STATE FIRE MARSHAL FUND (5460)

C80009 Forensic Laboratory Equipment **\$110,000**

County: Licking

This appropriation will be used to purchase an ion chromatography instrument which is used to identify and detect low levels of water soluble explosives. Current practice requires the Forensics Laboratory to send out such tests to national law enforcement labs.

C80023 SFM Renovations and Improvements **\$1,900,000**

County: Licking

This appropriation will be used to fund four projects on the Ohio Fire Academy campus. Specifically, \$850,000 will be used to replace the five main HVAC systems located on the campus. Secondly, \$400,000 will be used to replace the car and associated equipment of the main elevator. Thirdly, \$300,000 will be used to replace the fire alarm system on the campus. Finally, \$350,000 will be used for the campus's security monitoring system.

C80026 Forensic Evidence Storage/Maintenance Structure **\$2,187,500**

County: Licking

This appropriation will be used to construct a 12,500 square foot joint use building for the State Fire Marshall's Office. The building will be used by the Forensic Laboratory for the storage of case files and evidence. Approximately 7,500 square feet of the building will be used to house up to nearly 2,600 case files and evidence. The remaining 5,000 square feet of space will be used for State Fire Marshal maintenance staff and supplies. The space will provide storage for all grounds maintenance vehicles, tools, equipment and supplies, as well as general space for personnel.

ADMINISTRATIVE BUILDING FUND (7026)

C80032 Wellston Burn Building **\$300,000**

County: Jackson

This line item provides funding for a community project.
