ADMINISTRATIVE BUILDING FUND (7026)

C72300 Electric Upgrades **\$3,120,000**

County: Franklin

This is an ongoing multiple-area project to address electrical safety concerns throughout the Ohio Expositions Center grounds. This funding will focus on replacing utility poles and overhead primary service near the northeast corner of the property on 17th avenue, and an expansion of the current electrical system allowing for more diversified use without the restrictions of working around overhead power lines. H.B. 562 of the 127th General Assembly appropriated \$2,100,000 for these purposes.

C72305 Facility Improvements and Modernization **\$2,880,000**

County: Franklin

These funds will be used to replace the existing north entrance to the fairgrounds, perform building renovations on the south campus portion of the fairgrounds, and to complete the fence replacement south of the 17th avenue boundary of the fairgrounds. This project is a portion of Phase II of the Facility Improvement Master Plan developed in FY 2001. Phase I was completed in FY 2002. This project did not receive any funding in H.B. 562 of the 127th General Assembly.

C72312 Emergency Renovations and Equipment Replacement **\$1,500,000**

County: Franklin

These funds will be used for emergency repairs that might be required as the result of water main breaks, loss of service on buried primary electrical lines, and so forth. The funds would also provide for the repair or purchase of major equipment that is necessary for the operation of the Ohio Expositions Center. H.B. 562 of the 127th General Assembly appropriated \$1,000,000 for these purposes.
