1 BWC - 12 BWC Internal Auditor

R.C. 4121.125

Removes the requirement that the Bureau of Workers' Compensation (BWC) employ an internal auditor and eliminates the BWC Board's authority to request internal audits conducted by the internal auditor. Requires, instead, the Chief Internal Auditor of the Office of Budget and Management, as applicable, to submit a copy of the preliminary and final report of internal audit findings and recommendations to the BWC Board of Directors and the Board's Audit Committee in addition to the Administrator, as required under continuing law.

Fiscal effect: H.B. 166 of the 127th G.A. created the Office of Internal Auditing in OBM and transferred the internal auditors of the affected agencies to that office. This provision of the bill reflects that transfer and would have no fiscal effect.
