1 ETC - 14 State PK-16 Education Technology Plan

No provision.

R.C. *3301.07, 3353.09, Sections 265.10.70,
265.20.30*

Requires the eTech Ohio Commission, instead of the State Board of Education as specified under current law, to develop a state education technology plan. Changes the purpose of the plan from "promoting the use of technological advancements in educational settings" to "creating an aligned preschool to postsecondary educational technology system that complies with federal mandates." Requires eTech to "implement" the plan. Requires eTech to periodically modify the plan as it deems necessary.

No provision.

Requires the State Board of Education, upon eTech's request, to assist eTech in the development and modification of the state education technology plan.

No provision.

Makes conforming changes to budget language related to GRF appropriation items 200426, Ohio Educational Computer Network, and 200446, Education Management Information System in the ODE budget. (These two items are parts of the funding sources for the state education technology plan.)

Fiscal effect: eTech may incur increased administrative costs for developing and implementing the education technology plan while ODE may experience decreased administrative costs related to the plan.

2	ETC - 10	Interactive Distance Learning Pilot Project
	No provision.	R.C. 3353.20 Requires eTech to develop and implement an interactive distance learning pilot project to provide, beginning with the 2009-2010 school year, access to at least three free interactive distance learning courses for all high schools operated by school districts, including two advanced placement courses and one foreign language course.
	No provision.	Requires eTech to: (1) contract for the development and offering of interactive distance learning courses; (2) produce and broadcast the courses offered by the pilot project; (3) provide funds for schools to purchase video conferencing telecommunications equipment and connectivity devices, if necessary, for participation; (4) assist schools in arranging for the purchase and installation of telecommunications equipment and connectivity devices; (5) pay, for up to one school year, the cost of upgrading internet service for certain schools; and (6) offer training in the use of the telecommunications equipment.
	No provision.	Requires ODE, in consultation with the Chancellor of the Board of Regents, to select courses to be offered by the pilot project and to develop standards for the curriculum of each course selected.
	No provision.	Requires eTech and ODE, in consultation with the Chancellor, to select teachers to develop and teach the courses offered by the pilot project.
	No provision.	Specifies that each high school determine the manner in which and facilities at which students may participate in courses consistent with specifications for technology and connectivity required by eTech.

Executive			As Passed by the House
	No provision.		Specifies that the grade for a student enrolled in the course offered through the pilot project be assigned by the course teacher and transmitted to the student's high school.
	No provision.		Requires eTech, the Superintendent of Public Instruction, and the Chancellor to submit, by December 31, 2010, an evaluation of the pilot project and legislative recommendations for changes to the pilot project to the Governor and the General Assembly. Fiscal effect: The bill appropriates \$2 million in FY 2010 to GRF appropriation item 935427, Distance Learning Pilot Project, and \$4.5 million in each fiscal year to SSR Fund 5GP0 appropriation item 935609, Interactive Distance Learning Program, for the pilot project.
