Board of Regents

HIGHER EDUCATION IMPROVEMENT TAXABLE FUND (7024)

C23547 Central State Student Activity Center - Taxable \$19,000,000

County: Greene

These funds will be used to construct a new 110,000 square foot University Student Center at Central State University. Work will include design, site preparation, the demolition of Banneker Science Hall, and construction. The new Student Center will house dining facilities, student support and services facilities, computer and technology facilities, and other student services programs.

HIGHER EDUCATION IMPROVEMENT FUND (7034)

C23501 Ohio Supercomputer Center \$2,000,000

County: Statewide

These funds will support various projects at the Ohio Supercomputer Center (OSC). The center manages the OSCnet that provides internet services to colleges and universities, K-12 schools, hospitals, and public television stations. Previous capital appropriations for the OSC include \$2.0 million in H.B. 562, \$0.2 million in H.B. 699, \$6.8 million in H.B. 16, \$8.5 million in H.B. 675, \$6.5 million in H.B. 640, and \$14.3 million in H.B. 850.

C23502 Research Facility Action and Investment Funds \$3,925,000

County: Statewide

These funds are to be used for a grant program that provides timely availability of capital facilities for research programs and research-oriented instructional programs at or involving state-supported and state-assisted institutions of higher education. H.B. 640 changed this appropriation item's name from Research Facility and Investment Loans and Grants to Research Facility Action and Investment Funds. Previous appropriations include \$5.5 million in H.B. 562, \$5.5 million in H.B. 699, \$5.0 million in H.B. 16, \$19.0 million in H.B. 675, \$20.0 million in H.B. 640, and \$20.0 million in H.B. 850.

C23516 Ohio Library and Information Network \$9,000,000

County: Statewide

These funds will support the activities and development of OhioLINK, including software, central site facilities, and capacities for effective and efficient storage, access, and delivery of all electronic resources maintained by OhioLINK (e.g., catalogs, reference data bases, electronic journals, images, and multi-media resources). Funding also supports the purchase and licensing of electronically stored full texts of books, records, journals, and image/multi-media contents. Previous appropriations include \$9.9 million in H.B. 562, \$5.4 million in H.B. 699, \$8.1 million in H.B. 16, \$8.2 million in H.B. 675, \$7.5 million in H.B. 640, and \$6.5 million in H.B. 850.

C23524 Supplemental Renovations - Library Depositories \$2,000,000

County: Statewide

These funds support basic renovations at the five regional library depositories, which allow the largest university libraries to store less used materials in off-site facilities. Previous appropriations include \$5.5 million in H.B. 562 and \$2.0 million in H.B. 699.

C23529 Non-credit Job Training Facilities \$2,000,000

County: Statewide

These funds will be used to provide capital improvement grants to Ohio's public two-year campuses to help them deliver non-credit training and assessment services. Grants are to be awarded on a competitive basis. Training and assessment services will continue to support the attraction, expansion, and retention of business projects related to local and regional economic development efforts. A previous appropriation for \$2.4 million was made in H.B. 562.

C23530 Technology Initiatives \$3,075,000

County: Statewide

These funds are used for a program that provides competitive grants for various technology initiatives. Established in the FY 1999-FY 2000 biennium, this program supports collaborative initiatives to improve the quality and efficiency of instruction, services, and program offerings at state colleges and universities. Previous appropriations for this program include \$3.7 million in H.B. 562, \$2.0 million in H.B. 699, \$3.7 million in H.B. 675, \$10.0 million in H.B. 640, and \$10.0 million in H.B. 850.
