1 (CD-56-OIC) Telecommunications and Computer Services Contracts**R.C. 125.021**

Precludes the Department of Administrative Services from operating, superintending, or making contracts on behalf of the Industrial Commission for telephone, other telecommunication, or computer services. The Industrial Commission may opt, however, to have the Department of Administrative Services contract on its behalf.

Fiscal effect: The Industrial Commission is permitted discretion with respect to contracting for telecommunications and other computer services. A potential exists for both savings and higher expenditures, depending upon the service contracts into which the Commission enters.
