# Appendix E: Ohio General Assembly Demographics

## Political Party Affiliation and Transfer of Majority Membership in the Ohio General Assembly (1983-2019)

\*During the 126<sup>th</sup> General Assembly, two House members switched political party affiliation from Democrat to Republican. The first change took place following the 2004 election, and the chart reflects that change – total House Republican membership, 60, House Democrat membership, 39. The second change took place in July 2006, but the member subsequently resigned and the vacancy was filled by the Democrat who won the November 2006 election.

## Appointments to Fill Ohio General Assembly Vacancies (2001-November 22, 2019)

\*During the 130<sup>th</sup> General Assembly, there were three vacancies in the House of Representatives and one vacancy in the Senate. Members were appointed to fill two of the House vacancies. However, no appointments were made to fill the other two vacancies created when one House member and one Senate member resigned effective November 30, 2014.

\*\*During the 132<sup>nd</sup> General Assembly, there were ten vacancies in the House of Representatives and three in the Senate. Members were appointed to fill all of the vacancies, except for the one created when a member resigned effective December 27, 2018.
