1 ATH - 2 Promoter's License Requirements**R.C. 3773.35, 3773.43**

Requires that an applicant for a promoter's license to conduct a public or private competition involving boxing or martial arts submit a surety bond of at least \$20,000 rather than at least \$5,000, as is currently required.

Eliminates surety bonding for wrestling promoters.

Eliminates the option to provide a cash bond, certified check, or a bank draft instead of a surety bond for a promoter's license.

Eliminates the requirement that an applicant for a promoter's license verify the application under oath.

Fiscal effect: None related to the boxing and mixed martial arts surety bond provision, since it conforms statute to the Commission's current practice, and none related to the elimination of the surety bond for wrestling promoters, which has never been enforced. However, eliminating the wrestling promoter surety bond could lead to more wrestling events, and thus more revenue to the Occupational Licensing and Regulatory Fund (Fund 4K90).

2 ATH - 1 Promoter's License Information**R.C. 3773.36, 3773.43**

Changes the information that appears on a promoter's license issued by the Ohio Athletic Commission to include the date of expiration instead of the date of issuance, an identification number rather than a serial number, and removes the requirement that the license contain the signature of the commission chairperson.

Conforms the relevant statutes to other changes in the Athletic Commission regulatory law.

3 DAS - 14 Central Service Agency Consolidation Initiative

R.C. 125.22, 207.10.90

Requires that the Central Service Agency (CSA) of DAS, in consultation with the Office of Budget and Management (OBM), review the support services CSA performs for the specified state agencies, the fiscal conditions of those agencies, and make recommendations on how support services can be further consolidated to achieve administrative cost savings and efficiencies.

(1) Adds the following boards and commissions to the list of entities for which CSA is authorized to perform support services: State Medical Board, State Board of Pharmacy, State Medical Transportation Board, Ohio Athletic Commission, Board of Motor Vehicle Collision Repair, Manufactured Homes Commission, Board of Orthotics, Prosthetics, and Pedorthics, and State Board of Career Colleges and Schools.

(2) Authorizes CSA to initiate or deny personnel or fiscal actions for the specified state agencies if doing so would result in administrative cost savings and efficiencies.

(4) Specifies that the bill must not be interpreted as a grant of authority to CSA to supersede or replace the boards or commissions in the performance of their respective statutory duties, or to appoint, remove, or demote the executive directors of the boards or commissions.

(3) Authorizes CSA to require specified state agencies to enter into agreements to share office equipment, space, or other assets to the extent that such agreements would create efficiencies or savings.

(5) Authorizes OBM to take actions made necessary by administrative reorganization for the purpose of cost savings and efficiencies.

Fiscal effect: Potential cost savings for the affected boards through the consolidation of administrative services under CSA. A portion of these savings will be offset by expected increased operating costs at CSA and the cost of conducting a review of the affected boards. (See also DAS-23, Central Service Consolidation Initiative, for related uncodified law.)
