Transportation Building Fund	\$100,000,000
<b>TOTAL - All Funds</b>	<b>\$100,000,000</b>

**TRANSPORTATION BUILDING FUND (7029)**

---

**C77705 Statewide Land and Buildings** **\$100,000,000**

*County:* Statewide

These funds will be used for the construction of between 10 and 15 facilities to serve ODOT operations throughout the state. These consist of three major types of facilities: Full-Service Maintenance, Outposts, and Yards. Full-Service Maintenance facilities are fully staffed and provide equipment maintenance services to support ODOT's highway maintenance operations. Outposts are minimally staffed on either a full-time or seasonal basis, depending on departmental needs, and do not provide full equipment maintenance services to the same extent as Full-Service Maintenance facilities. Finally, Yards are unstaffed locations that are used for support functions such as the storage and distribution of salt, equipment, calcium and brine, or fuel.
