12 AGE - 2 Civil Penalties Against Long-Term Care Providers

R.C. 173.28

Permits the Director of Aging to impose civil fines for violating prohibitions against (1) subjecting a long-term care facility resident or community long-term care services recipient to retaliation for filing a complaint or (2) denying the Long-Term Care Ombudsperson access to a long-term care facility or community-based long-term care site to investigate a complaint. Provides that the imposition of civil fines may be in lieu of the existing criminal fines for violating the prohibitions, and requires the Attorney General to collect unpaid civil fines.

Fiscal effect: There could be a decrease in local prosecutorial costs if the Department of Aging fines a long-term care provider for violations rather than seeks action through the criminal courts. As a result, local courts would lose the fine revenues associated with these cases. Instead, these fines would be deposited into the Regional Long-Term Care Ombudsman Program Fund (Fund 4C40), used by the Department. The amount deposited would depend on the number of violations. The Attorney General's Office may realize an increase in costs if the Office is required to prosecute cases to collect any unpaid fines.

13 DOH - 30 Asbestos Hazard Abatement

R.C. *3701.01, 3701.01, 3701.05, 3701.051,
3701.06, 3701.07, 3701.08, 3710.12, 3710.13,
and 3710.141*

Requires ODH to deny the application for an asbestos hazard abatement contractor's license to any person who has been found civilly liable under environmental protection laws.

Removes ODH's authority to: (1) in an emergency, waive certification requirements for certain types of asbestos hazard abatement workers; and (2) approve alternatives to worker protection requirements that contractors and asbestos hazard evaluation specialists must follow.

Authorizes ODH to: (1) deny, suspend, or revoke a license or certificate under the Ohio Asbestos Abatement Law for a violation or threatened violation of certain federal asbestos regulations, (2) serve by personal delivery the Director of Health's order pertaining to an asbestos proceeding, and (3) issue orders to unlicensed or uncertified persons requiring any action necessary to meet a public health emergency involving asbestos. If immediate action is not taken, the Attorney General, at the request of the Director of Health, may commence a civil action for civil penalties and injunctions.

Clarifies that a licensee or certificate holder's right to demand a hearing relating to the Ohio Asbestos Abatement Laws is limited to ten business days after receiving notice of the right to a hearing.

Clarifies what constitutes an "asbestos hazard abatement activity" and an "asbestos hazard abatement project" and clarifies which provisions in the Ohio Asbestos Abatement Law apply to each of those terms.

Revises the definition of "asbestos hazard abatement activity" to: (1) lower the amount of asbestos-containing materials needed to qualify as such an activity and (2) include the operation and maintenance of friable asbestos containing materials.

Creates a threshold amount of friable asbestos-containing material that must be involved for an asbestos hazard abatement activity to constitute an "asbestos hazard abatement project."

Revises the definition of "friable asbestos-containing material" to (1) change the method by which the amount of asbestos in "friable asbestos-containing material" is determined and (2) specifically include previously non-friable material that has become damaged.

Includes inspectors as persons who are considered "asbestos hazard evaluation specialists" and expands the description of specialists' duties to apply to suspect materials.

Executive

Expands the possible duties of an "asbestos hazard abatement project designer" to include the oversight of an asbestos hazard abatement activity.

Removes from the definition of "asbestos hazard abatement air-monitoring technician" the exception relating to a certified industrial hygienist in training.

Expressly limits only to asbestos hazard abatement contractors an existing prohibition against persons contracting to perform any aspect of an asbestos hazard abatement project without a written contract containing specified provisions.

Fiscal effect: It is possible that ODH could experience an increase in costs related to this provision. Additionally, the provision allows ODH to request that the Attorney General begin proceedings for civil actions and civil penalties and injunctions, which could increase costs to the Attorney General. The amount would depend on the number of actions required.
