
(DRC) DEPARTMENT OF REHABILITATION AND CORRECTION

Adult Correctional Building Fund	\$67,886,857
TOTAL - All Funds	\$67,886,857

(DRC) Statewide & Central Office Projects

ADULT CORRECTIONAL BUILDING FUND (7027)

C50103 Asbestos Abatement - Statewide **\$2,773,950**

County: Statewide

This capital appropriation funds the abatement or removal of asbestos and other hazardous materials that are identified during institutional renovation, repair, or maintenance projects.

C50104 Power House/Utility Improvements - Statewide **\$4,182,927**

County: Statewide

This capital appropriation funds the upgrade and replacement of components of power plant and utility supply and distribution systems at various correctional institutions

C50105 Water System/Plant Improvements - Statewide **\$6,844,954**

County: Statewide

This capital appropriation funds the upgrade and replacement of components of the Department's water treatment and wastewater treatment plants to ensure compliance with state and federal environmental laws and regulations. These components include: hot and cold water distribution, water and sewer lines, domestic hot water heaters, water softeners, water towers and reservoirs, sewage pumps, and wastewater collection systems.

C50110 Security Improvements - Statewide **\$6,032,169**

County: Statewide

This capital appropriation funds security upgrades and additions at various correctional institutions, including perimeter security systems (fencing and intrusion detection), sallyports, locking systems, security doors and windows, control centers, security cameras, closed circuit surveillance, physical plant lighting, and alarms.

C50136 General Building Renovations - Statewide **\$40,036,721**

County: Statewide

This capital appropriation funds maintenance and repair of existing structures within the correctional institutions, including, but not limited to, window replacements, roof replacements, floor repairs, utility tunnel renovations, shower and laundry renovations, compound lighting upgrades, HVAC unit replacements, tuck pointing and cornice repair, and Americans with Disabilities Act (ADA) renovations.

C501B3 Electrical System Upgrade - Statewide \$8,016,136

County: Statewide

This capital appropriation funds the upgrading of electrical systems and emergency generators at various correctional institutions. Many of the Department's older correctional institutions, which were not designed with electrical systems adequate to meet current demands, require electrical upgrades to provide adequate and reliable power for essential security, fire alarm, and communication systems.
