ADMINISTRATIVE BUILDING FUND (7026)

C87407 Statehouse Repair/Improvements **\$300,000**

County: Franklin

These funds will be used for two projects at the Statehouse: (1) \$200,000 to install brass handrailings on each side of the Senate Building grand stairs leading from the ground floor to the second floor and (2) \$100,000 for infrastructure changes necessary to prepare for renovation and improvements to the Ohio Statehouse Museum and Education Center. The \$1.1 million cost of the Center's renovation and improvements will be paid by the Capital Square Foundation through donations.
