## HIGHER EDUCATION IMPROVEMENT FUND (7034)

**(BOR)**

**Board of Regents**

---

<b>C23501</b>	<b>Ohio Supercomputer Center Expansion</b>	<b>\$2,000,000</b>
---------------	--	--------------------

*Category:* Capital Equipment

*County:* Statewide

These funds will support various projects at the Ohio Supercomputer Center (OSC), including (1) high-performance computing upgrades; (2) shared data resources/DataGRID; and (3) shared statewide scientific software licenses. The center also manages the OSCnet that provides Internet services to colleges and universities, K-12 schools, hospitals, and public television stations. Previous capital appropriations for the OSC include \$0.2 million in H.B. 699, \$6.8 million in H.B. 16, \$8.5 million in H.B. 675, \$6.5 million in H.B. 640, and \$14.3 million in H.B. 850.

---

<b>C23502</b>	<b>Research Facility Action and Investment Funds</b>	<b>\$5,500,000</b>
---------------	--	--------------------

*Category:* New Construction & Renovation

*County:* Statewide

These funds are to be used for a grant program that provides timely availability of capital facilities for research programs and research-oriented instructional programs at or involving state-supported and state-assisted institutions of higher education. H.B. 640 changed this appropriation item's name from Research Facility and Investment Loans and Grants to Research Facility Action and Investment Funds. Previous appropriations include \$5.5 million in H.B. 699, \$5.0 million in H.B. 16, \$19.0 million in H.B. 675, \$20.0 million in H.B. 640, and \$20.0 million in H.B. 850.

---

<b>C23506</b>	<b>Third Frontier Wright Capital</b>	<b>\$100,000,000</b>
---------------	--------------------------------------	----------------------

*Category:* Capital Equipment, New Construction & Renovation

*County:* Statewide

These funds are used to provide competitive grants for capital improvements and capital facilities at or involving state-supported/assisted institutions of higher education. The funds are intended to support the acquisition, renovation, and construction of facilities and the purchase of equipment for product development programs, commercialization programs, research programs, and technology development at or involving these institutions. These competitive grants are administered by the Third Frontier Commission, which maintains guidelines relative to the application for and selection of projects funded from this appropriation item. Previous appropriations include \$50.0 million in H.B. 699, \$50.0 million in H.B. 16, and \$50.0 million in H.B. 675.

---

<b>C23516</b>	<b>Ohio Library and Information Network (OhioLINK)</b>	<b>\$9,910,000</b>
---------------	--	--------------------

*Category:* Capital Equipment

*County:* Statewide

These funds will support various projects at OhioLINK, including (1) continued software development of innovative interfaces to create and maintain full functionality for effective and efficient access and delivery of the electronic catalogs; (2) continued expansion and development of central site facilities and capacities for effective and efficient storage, access, and delivery of all electronic resources maintained by OhioLINK (e.g., catalogs, reference data bases, electronic journals, images, and multi-media resources); and (3) the purchase and licensing of electronically stored full texts of books, records, journals, and image/multi-media contents. Previous appropriations include \$5.4 million in H.B. 699, \$8.1 million in H.B. 16, \$8.2 million in H.B. 675, \$7.5 million in H.B. 640, and \$6.5 million in H.B. 850.

---

<b>C23519</b>	<b>315 Corridor/SciTech</b>	<b>\$500,000</b>
---------------	-----------------------------	------------------

*Category:* Community Project(s)

*County:* Franklin

This line item provides funding for a community project.

---

<b>C23524</b>	<b>Supplemental Renovations - Library Depositories</b>	<b>\$5,500,000</b>
---------------	--	--------------------

*Category:* Renovation/Replacement

*County:* Multi-county - Athens, Franklin, Hamilton, Portage, Wood

These funds support basic renovations at the five regional library depositories, which allow the largest university libraries to store less used materials in off-site facilities. A previous appropriation for \$2.0 million was made in H.B. 699.

---

<b>C23529</b>	<b>Non-credit Job Training Facilities</b>	<b>\$2,350,000</b>
---------------	---	--------------------

*Category:* Capital Equipment, New Construction & Renovation

*County:* Statewide

These funds will be used to provide capital improvement grants to Ohio's public two-year campuses to help them deliver non-credit training and assessment services. Grants are to be awarded on a competitive basis. Grants will support the Ohio Skills Bank, which will link education and workforce development to the needs of Ohio's businesses. Training and assessment services will continue to support the attraction, expansion, and retention of business projects related to local and regional economic development efforts.

Previous appropriations include \$2.4 million in H.B. 699, \$6.0 million in H.B. 675, \$6.3 million in H.B. 640, and \$6.3 million in H.B. 850.

---

<b>C23530</b>	<b>Technology Initiatives</b>	<b>\$3,741,000</b>
---------------	-------------------------------	--------------------

*Category:* Capital Equipment

*County:* Statewide

These funds will be used for a program that provide competitive grants for various technology initiatives. Established in the FY 1999-FY 2000 biennium, this program supports collaborative initiatives to improve the quality and efficiency of instruction, services, and program offerings at state colleges and universities. Funding for the FY 2009-FY 2010 biennium will be used to fund technology projects that help implement the strategic plan for the University System of Ohio. Previous appropriations for this program include \$2.0 million in H.B. 699, \$3.7 million in H.B. 675, \$10.0 million in H.B. 640, and \$10.0 million in H.B. 850.

---

<b>C23531</b>	<b>Ohio Aerospace Institute</b>	<b>\$200,000</b>
---------------	---------------------------------	------------------

*Category:* Capital Equipment, Renovation/Replacement

*County:* Statewide

These funds support the Ohio Aerospace Institute, a consortium of Ohio universities, NASA Lewis Research Center, Wright-Patterson Air Force Base and a number of technology-driven corporations focused on the creation, integration, application, and communication of aerospace-related knowledge and the commercialization of related technologies. Previous appropriations include \$200,000 in H.B. 699, \$300,000 in H.B. 640 and \$300,000 in H.B. 850.

---

<b>C23532</b>	<b>Dark Fiber/OARnet</b>	<b>\$2,000,000</b>
---------------	--------------------------	--------------------

*Category:* Capital Equipment

*County:* Statewide

These funds are used to support the OSCnet network that interconnects Ohio's colleges and universities with each other as well as with national commercial and academic networks. The funds will be used for the acquisition of telecommunications hardware and software as well as for the purchase of telecommunications connections. Previous appropriations include \$5.0 million in H.B. 699, \$4.5 million in H.B. 16, and \$5.0 million in H.B. 675.

---

<b>C23533</b>	<b>Instructional and Data Processing Equipment</b>	<b>\$20,799,000</b>
---------------	--	---------------------

*Category:* Capital Equipment

*County:* Statewide

These funds are provided to the university main and branch campuses, community colleges, and technical colleges to supplement local resources in acquiring instructional and data processing equipment and materials. The funds are distributed based on each campus's share of the statewide instructional and related costs. For example, if a campus's instructional and related cost is 10% of the statewide instructional and related costs, the campus will receive

10% of the appropriation for this line item. The equipment purchased with these funds must be used directly for instruction or in direct support of instruction. Acceptable equipment includes computer workstations but excludes office furnishings and vehicles. Previous appropriations include \$23.8 million in H.B. 699, \$28.3 million in H.B. 16, \$33.0 million in H.B. 675, \$33.0 million in H.B. 640, and \$33.0 million in H.B. 850.

---

**C23534 Central State Student Activity Center \$14,000,000**

*Category:* New Construction

*County:* Greene

These funds will be used to construct a new 75,000 SF facility to serve as an anchor for student life on campus. The facility will include a small cafeteria, bookstore, copy center, student organization and student government offices, study spaces, lounge areas, computer lab, game room, bowling alley, ballroom, meeting rooms, and a chapel. The total cost of this project is estimated at approximately \$23.0 million, of which \$9.0 million is to come from the university.

*County:* Cuyahoga

This line item provides funding for a community project.

**(UAK) University of Akron - Main**

---

**C25000 Basic Renovations \$5,056,161**

*Category:* Renovation/Replacement

*County:* Summit

These funds will be used for various renovation projects costing from \$25,000 to \$500,000 each. Examples include renovating classrooms, laboratories, and offices; replacing roofs and sidewalks; resurfacing roads and parking lots; and replacing wiring and lighting systems.

---

**C25033 Polymer Processing Center - Phase 2 \$7,363,281**

*Category:* New Construction

*County:* Summit

These funds will be used to complete the construction of a 5,000 square foot applied research facility that will add 30,000 square feet of instructional and general space. The building construction is to be completed in June 2009. The project will support the Third Frontier initiative by coordinating the university's polymer research and providing industrial firms a single location to contact for product development activities. The estimated cost of the project is \$19.6 million; the university is to provide \$0.6 million and Third Frontier grants is to provide \$5.7 million. The remaining \$13.3 million is to be funded by state capital

appropriations. Previous appropriations for Phase 1 include \$4.9 million in H.B. 699 and \$1.0 million in H.B. 675.

---

**C25038 College of Education** **\$5,000,000**

*Category:* New Construction

*County:* Summit

These funds will be used to construct a new facility including offices, classrooms, and teaching laboratories for various departments within the College of Education. This facility will replace the Carrol and Memorial Halls and provide space for expansion of the Department of Sports Science and Wellness Education. The overall project is estimated to cost \$20.8 million; the university is to provide \$15.8 million in local funds.

---

**C25039 Campus Implementation** **\$1,452,047**

*Category:* Land Acquisition/Site Development

*County:* Summit

This project includes the development of campus location and directional signage, site amenities, lighting and improvements to landscaping and the Buchtel Commons area. The overall project is estimated to cost \$7.3 million; the university plans to request an additional \$5.8 million in future state appropriations over the next two biennia for this project.

<b>C26530</b>	<b>Medical Science Building Renovation and Expansion</b>	<b>\$26,412,509</b>
---------------	--	---------------------

*Category:* New Construction & Renovation

*County:* Hamilton

This ongoing project will renovate the 800,000 GSF Medical Sciences Building (MSB) in five phases and construct a 236,000 GSF addition west of MSB called the Center for Academic and Research Excellence (CARE). The project includes new and upgraded teaching and research labs, classrooms, an expanded library, and support space. The CARE and MSB Phase 1 portions of the project are now complete. Phases 2 through 5 of the MSB rehabilitation project will include upgrades to the heating, cooling, and electrical systems and related architectural work in 746,500 GSF of academic space. The MSB project began in 1997; its completion is expected in 2016 or later.

The total MSB project is estimated to cost \$402.0 million, of which \$177.5 million will be provided by the university. Previous state appropriations include \$17.3 million in H.B. 699, \$5.9 million in H.B. 16, \$7.0 million in H.B. 675, and \$6.0 million in H.B. 850. Future appropriation requests are expected into the FY 2015-FY 2016 biennium.
