
(OSD) OHIO SCHOOL FOR THE DEAF

Administrative Building Fund	\$1,313,983
TOTAL - All Funds	\$1,313,983

ADMINISTRATIVE BUILDING FUND (7026)

C22107 Renovations and Improvements **\$1,313,983**

County: Franklin

These funds will be used for several projects on the Ohio School for the Deaf (OSD) campus. They involve: (1) replacement of 60-year old, single-pane windows and frames, (2) renovation of former OSD classrooms into a student health services area (as designed, the new OSD school building does not have a student health services area and the existing area is in a building that will be mothballed), (3) installation of fire lanes around existing OSD buildings to ensure emergency vehicles have sufficient access to all buildings on the campus, and (4) production of a feasibility study to plan for the future demolition of certain existing buildings on the OSD campus, many of which share common electrical, HVAC, fire, telecommunications, and utilities systems or infrastructure.
