C37406 Network Operations Center - Electrical Upgrades \$200,000

County: Franklin

These funds will be used to upgrade the Richard B. Hull Operations Center's electrical distribution panel. The project will upgrade electrical power to the specific areas of the building that require reliable and uninterrupted power for proper service.

C37412 OGT Facilities and Equipment \$800,000

County: Franklin

These funds will be used by Ohio Government Television (OGT) for several updates and projects. They involve: (1) \$400,000 to purchase a video server to host both broadcast and web video feeds, (2) \$300,000 to upgrade Statehouse fiber for digital broadcasting, and (3) \$100,000 to replace studio lighting fixtures.

C37413 Statehouse News Bureau \$40,230

County: Franklin

These funds will be used by the Statehouse News Bureau to replace out-dated studio and field production systems. Specifically, the appropriation provides funds to purchase updated workstations, microphones, editing servers, and other related equipment.

C37414 Cincinnati Association for the Blind and Visually Impaired \$3,589

County: Hamilton

These funds will be used by the Cincinnati Association for the Blind and Visually Impaired (CABVI) to replace inadequate studio workstations. This project includes the replacement of three audio workstations, as well as battery backup/surge protectors that protect current sound boards from damage due to power outages and surges. CABVI provides radio reading services for visually-impaired listeners in Hamilton County. There is a local match of 10% or \$399 for this project

C37415 Cleveland Sight Center \$5,280

County: Cuyahoga

These funds will be used by the Cleveland Sight Center Network (CSCN) to replace an aging broadcast server. The new server will be used for storage and delivery of CSCN's radio-reading service, which provides services for visually-impaired listeners in Cuyahoga County. There is a 10% or \$587 local match for this project.

C37416 Goodwill Miami Valley - Production Equipment \$50,085

County: Montgomery

These funds will be used by Goodwill Easter Seals Miami Valley (GESMV) to replace outdated broadcasting equipment, including digital audio equipment and installation. GESMV provides radio reading service to visually-impaired listeners in Montgomery County. A local match of 10% or \$5,565 will be provided for this project.

C37417 Goodwill Akron - Production Equipment \$5,188

County: Summit

These funds will be used by the Goodwill Industries of Akron to replace analog production infrastructure with a digital production and delivery system. Goodwill Industries of Akron's radio reading service, WEYE Seeing Eye Radio, provides radio reading services to visually-impaired listeners in Summit County. There is a local match of 10% or \$577 for this project.

C37418 Voicecorps Reading Service \$4,754

County: Franklin

These funds will be used by the Voicecorps Reading Service to replace out-dated broadcasting equipment, specifically audio workstations and custom audio software. Voicecorps Reading Service provides radio reading services to visually-impaired individuals in central Ohio. There is a local match of 10% or \$528 for this project.

C37419 Youngstown Radio Reading Service \$8,170

County: Mahoning

These funds will be used by Youngstown Radio Reading Service (YRRS) to replace the out-dated analog production system with a master digital production and delivery system. YRRS delivers radio reading services to visually-impaired listeners in Mahoning, Trumbull, Columbiana, and Ashtabula Counties. There is a local match of 10% or \$907 for this project.
