*Category:* Renovation/Replacement, New Construction & Renovation

*County:* Ottawa

This capital appropriation will be used to for the construction, delivery, and installation of modular housing units at the Camp Perry facility. All of the 27 existing units are over 60 years old and in poor condition beyond renovation. The Adjutant General's Department master plan calls for the replacement of the existing 27 units with 28 modern, energy efficient units. The new units will provide upgraded service capability to Ohio National Guard soldiers and airmen as well as visitors to Camp Perry. The master plan is in its first phase, as six units are currently being constructed with Controlling Board approval. Moneys from this appropriation will be used to build 4 additional cottages.
