To Whom It May Concern;

The Ohio Municipal League has reviewed the draft of the Local Impact Statement Report for Bills Enacted in 2019 and would like to make the following comments:

The report provides helpful information to organizations representing local governments, their respective members and the public. This information would have otherwise been difficult to access or compile.

This document traditionally gives both lawmakers and administration leadership insight into how best to invest in our state's cities and villages and the impact of the actions taken by the legislature, both intentionally and any unintentional consequences.

As state budget bills are not included in the Local Impact Statement Report, the League respectfully requests that the legislature revise the policy requirements to include state budget bills in the report. This inclusion would demonstrate the impact that state legislation has on local governments.

We look forward to continue to strengthen the partnership between Ohio's municipalities and the state in order to ensure a safe and prosperous future for our state and our citizens.

The Ohio Municipal League commends the staff of the Legislative Service Commission for the time and effort they put into this report.

Respectfully,

Kent Scarrett
Executive Director
Ohio Municipal League
