LOTTERY PROFITS EDUCATION FUND (7017)

C23014 Classroom Facilities Assistance Program - Lottery Profits \$50,000,000

County: Statewide

These moneys are from the profits of the Ohio Lottery. Funds received from this item and appropriation items C23002, School Building Program Assistance, (Fund 7032) and C23001, Public School Buildings, (Fund 7021) will be used to provide the state share of basic project costs to those school districts participating in facilities programs overseen by the School Facilities Commission (SFC). Eligibility and priority for a district receiving state assistance is generally determined by the relative wealth of the district as measured through its three-year average adjusted valuation per pupil and the need to replace classroom facilities as assessed by SFC.

PUBLIC SCHOOL BUILDING FUND (7021)

C23001 Public School Buildings \$100,000,000

County: Statewide

These moneys are cash appropriations. Funds received from this item and appropriation items C23002, School Building Assistance Program, (Fund 7032) and C23014, Classroom Facilities Assistance Program - Lottery Profits, (Fund 7017) will be used to provide the state share of basic project costs to those school districts participating in facilities programs overseen by the School Facilities Commission (SFC). Eligibility and priority for a district receiving state assistance is generally determined by the relative wealth of the district as measured through its three-year average adjusted valuation per pupil and the need to replace classroom facilities as assessed by the SFC.

ADMINISTRATIVE BUILDING FUND (7026)

C23016 Energy Conservation Projects \$2,000,000

County: Statewide

Funds received from this line item will be used by FCC Office of Energy Services (OFCC-ES) to award capital funding on a competitive basis to state agencies for energy related projects. Funding will be prioritized based upon the return on investment. Funds may be used to retrofit and renovate existing state buildings with more energy efficient equipment or supplement new construction projects in cases where a slightly more energy efficient design could yield significant savings over the life of the building.

C230E5 State Agency Planning/Assessment \$1,500,000

County: Statewide

Funds received from this item will be used to complete a statewide assessment of state agency facilities for capital master planning and maintenance management. This assessment will determine the current physical condition of a facility and an estimate of costs necessary to repair, update, and renovate the facility to current facility type, code, and agency standards. The data developed from the assessment will support agency facility maintenance and utilization management.

CULTURAL AND SPORTS FACILITIES BUILDING FUND (7030)

C23023 OHS - Ohio History Center Exhibit Replacement \$1,000,000

County: Franklin

The project continues a sequential replacement of long-term exhibits in the Ohio History Center, as well as supporting collections care, access to the collection, and new ways to reach target audiences. This line item also funds gallery improvements that address building infrastructure renovations for HVAC and security systems.

C23024 OHS - Statewide Site Exhibit Renovation \$750,000

County: Statewide

The funds in this line item are used to maintain exhibits at 57 locations around the state. Projects expected to be funded by this line item include upgraded interpretive signs and kiosks at Glacial Grooves/Inscription Rock, Leo Petroglyphs, Lockington Locks, and Ohio Village; museum and site improvements at Flint Ridge; exhibit upgrades to reflect changes in technology, interpretive methods, and updated research at Fort Ancient Earthworks, Adena Mansion and Gardens, Johnston Farm and Indian Agency, Ohio River Museum, Wahkeena Nature Preserve, and the Youngstown Historical Center; and implementation of a collections monitoring system linked to the Ohio History Center in Columbus.

C23025	OHS - Statewide Site Repairs	\$1,050,410
---------------	-------------------------------------	--------------------

County: Statewide

This line item will be used for general repairs and renovations needed to maintain facilities at some of the Ohio History Connection's 57 designated state historic sites.

C23028	OHS - Basic Renovations and Emergency Repairs	\$1,000,000
---------------	--	--------------------

County: Statewide

This line item supports basic renovations and emergency repairs to some of the more than 300 buildings and structures that are a part of the historic site system administered by the Ohio History Connection. The renovations will be directed to preserving the waterproof characteristics and structural integrity of the historic site system's infrastructure. The funds will also be used to address emergency public safety and health improvements.

C23030	OHS - Rankin House State Memorial	\$393,250
---------------	--	------------------

County: Brown

This line item funds the completion of the first phase of a project to construct a visitors center for the Rankin House State Memorial and restore historic terracing on the hillside below the house. This phase includes the construction of the visitors center, underground utilities to the visitor center, interpretive panels and exhibits, security and fire detection, and telephone and data lines. Prior funding of \$653,000 for the first phase of this project was included in H.B. 497 of the 130th General Assembly.

C23031	OHS - Harding Home State Memorial	\$1,354,559
---------------	--	--------------------

County: Marion

This line item funds the restoration of the Harding Home and Press House to reflect the site's appearance in 1920, the year Harding conducted his front porch campaign. Funding also supports other items related to sitework, including necessary improvements for accessibility. H.B. 497 of the 130th General Assembly appropriated \$250,000 for planning the house restoration and building a visitor center.

C23032	OHS - Ohio Historical Center Rehabilitation	\$1,007,370
---------------	--	--------------------

County: Franklin

These funds are for the third phase of a project to rehabilitate the Ohio History Center. Funding will be used to replace inefficient mechanical equipment and controls to maintain appropriate temperature and humidity for visitors and collections and to restore portions of the building's concrete exterior. The upgrades in this phase include mechanical system extension, exhibit area HVAC system replacement, HVAC system controls upgrades, and switchgear replacement for the chiller. H.B. 497 of the 130th General Assembly appropriated \$985,000 for Phase II of this project, which replaced the chiller and cooler tower and upgraded the building's automation system. H.B. 482 of the 129th General Assembly appropriated \$1,034,000 for Phase I of the project, boiler replacement.

C23033 OHS - Stowe House State Memorial \$1,028,500
County: Hamilton

This line item will be used for the first phase of a project to restore the Harriet Beecher Stowe House. This phase of the project consists of rehabilitating the interior and exterior of the Stowe House, including foundation stabilization and masonry repairs, exterior restoration, historic interior restoration, replacement of HVAC, electrical and security systems, and an elevator at the rear of the building. H.B. 497 of the 130th General Assembly appropriated \$300,000 for this line item, which was used for planning, research, and land acquisition necessary to carry out the project.

C23045 OHS - Lockington Locks Stabilization \$513,521
County: Shelby

The funds in this line item will continue to be used for the second phase of a multi-phase project to preserve the eight stone locks in Lockington and the Johnston Farm. These funds will be used for Lock One bypass reconstruction, restoration of the Locktender's House, a topographic and boundary survey, and archaeology. Prior funding of \$358,900 for the second phase of this project was included in H.B. 497 of the 130th General Assembly.

C23051 Tecumseh Theater Opera House Restoration \$50,000
County: Perry

This line item provides funding for a community project.

C23057 OHS - Online Portal to Ohio's Heritage \$850,000
County: Franklin

The funds in this line item will continue to support the Ohio History Connection's efforts to construct a comprehensive online gateway for the Connection's stores of information on Ohio history. The actions of the multi-phase project will include, among other things, implementation of content management software to facilitate integrating and maintaining the Society's information databases, conversion of paper records and archival materials into digital images, and continued digitization of key collections and information resources. Previous appropriations related to this purpose were included in H.B. 497 of the 130th General Assembly (\$1,246,000), H.B. 482 of the 129th General Assembly (\$546,000), and H.B. 562 of the 127th General Assembly (\$427,000).

SCHOOL BUILDING PROGRAM ASSISTANCE FUND (7032)

C23002	School Building Program Assistance	\$500,000,000
---------------	---	----------------------

County: Statewide

These moneys are generated from the sale of bonds. Funds received from this item and appropriation items C23001, Public School Buildings, (Fund 7021) and C23014, Classroom Facilities Assistance Program - Lottery Profits, (Fund 7017) will be used to provide the state share of basic project costs to those school districts participating in facilities programs overseen by the School Facilities Commission (SFC). Eligibility and priority for a district receiving state assistance is generally determined by the relative wealth of the district as measured through its three-year average adjusted valuation per pupil and the need to replace classroom facilities as assessed by the SFC.
