
(AGR) DEPARTMENT OF AGRICULTURE

Administrative Building Fund	\$1,000,000
TOTAL - All Funds	\$1,000,000

ADMINISTRATIVE BUILDING FUND (7026)

C70007 Building and Grounds Renovation **\$1,000,000**

County: Licking

This appropriation will allow the Department of Agriculture to undertake various improvements to facilities at its headquarters in Reynoldsburg, including building HVAC and operating systems, minor building renovations, building equipment system replacements, security upgrades, and land improvements. H.B. 562, which provided capital funding to state agencies for the FY 2009-FY 2010 biennium, appropriated \$650,000 for these purposes.

Approximately \$300,000 of this appropriation will be used to complete scheduled roof replacement and repairs on the nine primary buildings at the Department's complex. This amount is based on an infrared evaluation of the roof structures of these buildings performed in FY 2010 that identified and ranked the necessary repairs. The first phase of the project began in FY 2010 and was recently completed at a cost of approximately \$425,000.
