ADMINISTRATIVE BUILDING FUND (026)

CAP-001	Ohio Courts Building Renovations (Franklin)	Renovation/ Replacement	\$32,600,000
---------	--	----------------------------	--------------

These funds will be used to further renovations and repairs of 65 South Front Street to facilitate the move of the Supreme Court and related judicial agencies into the Ohio Departments Building. The Supreme Court expects the entire project to be completed by the middle of fiscal year 2003. Some of the funding will also be used to provide furniture, fixtures and building equipment. Other projects related to the building's renovation that are either completed or in progress include replacement of the building's marble façade, replacement of windows, adding insulation, renovation of roof and interior spaces, elevator renovations, hazardous materials abatement and HVAC improvements.
