for various police purposes may also be used to pay for police department buildings and building sites.

Changes the recipient entities of earmarks under the General Revenue Fund (GRF) appropriation item, Air Force Institute of Technology, that were made in the 2003-2005 biennial appropriations act (Am. Sub. H.B. 95).

From unspent and unobligated cash balances, if any, in the GRF, makes an appropriation to the Department of Development of up to \$5 million over both fiscal years of the 2004-2005 biennium to support economic development projects for which appropriations otherwise would not be available.

Am. Sub. S.B. 37

Sen. Blessing

Reps. Kilbane, Latta, Carano, McGregor, Cates, S. Patton, T. Patton, J. Stewart

Effective date: October 21, 2003

Clarifies that packaging materials used by persons engaged in highway transportation for hire are subject to state and local sales or use taxes.

Moves a continuing sales tax exemption for transfers of motion picture films to a separate exemption provision.

Modifies the notice requirements pertaining to delinquent real property tax certificate sales.

Effective date: Emergency, June 12, 2003; Sections 3 and 4 effective July 1, 2003

Extends the time within which members of the National Guard and reserve components of the armed forces of the United States who have been called to active duty must pay real property and manufactured or mobile home taxes.

Extends educator licenses for teachers while serving on active duty.

Exempts leases of computer equipment and related software from the use tax if the equipment and software are held in Ohio temporarily.

Delays the effective date of previously enacted changes in the Sales Tax Law.

UTILITIES

Sub. H.B. 133

Reps. Olman, Driehaus, Strahorn, Carmichael, Distel, Hartnett, G. Smith, Niehaus, Schmidt, Barrett, Fessler, Harwood, Hollister, Hughes, Latta, McGregor, S. Patton, T. Patton, Price, Reidelbach, Seitz, J. Stewart

Sen. Blessing

Effective date: April 7, 2004

Eliminates the requirement of a determination of the need for a major electric generating facility by the Power Siting Board prior to authorizing the facility.

Extends to such a facility a standard established under continuing law that is applicable to electric transmission lines: that the facility be consistent with regional electric power grid plans and serve system economy and reliability in order to be authorized by the Board.

Authorizes the Board to conduct a complaint hearing if it finds reasonable grounds to believe that a violation of power siting law has occurred.

Authorizes the Board by order or its chairperson, by written notice and after an opportunity to respond, to require that any activity that is the subject of a complaint be suspended for the duration of the Board's consideration of the complaint, and requires the chairperson to terminate any such suspension if the complaint has been satisfactorily addressed.

Adds to the two continuing prohibitions under power siting law--not obtaining a certificate and not complying with a certificate--a third prohibition against failing to comply with an order or suspension issued under that law.

Authorizes the Board, upon a finding in a complaint hearing that a violation has occurred, to assess a forfeiture of not more than \$5,000 for each day of the violation, with the actual amount determined after considering specified factors.

Caps at \$1 million the total amount of forfeitures that may be imposed for a related series of violations under power siting law, with collected forfeitures deposited to the credit of the General Revenue Fund.

Authorizes, instead of requires, the criminal penalty established in continuing power siting law to be imposed if violations are proven in a criminal proceeding.

Advances from two years to one year before the planned construction date the latest date to file an application for a certificate for a major electric generating facility.

Removes Board authority to waive for "unforeseen emergencies" the filing period for an application for a certificate, and replaces it with authority to waive the filing period for "good cause shown."

Extends from seven to fifteen days the period within which newspaper notice must be given after the filing of an application.

Modifies punctuation to clarify the requirement that, generally, persons that wish to intervene in a siting proceeding must petition the Board for authority to do so.

Authorizes the Director of Development to provide financial assistance under the Energy Efficiency Revolving Loan Program in the form of direct loans or grants.

Modifies the authority of lending institutions to provide financial assistance under the Program to allow assistance in the form of loan participation agreements at below market rates or linked deposits rather than loans at below market rates or loan guarantees or linked deposits for such loans.

Limits the total of all grants provided in a fiscal year to not more than 10% of the revenue paid into the Energy Efficiency Revolving Loan Fund during the previous fiscal year.

Am. Sub. S.B. 44

Sens. Robert Gardner, Blessing, Spada, Dann, Mumper, Prentiss

Reps. Olman, Hartnett, Hagan, Distel, Schmidt, Cates, C. Evans, McGregor, Niehaus, J. Stewart

Effective date: January 6, 2004

Authorizes a waterworks company or sewage disposal system company that is a public utility to submit an application to the Public Utilities Commission (PUCO) for approval to collect a surcharge of up to 3% on the company's rates in order to cover costs of certain infrastructure plant investments made after March 1, 2003, and before the application filing date, and provide a fair and reasonable rate of return on those investments.

Prohibits the PUCO from authorizing such a company to have more than three surcharges in effect at any time.

Provides that no surcharge can be in effect after December 31, 2014, and that all surcharges must terminate if a general rate increase is approved for the company.

Authorizes the PUCO to reduce or terminate a surcharge in order to prevent the company from earning an excessive rate of return on the most recent rate case valuation of the company's property considered used and useful in rendering utility service.

Authorizes, instead of requires, a waterworks company to seek PUCO approval of a rate change based solely on a change in the cost of any water the company obtains from a municipal corporation or other local governmental unit whose rates are not subject to PUCO regulation, and also confers this authority when a rate change is based on a change in cost of water supplied by another waterworks company.

Establishes that same PUCO approval authority for a sewage disposal system company that seeks a rate change based solely on a change in the cost of sewage treatment supplied by such a municipal corporation or local governmental unit or by another sewage disposal system company.

1 Eff. Date Note: Joint resolution adopted 04/08/03; constitutional amendment not approved by voters on 11/04/03

REVISED CODE SECTIONS AFFECTED

Listed below are all sections* of the Revised Code actually affected by acts of the 125th General Assembly during 2003. Most listed sections were amended, repealed, enacted, or repealed and reenacted using the same section number. But some sections were renumbered. In these cases, the old number and the new number are listed separately. The new number also appears in parentheses underneath the old number.

*Some sections that were affected by bills are not listed and some sections, although listed, do not show all of the actions affecting them. Excluded from the list are sections with sunsets (future repeals) and sections for which the amendment, enactment, repeal, or reenactment has been postponed to a later date by legislation enacted during 2003. The list also excludes sections vetoed in full by the Governor and, though none in 2003, sections nullified by referendum.
