1 DOH - 15 Child Fatality Review Board Reports

R.C. 307.626, 149.43, 307.629, and 3701.045

Provides confidentiality protection for reports submitted to the Department of Health (ODH) or a national child death review database by local child fatality review boards.

Expands the annual report ODH and the Children's Trust Fund Board must jointly make to the General Assembly and local child fatality review boards to also include data from the Department of Health Child Death Review Database or the National Child Death Review Database.

Fiscal effect: This provision could increase administrative expenses for the Department.

2 DOH - 49 Extend Termination of Certain Statutes for Sewage Treatment Systems

No provision.

No provision.

R.C. 640.20, 640.21

Amends provisions of Am. Sub. H.B. 119 of the 127th General Assembly that temporarily suspended the operation of certain provisions of the Household and Small Flow On-Site Sewage Treatment Systems Law that enacted temporary provisions regarding that Law by extending the termination of the suspension and temporary law from July 1, 2009, to July 1, 2011.

Fiscal effect: This moratorium will maintain current operations in regards to sewage treatment systems until July 1, 2011. Thus, there should be no fiscal impact.

3	DOH - 32	Hemophilia Advisory Council	
		R.C. 3701.0211	
	No provision.	Creates the Hemophilia Advisory Council within the Department of Health to advise the Director of Health on issues pertaining to persons with hemophilia and related bleeding disorders.	No provision.
	No provision.	Requires the Council to annually submit a report to the Governor and General Assembly with recommendations on increasing access to care and treatment and obtaining appropriate health insurance coverage for persons with hemophilia and related bleeding disorders.	No provision.
		Fiscal effect: ODH could realize an increase in administrative expenses and expenses for reimbursement of actual and necessary expenses for Council members.	
4	DOH - 44	BCMh Drug Rebate Program	
	No provision.	No provision.	R.C. 3701.0212, 3701.021, 5111.081
			Allows the Director of Health to establish the Drug Rebate Program for Medically Handicapped Children (the BCMH Drug Rebate Program), requires the Program to be substantially similar to the Medicaid Supplemental Drug Rebate Program, allows the Director of Health and the Director of Job and Family Services to cooperate in obtaining rebates for all drug products that are covered by both programs, and authorizes the Department of Job and Family Services to act as the administrative agent for collection of rebates for the BCMH Drug Rebate Program.

Executive	As Passed by the House	As Passed by the Senate
No provision.	No provision.	Requires all rebates and funds received by the Program to be used for administration of the Program for Medically Handicapped Children (the BCMH Program).
No provision.	No provision.	Requires the Director of Health to consult with drug manufacturers regarding the implementation of the BCMH Drug Rebate Program, if established. Fiscal effect: The state could receive drug rebate revenue. ODH and the Department of Job and Family Services could experience an increase in administrative costs for the program, which will eventually be paid from moneys in the Drug Rebate for Medically Handicapped Children Fund once drug rebate revenue is received.
<hr/> 5 DOH - 12 Program for Medically Handicapped Children Diagnostic Services		
R.C. 3701.024	R.C. 3701.024	No provision.
Authorizes ODH, under its program for medically handicapped children, to charge counties for expenses for diagnostic services not paid from federal funds or Medicaid.	Same as the Executive.	
Fiscal effect: Currently, ODH is authorized to charge counties for any part of expenses incurred for treatment services on behalf of medically handicapped children. The provision would also allow counties to be charged for diagnostic services. This would increase the amount the Department charges counties and deposits into SSR Fund 6660, Medically Handicapped Children - County Assessments. The Department anticipates this would result in a gain of \$1.4 million annually.	Fiscal effect: Same as the Executive.

6 DOH - 38 Sickle Cell Anemia Advisory Committee

No provision.

R.C. 3701.136

Creates the Sickle Cell Anemia Advisory Committee within ODH to assist the Director in fulfilling the Director's duties regarding sickle cell disease and requires the Committee's five members to serve without compensation.

Fiscal effect: None.

No provision.

7 DOH - 46 HIV Testing

No provision.

No provision.

R.C. 3701.242, 2907.27, 3701.247

Allows any health care provider who provides diagnostic, evaluative, or treatment services (rather than only physicians) to conduct an HIV test if an individual has consented to medical or other health care treatment from the provider and the provider determines that the test is necessary for providing diagnosis and treatment.

No provision.

No provision.

Eliminates from statute the express requirement that a person or government entity obtain informed consent from a person prior to conducting an HIV test on the person.

No provision.

No provision.

Eliminates the requirement that a person or government entity, before conducting an HIV test on a person, provide the person with the following: (1) an explanation of the HIV test and related procedures, (2) an explanation that the test is voluntary and that consent may be withdrawn under certain circumstances, and (3) an explanation about behaviors known to pose risks for HIV transmission.

HIV test to provide post-test counseling when a person's test result is HIV-positive.

Requires a health care provider to inform an individual of the individual's existing right to an anonymous HIV test.

Fiscal effect: ODH, boards of health, and public hospitals may experience a decrease in expenditures due to the elimination of the requirement to provide oral or written counseling to a person receiving the results of an HIV test, AIDS or AIDS-related diagnosis. However, it is possible that additional tests may be conducted since the provision allows any health care provider who provides diagnostic, evaluative, or treatment services to test rather than only physicians.

8 DOH - 42 Help Me Grow Advisory Council

R.C. 3701.611

Codifies the existing Help Me Grow Advisory Council mirroring the requirements set forth in federal law. Specifies the duties of the Council. Allows members of the Council to be reimbursed for actual and necessary expenses incurred in the performance of their official duties, including child care for the parent representatives. Allows compensation to members who are not employed or who must forfeit wages from other employment when performing official council business.

Fiscal effect: If the Council currently exists, there should be no fiscal effect.

R.C. 3701.611

Same as the Executive, but requires the Governor to appoint to the Council a representative of a local board of health.

Fiscal effect: Same as the Executive.

R.C. 3701.611

Same as the House, but requires that the Council is to promote family-centered programs and services that acknowledge and support the social, emotional, cognitive, intellectual, and physical development of children and the vital role of families in ensuring the well-being and success of children.

11 DOH - 45 Licensure as a Freestanding Diagnostic Imaging Center

No provision.

No provision.

R.C. 3702.30

Exempts the following entities from the requirement to obtain a license from the Department of Health as a freestanding diagnostic imaging center: (1) a registered hospital that provides diagnostic imaging, (2) an that is reviewed as part of a hospital accreditation or certification program providing diagnostic imaging, and (3) an ambulatory surgical facility providing diagnostic imaging in conjunction with, or during, any portion of a surgical procedure.

Fiscal effect: Hospitals that provide diagnostic imaging and an entity reviewed as part of a hospital accreditation or certification program providing diagnostic imaging are already exempted under the Administrative Code. Ambulatory surgical facilities providing diagnostic imaging are not. Therefore, ODH could receive less licensing revenue as a result of the exemption. However, there will also be a corresponding decrease in expenditures related to licensing activity.

13 DOH - 6 Dentist Loan Repayment Program

R.C. 3702.87, 3702.89 - 3702.94, Section 289.20

Replaces the program's maximum annual loan repayment amount of \$20,000 (as well as the total maximum repayment amount of \$80,000) with the following: (1) a maximum amount of \$25,000 for each of the first two years of service; and (2) a maximum amount of \$35,000 for each of the third and fourth years of service.

Increases to two years (from one) the minimum length of service that must be completed by a dentist participating in the Dentist Loan Repayment Program.

Modifies the program's administrative provisions by (1) eliminating the express authority to assign a dentist's loan to the Department of Health, (2) allowing a dentist's employer or other funding source to be a party to the dentist's contract for participation in the program, (3) eliminating the authority to reimburse an applicant for costs incurred in visiting a dental health resource shortage area, (4) eliminating the authority to refer an applicant to the Ohio Dental Association for recruitment purposes, (5) requiring additional information to be specified in an application if a dental residency was completed, and (6) requiring the Director of Health, in designating dental health resource shortage areas in Ohio, to consider designating areas that have been federally designated as health professional shortage areas.

Modifies provisions governing the Dentist Loan Repayment Advisory Board by (1) increasing the Board's membership from seven to ten, (2) eliminating the authority to reimburse Board members for expenses, and (3) requiring that the Board's annual report also be submitted to the Governor.

14 DOH - 47 Vital Statistics - Reports of Deaths to County Boards of Elections and County Auditors

No provision.

No provision.

R.C. 3705.03, 3705.031, 319.24, 3503.18, 3503.21

Requires the State Registrar of Vital Statistics to review, in each calendar month, all death certificates received from local registrars of vital statistics and vital statistics officials in other states in the preceding calendar month and to report to county boards of elections and county auditors, not later than the last day of the review month, certain information from such certificates regarding adults who resided in the respective counties at the time of their deaths.

Requires county boards of elections and county auditors to use the information received from the reports made by the State Registrar to cancel the voter registrations of the decedents and to verify whether a property where a decedent resided continues to qualify for a reduction in real property taxes under the senior citizen homestead exemption or the 2.5% owner-occupied rollback.

Fiscal effect: Administrative costs for ODH, boards of health, county boards of elections, and county auditors may increase as a result of these duties.

1751.45, 1751.46, 1751.48, and 1753.09

Transfers the responsibility to review and certify that a health insuring corporation's (HIC's) provider network is sufficient to meet specified requirements to the Superintendent of Insurance from the Director of Health. Removes a requirement that the Superintendent consult with the Director concerning standards relating to those requirements. Removes existing provisions that required HICs to send annual reports, audit reports, and complaints and responses to the Director in addition to the Superintendent and removes the Director's authority to enforce the Health Insuring Corporation Law (R.C. Chapter 1751).

Fiscal effect: Potential increase, not likely to be significant, in the Department of Insurance's administrative costs associated with the responsibility to review and certify a health insuring corporation's provider network. Any such costs would be paid from the Department of Insurance Operating Fund (SSR Fund 5540). Corresponding decrease in administrative costs for the Department of Health. Potential decrease in overall costs for the state due to streamlining of regulation in this area.

R.C. 3923.90, 3923.91

(1) Creates a 26-member Health Care Coverage and Quality Council to advise the Governor, General Assembly, public and private entities, and consumers on strategies to expand affordable health insurance coverage to more individuals and improve the cost and quality of Ohio's health care system. Enumerates the criteria for selecting those Council members. Specifies that members be reimbursed for mileage and other necessary expenses only. Requires the Council to issue a report on or before December 31 of each year. Exempts the Council from the current sunset requirement.

(2) Requires advice and consent of the Senate for members appointed by the Governor.

3) No provision.

R.C. 3923.90, 3923.91

(1) Same as the Executive, but revises the membership of the Council by (a) substituting the Director of Health for the Director of the Office of Healthy Ohio in the Department of Health, (b) including two additional members selected according to specified criteria, (c) removing one member appointed by the Governor, and (d) adding an unspecified number of other members appointed by the Superintendent of Insurance. Makes changes to certain duties that the Council is required to perform. Permits, rather than requires, reimbursement of necessary expenses for members.

(2) No provision.

(3) No provision.

R.C. 3923.90, 3923.91, Section 307.20

(1) Same as the House, but does not permit Council members to be reimbursed for mileage and necessary expenses and requires the Council to hold its first meeting by September 1, 2009.

(2) Same as the Executive.

(3) Requires the Council to evaluate and recommend strategies pursuant to the Ohio Medicaid Administrative Study Council's recommendations to establish an initiative conducted by clinicians in the Office of Ohio Health Plans within the Department of Job and Family Services (JFS) regarding disease prevention and management and Medicaid claims. Requires the Council to submit a report of its findings and recommendations to the Governor, Senate President, and Speaker of the House by not later than June 30, 2010.

Executive

Fiscal effect: Increases the Department of Insurance's administrative costs related to the Health Care Coverage and Quality Council. The 26 members of the Council are not to be compensated for their services, but will be reimbursed for mileage and other necessary expenses. The executive proposal includes \$479,575 each fiscal year in a new line item, 820609, State Coverage Initiative Administration, in order to cover administrative costs of the Council. The new line item is funded by the Department of Insurance Operating Fund (SSR Fund 5540).

Fiscal effect: Same as the Executive, but may increase the reimbursement expenses if the Superintendent appoints more than one member. Allows for a reduction in the increase in administrative costs, due to provision making reimbursement of necessary expenses permissive. If there is any such increase, it would likely be minimal.

Fiscal effect: Reduces the increase in administrative costs from the Executive proposal, due to removal of provision for payment of necessary expenses for Council members.
