Purpose: This line item was created to provide funding to counties for emergency assistance to elderly and disabled individuals who are ineligible for federal public assistance programs. The Non-TANF Disaster Assistance aids individuals with emergency needs such as shelter, transportation, clothing, utilities, and food, as the administering agency approves. These dollars are allocated to the counties and then distributed through non-profit organizations, which serve as the counties' emergency food and shelter boards.

Beginning in FY 2003, JFS went to a program budgeting structure and the original appropriation to this line item for FY 2003 was transferred to a newly created line item by the Controlling Board. The appropriation for this line item was transferred to 600-521, Family Stability Subsidy. However, appropriations specifically for this line item were restored for FYs 2006 and 2007.

Through this line item, JFS advances to the counties the state's share of county administration for family services programs. Due to problems with the consolidated funding allocation method the Department was using, the appropriations for FYs 2006 and 2007 were increased to cover the rising costs of counties to administer entitlement programs.

Legal Basis: ORC 5111; Section 206.66 of Am. Sub. H.B. 66 of the 126th G.A.

Purpose: The primary purpose of this account is to reimburse health care providers for covered services to Medicaid eligible recipients. In addition, this line item funds the costs of health care related contracts such as eyeglass purchases, inpatient hospital peer review, enrollment information centers, and contracted case management. The federal earnings on the payments that are made entirely from this line item are deposited as revenue into GRF. These earnings are drawn in accordance with the guidelines of the Cash Management Information Act.

Medicaid is an entitlement program that provides health care coverage to low-income Ohioans. Although other agencies, for example, the departments of Aging, Alcohol and Drug Addiction Services, Health, Mental Health, and Mental Retardation and Developmental Disabilities, provide Medicaid services, the vast majority of Medicaid spending occurs within this line item in the budget of the Department of Job and Family Services. Although eligibility is complex, in general, Medicaid applies to people in the following four distinct insurance markets: low-income pregnant women; children in families with incomes at or below 200% of the federal poverty guideline (FPG); parents at or below 90% of the FPG; and low-income elderly and persons with disabilities of all ages, commonly referred to as the Aged, Blind, and Disabled (ABD).

Spending within the line item generally can be placed into one of nine major groupings: nursing homes (nursing facilities, or NFs, and Intermediate Care Facilities for the Mentally Retarded, or ICFs/MR), hospitals (inpatient and outpatient), physician services, prescription drugs, health maintenance organizations (HMOs), Medicare buy-in, waivers, all other care, and Disability Assistance (DA) Medical (FY2003 - FY2005).

The majority of expenditures from this line item earn the basic Federal Medical Assistance Percentage (FMAP) reimbursement rate at approximately 59%, although family planning expenditures earn an enhanced 90% federal participation rate, and a portion of the buy-in premium payments are state funds only. Expenditures for Children's Health Insurance Program (CHIP) from this line item earn an enhanced FMAP at approximately 71%. DA Medical is a state funded only program, there are no federal match earnings.

CHIP phase II (CHIP-II) payments were moved from line item 600-426, Children's Health Insurance Plan, to this line item beginning in FY 2003. In addition, DA Medical payments were moved from line item 600-511, Disability Financial Assistance, to this line item beginning in FY 2003. However, Am. Sub. H.B. 66 of the 126th G.A. provides funding of \$19.5 million in FY 2006 and \$25.5 million in FY 2007 in appropriation item 600-513, Disability Medical Assistance, for operation of the Disability Medical Assistance Program.

These dollars are deposited into fund 5Q9 and then disbursed back to the public hospitals through line item 600-619 along with federal match from line item 600-623, Health Care Federal.

This line item provides funding to hire additional staff and pay for contracted services for various purposes including: (1) safeguarding Medicaid funds that are distributed to other state agencies to ensure proper use of the funds, which could result in fewer Medicaid audit findings by the federal government that result in revenue loss to the state; (2) hiring more auditors of Medicaid providers to improve billing accuracy, recover overpayments of Medicaid when appropriate, and reduce fraud and abuse; (3) refinancing services currently funded with GRF and/or local funds in the mental retardation and developmental disabilities, education, and public health systems; and (4) developing care management strategies for Ohioans with higher medical needs.

The negotiated disallowance amount refunded to the state is 15% of the total disallowance, or \$2,853,088.

Legal Basis: Section 206.66 of Am. Sub. H.B. 66 of the 126th G.A. (originally established by Controlling Board, March 2004)

Purpose: In FFY 1991, the U.S. Department of Health and Human Services assessed the State of Ohio \$19,020,584 for quality control findings under the former Aid to Families with Dependent Children (AFDC) program. A settlement agreement between several states, including Ohio, and the U.S. Department of Health and Human Services resulted in a much lower assessment amount, totaling 15% of the original disallowance. For the State of Ohio, the revised assessment equaled \$2,853,088. Under the settlement agreement, the state could reinvest that amount in program activities or pay it back to the federal government. ODJFS has chosen to create the Temporary Assistance for Needy Families Quality Control (TANF QC) program.

The Department has described the TANF QC program as a “review process, which will focus on the dollar payment accuracy of the eligibility determination process for Ohio Works First (OWF).” The program will continue to function through SFY 2009 with a program need reassessment at that time.

The Department will continue the program with the remaining negotiated disallowance funds through FY 2009.

These funds are distributed to the hospitals based on methodology provided in the Ohio Administrative Code.
